JONAS ALEXIS

Getting to Know You Eyp Publishing

In this collection of 10 stories, Marusek draws on core science fiction themes: in the face of change, what does it mean to be human, and where do we draw the line between helping ourselves and hurting others?

Getting to Know You Del Rey

It's an amazing first chapter that parents and children alike can always cherish with Getting to Know You. This guided journal for expecting moms and dads helps them chronicle every emotion and detail experienced during those very special nine months. Getting to Know You is a personalized gift that's perfect at any stage of pregnancy, filled with letters that parents can pass along as keepsakes to their children in later years-everything from up-close, daily feelings to lifelong hopes and dreams.

Book jacket.

Getting to Know You Grand Central Publishing

I have designed this book to last 1 full calendar year as there are 52 questions and there are 52 weeks in a year. You can start it at any time; it does not have to be the first week in January. Each week will consist of 1 question to be asked during your meeting time as well as 1 activity for you both to complete at some point during the week for each other. You can choose to skip the activity if you want, but I highly encourage you both to partake in them as this is all part of getting to know each other better! If you are not able to do the weeks activity then feel free to come up with your own activity that you can do instead. I have included examples of answers for the first few weeks. This is to get you in the mindset of how you should be trying to answer the questions with depth instead of one word answers. After the first few weeks I have included extra thoughts behind the questions. Read and answer the questions first before you move forward with the bonus material and activities.

Getting to Know Me Da Capo Press

FOREWORD BY BRENE BROWN and POSTSCRIPT FROM BRAIN PICKINGS CREATOR MARIA POPOVA

Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for-as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of THE ART OF ASKING. Part manifesto, part revelation, this is the story of an artist struggling with the new rules of exchange in the twenty-first century, both on and off the Internet. THE ART OF ASKING will inspire readers to rethink their own ideas about asking, giving, art, and love.

52 Weeks of Getting to Know You Xlibris Corporation

There are lots of rules we all need to follow, from the dress code at school, respecting someone's privacy, to turning your light off at bedtime. In six entertaining stories, Mayor Moe and City Council grapple with the task of making rules to keep their city safe, prosperous and fair. Not an easy job, since citizens come in all shapes, sizes and colors, and have different thoughts and beliefs. Readers will find out about the rights and freedoms enjoyed by every citizen in a democracy, and why they matter. With its strong focus on civic-mindedness and social justice issues, this book equips readers with the language and concepts that illustrate what it means to be an engaged citizen in a democracy --- and makes it fun!

Getting to Know You Abingdon Press

Not since William Gibson and Bruce Sterling galvanized science fiction in the 1980s has the emergence of a new writer been heralded with such acclaim as that attending David Marusek, whose brilliant first novel, Counting Heads, appeared to rave reviews in 2005. But Marusek did not come out of nowhere. Aficionados of the genre had already taken note of his groundbreaking short fiction: masterfully written, profoundly thought-out examinations of futures so real they seemed virtually inevitable. Now, in this collection of ten short stories, Marusek's fierce imagination and dazzling extrapolative gifts are on full display. Five of the stories, including the Sturgeon Award-winning "The Wedding Album," a shattering look at the unintended human consequences of advanced technology, are set in the same future as Counting Heads. All ten showcase Marusek's talent for literate, provocative science fiction of the very highest order.

Getting to Know You Frank W. Butterfield

The act of writing a letter to a deceased family member brings them back in interesting ways. And when the recipient of that letter is someone you never knew...that is when the true marvel begins. Getting to Know You is a collection of letters written by Eleanor King Byers to her deceased family members. In long and thought-provoking missives, she unspools the lives of her cherished forebears before our eyes. This gripping, heartfelt memoir is filled with rich and emotional details about what life was like in Calgary, starting in the early 1900s and moving into more modern times. Historical and personal details blend to turn this memoir into a love letter to Calgary itself, a city that housed the author's most-loved souls and most-loved memories.

