A few years ago, the novelist T Cooper wrote his parents a letter telling them he “wasn’t their daughter anymore.” And that was the “good news.” Real Man Adventures is Cooper’s brash, wildly inventive, and often comic exploration of the paradoxes and pleasures of masculinity. He takes us through his transition into identifying as male, and how he went on to marry his wife and become an adoring stepfather of two children. Alternately bemused and exasperated when he feels compelled to explain all this, Cooper never loses his sense of humor. “Ten Things People Assume I Understand About Women But Actually Don’t,” reads one chapter title, while another proffers: “Sometimes I Think the Whole of Modern History Can Be Explained by Testosterone.” A brilliant collage of letters, essays, interviews (with his brother, with his wife, with the parents of other transgender children), artwork, and sharp evocations of difficult conversations with old friends and puzzled bureaucrats, Real Man Adventures will forever change what you think about what it means to be a man.

*** Special 75th Anniversary Edition *** Hugh Sebag-Montefiore's Dunkirk: Fight to the Last Man tells the story of the rescue in May 1940 of British soldiers fleeing capture and defeat by the Nazis at Dunkirk. Dunkirk was not just about what happened at sea and on the beaches. The evacuation would never have succeeded had it not been for the tenacity of the British soldiers who stayed behind to ensure they got away. Men like Sergeant Major Gus Jennings who died smothering a German stick bomb in the church at Esquelbecq in an effort to save his comrades, and Captain Marcus Ervine-Andrews VC who single-handedly held back a German attack on the Dunkirk perimeter thereby allowing the British line to form up behind him. Told to stand and fight to the last man, these brave few battalions fought in whatever manner they could to buy precious time for the evacuation. Outnumbered and outgunned, they launched spectacular and heroic attacks time and again, despite ferocious fighting and the knowledge that for many only capture or death would end their struggle. 'A searing story . . . both meticulous military history and a deeply moving testimony to the extraordinary personal bravery of individual soldiers' Tim Gardam, The Times 'Sebag-Montefiore tells [the story] with gusto, a remarkable attention to detail and an inexhaustible appetite for tracking down the evidence' Richard Ovary, Telegraph Hugh Sebag-Montefiore was a barrister before becoming a journalist and then an author. He wrote the best-selling Enigma: The Battle for the Code. One of his ancestors was evacuated from Dunkirk.

To the Last Man: A Story of the Pleasant Valley War is a western novel. It is a story of a family feud healed by young love. The story is based on a factual event involving the notorious Hashknife gang of Northern Arizona. The story follows an ancient feud between two frontier families that is inflamed when one of the families takes up cattle rustling. "Seventeen years ago miners working a claim of Belllounds's in the mountains above Middle Park had found a child asleep in the columbines along the trail. Near that point Indians, probably Arapahoes coming across the mountains to attack the Utes, had captured or killed the occupants of a prairie-schooner. There was no other clue. The miners took the child to their camp, fed and cared for it, and, after the manner of their kind, named it Columbine. Then they brought it to Belllounds." - Zane Grey, "The Mysterious Rider"
"A face haunted Cameron—a woman's face. It was there in the white heart of the dying campfire; it hung in the shadows that hovered over the flickering light; it drifted in the darkness beyond." - Zane Grey, "Desert Gold"

Pearl Zane Grey (January 31, 1872 - October 23, 1939) was an American author and dentist best known for his popular adventure novels and stories associated with the Western genre in literature and the arts; he idealized the American frontier. Riders of the Purple Sage (1912) was his best-selling book. Early life Pearl Zane Grey was born January 31, 1872, in Zanesville, Ohio. His birth name may have originated from newspaper descriptions of Queen Victoria's mourning clothes as "pearl grey." He was the fourth of five children born to Alice "Allie" Josephine Zane, whose English Quaker immigrant ancestor Robert Zane came to the North American colonies in 1673, and her husband, Lewis M. Gray, a dentist. His family changed the spelling of their last name to "Grey" after his birth. Later Grey dropped Pearl and used Zane as his first name. He grew up in Zanesville, a city founded by his maternal great-grandfather Ebenezer Zane, an American Revolutionary War patriot, and from an early age, he was intrigued by history. Grey developed interests in fishing, baseball, and writing, all of which contributed to his writing success. His first three novels recounted the heroism of ancestors who fought in the American Revolutionary War. As a child, Grey frequently engaged in violent brawls, despite (or because of) his father's punishing him with severe beatings. Though irascible and antisocial like his father, Grey was supported by a loving mother and found a father substitute. Muddy Miser was an old man who approved of Grey's love of fishing and writing, and who talked about the advantages of an unconventional life. Despite warnings by Grey's father to steer clear of Miser, the boy spent much time during five formative years in the company of the old man. Grey was an avid reader of adventure stories such as Robinson Crusoe and the Leatherstocking Tales, as well as dime novels featuring Buffalo Bill and "Deadwood Dick." He was enthralled by and crudely copied the great illustrators Howard Pyle and Frederic Remington. He was particularly impressed with Our Western Border, a history of the Ohio frontier that likely inspired his earliest novels. Zane wrote his first story, Jim of the Cave, when he was fifteen. His father tore it to shreds and beat him. Both Zane and his brother Romer were active, athletic boys who were enthusiastic baseball players and fishermen. Due to shame from a severe financial setback in 1889 caused by a poor investment, Lewis Grey moved his family from Zanesville and started again in Columbus, Ohio. While his father struggled to re-establish his dental practice, Zane Grey made rural house calls and performed basic extractions, which his father had taught him. The younger Grey practiced until the state board intervened. His brother Romer earned money by driving a delivery wagon. Grey also worked as a part-time usher in a theater and played summer baseball for the Columbus Capitols, with aspirations of becoming a major leaguer. Eventually, Grey was spotted by a baseball scout and received offers from many colleges. Romer also attracted scouts' attention and went on to have a professional baseball career.
