GAGE STRICKLAND

A Vinha portuguesa Market Press
Resgatar sensações e emoções despertadas em torno de um bom vinho e fazer um brinde ao convívio social que ele proporciona. Esta é a proposta do livro do jornalista Renato Machado, *Em Volta do Vinho*, que a Editora Globo lança em dezembro de 2004, em todo o Brasil. Dirigida a leigos e iniciados, a obra faz uma seleção atualizada das melhores colunas publicadas pelo repórter no jornal *O Globo*, nos últimos seis anos, e compõe um brocado de memórias, impressões pessoais e informações úteis que tem o seu inconfundível sabor narrativo. No capítulo referente ao Velho Continente, no qual conhecimentos gerais de História e Geografia se entremeiam constantemente com reminiscências e dicas de enologia, Renato Machado propõe um passeio pelas maiores

regiões produtoras da Europa para relembrar marcas de grande prestígio e descobrir outras, indicadas por ele. No capítulo *Harmonia à Mesa*, o leitor recolhe informações básicas de como casar pratos e bebidas, sejam eles assados, pescados, preparos regionais ou queijos e vinhos. Em *O Nome da Uva*, uma cesta básica das mais importantes uvas cosmopolitas e regionais cultivadas em todo o mundo explica a procedência de alguns dos maiores vinhos da atualidade. Há ainda um capítulo especial sobre o Novo Mundo, no qual o expert analisa as principais tendências do mercado; um capítulo sobre os distintos tipos de vinhos existentes - do rosé ao tinto, do champanhe ao vinho de sobremesa -, e um último, saborosíssimo, intitulado *Impressões em Branco em Tinto*, no qual o Renato Machado perfila os mais caros episódios da sua iniciação na arte de apreciar um bom vinho. Por tudo isso, *Em Volta Do Vinho* é obra imperdível. Um livro para saborear. Como um bom copo de vinho.

Wine by Design James Direct, Inc.
 "The most useful single volume on wine ever published... If I owned only one wine book, it would be this one." - Andrew Jefford, *Decanter* Few wine books can be called classic, but the first edition of *The World Atlas of Wine* made publishing history when it appeared in 1971. It is recognized by critics as the essential and most authoritative wine reference work available. This eighth edition will bring readers, both old and new, up to date with the world of wine. To reflect all the changes in the global wine scene over the past six years, the Atlas has grown in size to 416 pages and 22 new maps have been added to the wealth of superb cartography in the book. The text has been given a complete overhaul to address the topics of most vital interest to today's wine-growers and drinkers. With beautiful photography throughout, Hugh Johnson and Jancis Robinson, the world's most respected wine-writing duo, have once again joined forces to create a classic that no wine lover can afford to be without. "The World Atlas of Wine is the single most important reference book on the shelf of any wine student." - Eric Asimov, *New York Times* "Like a good bottle of wine, you'll find yourself going back to it again and again... Perfect for anyone who has a thirst for greater wine knowledge." - Edward Deitch, *NBC/today.com* "The World Atlas of Wine belongs on your shelf... The essential rootstock of any true wine lover's library. A multi-layered snapshot of wine and how it has evolved." - Dave McIntyre, *Washington Post*
[The 24-Hour Wine Expert](#) Univ of California Press
 Guia por uma das maiores especialistas portuguesas na area do vinho. A jornalista e critica de vinhos Maria Jo?

de Almeida quer fazer de qualquer pessoa um craque em vinho, por isso, criou este manual. Com uma linguagem acessivel, descontraida e bem-humorada (e as divertidas ilustrac?es de Cristina Sampaio), esta obra vai permitir-lhe responder a todas as duvidas: - A que temperaturas devemos servir o vinho? - Que tipo de copos utilizar? - Como fazer a analise sensorial? (vis?o, olfacto, paladar) - Como combinar comida e vinho? - Que utensilios devemos utilizar? - Como armazenar vinho em casa? O *Vinho na Ponta da Lingua* tem todas as informac?es que precisa para tornar o seu paladar mais exigente. Leia, aprenda, divirta-se e seja um craque no maravilhoso mundo dos vinhos.

Wine Folly Marco Zero

The remarkable untold story of France's courageous, clever vinters who protected and rescued the country's most treasured commodity from German plunder during World War II. "To be a Frenchman means to fight for your country and its wine." -Claude Terrail, owner, Restaurant La Tour d'Argent In 1940, France fell to the Nazis and almost immediately the German army began a campaign of pillaging one of the assets the French hold most dear: their wine. Like others in the French Resistance, winemakers mobilized to oppose their occupiers, but the tale of their extraordinary efforts has remained largely unknown-until now. This is the thrilling and harrowing story of the French wine producers who undertook ingenious, daring measures to save their cherished crops and bottles as the Germans closed in on them. *Wine and War* illuminates a compelling, little-known chapter of history, and stands as a tribute to extraordinary individuals who waged a battle that, in a very real way, saved the spirit of France.