You'll Know When You Get There National Geographic Books

Through exploring biblical teachings and personal stories, two international Christian leaders show believers how to develop a close, personal friendship with the Holy Spirit.

Getting to Know You Balboa Press

Getting to Know Me, Myself, and I By: Dr. Tonee Collins-Lloyd Getting to Know Me, Myself, and I is a map to follow as you encounter your developmental mountains of self-awareness. It offers some tools to utilize as you make this journey. It is a theory based on putting your life into three categories: The me or what is inside you that only you are mindful of which is your history. The I who is the external you and is portrayed as others see you and myself, who is the real you and authentic you that you choose to be. Getting to Know Me, Myself, and I allows you to take time to find out who you are in the present and have the choice to stay the same, change it, or get rid of feelings, thoughts, and behaviors. It is the acknowledgment that you are in control of you.

Getting to Know Me, Myself, and I Page Publishing Inc

A womans strength is based on how to take care of the body that God gave you. The body God made for you is both the place of your personal presence and a temple where the Holy Spirit lives within you. Your body, just like your soul, is very holy. Its a gift from God meant for you to offer back to him in glorifying him. Its to encourage you not to let go and not let the pain overwhelm you. Reach out to your pain with compassion to help others while yours is being taken cared of if you pray about it. A womans strength is strength in terms of facing difficulties and hard times, making you learn lessons about life without repeating them all the time, making you stand tall and unmovable in your world, making you overcome and win, keeping in mind that whatever challenge points to the worlds brokenness in its fallen state and to Gods goodness as his powers are revealed through peoples weakness, and showing you how to renew your relationship and improve your love life.

Getting to Know You, God A&C Black

As the 1960s ended, Herbie Hancock embarked on a grand creative experiment. Having just been dismissed from the celebrated Miles Davis Quintet, he set out on the road, playing with his first touring group as a leader until he eventually formed what would become a revolutionary band. Taking the Swahili name Mwandishi, the group would go on to play some of the most innovative music of the 1970s, fusing an assortment of musical genres, American and African cultures, and acoustic and electronic sounds into groundbreaking experiments that helped shape the American popular music that followed. In You'll Know When You Get There, Bob Gluck offers the first comprehensive study of this influential group, mapping the musical, technological, political, and cultural changes that they not only lived in but also effected. Beginning with Hancock's formative years as a sideman in bebop and hard bop ensembles, his work with Miles Davis, and the early

recordings under his own name, Gluck uncovers the many ingredients that would come to form the Mwandishi sound. He offers an extensive series of interviews with Hancock and other band members, the producer and engineer who worked with them, and a catalog of well-known musicians who were profoundly influenced by the group. Paying close attention to the Mwandishi band's repertoire, he analyzes a wide array of recordings—many little known—and examines the group's instrumentation, their pioneering use of electronics, and their transformation of the studio into a compositional tool. From protofunk rhythms to synthesizers to the reclamation of African identities, Gluck tells the story of a highly peculiar and thrillingly unpredictable band that became a hallmark of American genius.

Getting to Know Allah - Legacy Edition Lulu.com

Talented was ahead of her time, but she was not ready for what her older sister, Ann, had planned for her. Their parents were divorced. Their dad was never around. To make matters worse, their mom had become an angry alcoholic that spent little to no time with them. They were left to fend for themselves. When Ann gave her the opportunity to do what she was doing, Talented may have bitten off more than she could chew. Getting involved with The Organization was the obvious choice at the time. They were selling drugs, toting pistols in shoot-outs, and going to jail in their early teens. It didn't matter to them. They had more money than the average adult with a full-time job. Zo was forced into manhood at the age of eleven. His father was suddenly killed, and he became the man of the house, taking care of his mother and younger twin sisters. His older cousin, Man, was already involved with The Organization and got him to join as well. The Organization is a very powerful and elite group of people. They always get what they want. Although not together, all four of them were raised in violence. They became very violent and familiar with jail and lawyers. As teenagers, they find themselves in situations no adult should be in. They have to kill or be killed.
