Safely Moored at Last Kings Road Publishing

Are elegant, elusive unicorns real, or just a myth? You decide with this new book in the nonfiction series, Behind the Legend! Behind the Legend looks at creatures and monsters throughout history and analyzes them through a scientific, myth-busting lens, debating whether or not the sightings and evidence provided are adequate proof of their existence. In Unicorns, readers learn about all the sightings and "proof" of them, from stories in history of people like Julius Caesar and Marco Polo who sought unicorns to why they were hunted so fiercely. This book also discusses additional history about the

creatures, such as why their horns were so valued in medieval times, their presence in pop culture, and people's ongoing search for unicorns in modern times. Complete with engaging anecdotes, interesting sidebars, and fantastic illustrations, this book is one kids won't want to put down!

Ocean Meets Sky University Press of Kentucky

From the creators of *The Night Gardener*, comes a stunning new picture book about a young boy who sets sail to find a place his grandfather told him about... the spot where the ocean meets the sky. It's a good day for sailing. Finn lives by the sea and the sea lives by him. Every time he looks out his window it's a constant reminder of the stories his grandfather told him about the place where the ocean meets the sky. Where whales and jellyfish soar and birds and castles float. Finn's grandfather is gone now but Finn knows the perfect way to honor him. He'll build his own ship and sail out to find this magical place himself! And when he arrives, maybe, just maybe, he'll find something he didn't know he was looking for.

Odd and the Frost Giants National Geographic Books

In the late morning of May 29, 1953, the sun was shining brightly and a gentle breeze was blowing on the highest elevation of the world--and two men were there to witness it for the first time ever. Their names were Edmund Hillary and Tenzing Norgay, and they had ascended Everest. This is the breathtaking story of how two very different, yet equally determined, men battled frost-biting temperatures, tumbling ice rocks, powerful winds, and death-defying ridges to reach the top of the world's highest mountain. Combining fresh and contemporary illustrations by Joe Todd-Stanton with Alexandra Stewart's captivating writing, this unique narrative tells the story of how Edmund Hillary and Tenzing Norgay made their mark on the world from birth right up to their final days and the impact they've had on Nepal today.

The Money Game in Old New York

Frances Lincoln Children's Books

A colorfully illustrated biography of a little French boy who would become an internationally known oceanographer and champion of the seas. Once upon a time in France, a baby was born under the summer sun. His parents named him Jacques. As he grew, Jacques fell in love with the sea. He dreamed of breathing beneath the waves and swimming as gracefully as a fish. In fact, he longed to become a manfish. Jacques Cousteau grew up to become a champion of the seas and one of the best-known oceanographers in the world. In this lovely biography, poetic text and gorgeous paintings come together to create a portrait of Cousteau that is as magical as it is inspiring. Praise for *Manfish* "Berne offers a luminous picture-book biography about Jacques Cousteau Puybaret's smooth-looking acrylic paintings extend the words' elegant simplicity and beautifully

convey the sense of infinite, underwater space." —Booklist (starred review) "This moving tribute to the great nautical observer and filmmaker is shot through with an authentically childlike sense of adventure and the thrill of discovery This poetic profile of a doer and a dreamer is certain to inspire fresh interest in discovering, and in caring for, our world's wonders." —Kirkus Reviews (starred review) "A new generation of children is introduced to the pioneering oceanographer and filmmaker. Beginning with Cousteau's childhood in France where he marveled at the sea and dreamed of breathing underwater, Berne reveals the unique mix of curiosity, ingenuity, and passion that drove Cousteau to make underwater exploration possible." —School Library Journal
