Even when economic times are tight, our children enjoy an abundance of material possessions. Yet amidst all this wealth, discontentment and competition seem to be on the rise. Instead of teaching children virtues such as gratefulness and patience, many parents are bending over backwards to get their children the latest and greatest item - or feeling guilty when they can't. With the currents of materialism and entitlement flowing so

strong, how do we raise kids who are simply thankful? With simple language, interesting anecdotes, and biblical applications, Susie Larson helps readers understand that although teaching perspective and gratitude to our children is critical, it is not difficult.

While our culture places great emphasis on comfort, security, control, and success, there are deeper rewards for those who take hold of God's promises and reach out in the Name of Christ. Adventure, faith, miracles, and a deep knowledge of Jesus Christ. This is what Susie calls her readers to realize. Author/Speaker Susie Larson makes her message graspable, accessible, and doable. Her stories, scriptural devotionals, and study questions set the stage for a first-hand experience

of God's heart for personal freedom, for the plight of the suffering, and for a conviction to get involved with His work among those in need. While the book's primary focus is on the reader's journey into freedom, it clearly conveys our shared responsibility to "seek justice, rescue the oppressed, defend the orphan, [and] plead for the widow" (Isaiah 1:17, nrsv). This is God's expectation for those who truly know Him. When we live in bondage to our fears, insecurities, shame,

guilt, despair, or sinful appetites, we live self-focused lives. But when we embrace our freedom in Christ, our hearts are released from captivity and we view everything around us—our relationships, resources, responsibilities, and opportunities—as tools to bring that same freedom to those who desperately need it. This book is for the woman who wants to grow stronger in her walk of faith and who wants to gain a greater view of God's heart for the world. And it's to this we are

called. May she be provoked, to be as free as God meant her to be. And as a result, may she become an advocate for the freedoms of others. Each chapter includes devotional insights, justice quotes, anecdotes, prayer guidance, and study/reflective questions.

In this life-changing book, energy medicine expert Rhys Thomas shows you how to discover your life purpose and align your decisions with your deepest self, so your life is fulfilling, productive, and full of joy. Trying to meet everyone else's expectations about the type of role you should play—whether in your job, your family, or society—can leave you

constantly striving but ultimately dissatisfied. In this inspiring book, Thomas guides you in using the Rhys Method® Life Purpose Profile System to identify your purpose and reconnect with your passions, so you can find true happiness and fulfillment. This system of self-discovery encompasses five distinct soul-based profiles. Which one are you? - Creative Idealists are highly imaginative thinkers who sometimes self-isolate, feeling safer staying in their inner mental world

than engaging with others. - Emotional Intelligence Specialists are empathic, sensitive, and compassionate but sometimes struggle with being overwhelmed and feeling unloved. - Team Players are loyal supporters who selflessly put others' needs before their own, but they can fail to recognize their own strengths and needs. - Charismatic Leader- Charmers are energetic, dynamic, and capable, but they can become distrustful, self-centered, and even aggressive, in

their relationships. - Knowledgeable Achievers are driven, self-disciplined, and organized big-picture thinkers. They sometimes lose touch with their emotions and push themselves too hard, becoming overly critical and judgmental. Once you identify your primary life-purpose profile, as well the other profiles you may inhabit, you can move toward your unique calling—embracing your strengths and rejecting unhealthy behaviors. Discover Your Purpose also helps you to better

understand and relate to others through their profiles. Included in this book are resources and bio-energetic exercises designed for your individual profile to help you reach your fullest potential in mind, body, and soul.