Pela provadora de vinhos mais respeitada do mundo.«O objectivo deste livro é partilhar o meu conhecimento consigo e fazer de si um confiante Especialista de vinhos em 24 horas.» Jancis Robinson

Wine and War Editora Senac Rio

O livro descortina para o leitor o mais amplo cenário das vinícolas e dos vitivinicultores brasileiros. É um guia que o levará às várias regiões e que lhe permitirá conhecer os produtos, as histórias, as famílias e as peculiaridades dos vinhos degustados por Rogerio Dardeau, sempre em busca da melhor expressão terroir. O autor afirma em sua apresentação que este livro mostra uma realidade praticamente desconhecida pelo grande público e, muitas vezes, rejeitada por enófilos habituados às ofertas importadas. Para você que gosta de tomar conhecimento de novos bons vinhos, de saborear histórias, experimentar e degustar o produto... esta é a oportunidade!

Lavoura Portuguesa Carlton Books

Nesta edição apresentamos matéria com o Dr. João Carlos Pereira, o médico que é a grife do transplante capilar, que acaba de abrir uma clínica em São Paulo. E ainda, os carros chineses que chegam ao Brasil com preços competitivos. Um raio X do mercado imobiliário, que movimentará bilhões.

The Wines of Portugal Michael Joseph
Lavishly illustrated and written in an easy-to-read style, this book will go down as well as the most lovingly created gin & tonic.

Thinking, Fast and Slow Mauad Editora Ltda

A fascinating exploration of the inside world of sommeliers, sharing their unique perspectives, extensive expertise, and best stories. Rajat Parr's profound knowledge of wines, deep relationships with producers, and renowned tasting abilities have made him a legend in the business. As wine director for the Mina Group, Parr presides over the lists at some of the country's top restaurants. In *Secrets of the Sommeliers*, Parr and journalist Jordan Mackay present a fascinating portrait of the world's top wine professionals and their trade. The authors interviewed the elite of the sommelier community, and their colleagues' insights, recommendations, and entertaining stories are woven throughout, along with Parr's own takes on his profession and favorite winemakers and wines. Along the way, the authors give an immersion course in tasting and serving wine; share strategies for securing hard-to-find bottles at a good price and identifying value sweetspots among the many regions; and teach readers how to make inspired food pairings. Winner - 2011 James Beard Cookbook Award - Beverage Category

Heather Wells is used to having her cake and eating it too, but this time her cake just might be cooked. Her wedding cake, that is. With her upcoming nuptials to PI Cooper Cartwright only weeks away, Heather's already stressed. And when a pretty junior turns up dead, Heather's sure things can't get worse—until every student in the dorm where she works is a possible suspect, and Heather's long-lost mother shows up. Heather has no time for a tearful mother and bride

reunion. She has a wedding to pull off and a murder to solve. Instead of wedding bells, she might be hearing wedding bullets, but she's determined to bring the bad guys to justice if it's the last thing she does . . . and this time, it just might be.

O passo a passo da degustação: um guia prático para aprender a provar vinhos abrange o conteúdo de um verdadeiro curso de degustação por meio de cem

perguntas e respostas comentadas, as quais reúnem as maiores dúvidas dirigidas ao autor Celio Alzer ao longo de sua carreira como professor e especialista na área. Enriquecida por fotos de Sergio Pagano e por ilustrações que facilitam a compreensão, a obra responde a questões como: "É verdade que sempre se deve cheirar a rolha? Qual é o melhor horário para degustar vinhos? Que tipo de copo se deve usar em uma degustação? De onde vêm os aromas de um vinho?" Com respostas claras e diretas a diversas perguntas, o universo da degustação de vinhos torna-se mais próximo de qualquer pessoa interessada no assunto.

Wine People Mauad X

A startling, subversive novel about a teenage girl who has lost everything and will burn anything. Fourteen-year-old Lucia is a young narrator whose voice will long ring in your ears. She is angry with almost everyone, especially people who tell her what to do. She follows the one rule that makes any sense to her: Don't Do Things You Aren't Proud Of. Orphaned and living with her elderly aunt in poverty in the converted garage of a large mansion, Lucia makes her way through the world with only a book, a Zippo lighter, and a pocket full of stolen licorice. Expelled from school, again, Lucia spends her days riding the bus to visit her mother in The Home. When Lucia discovers a secret Arson Club, she will do anything to be a part of it. Her own arson manifesto is a marvellous anarchist pamphlet, written with biting wit and striking intelligence. The voice of teenaged Lucia is a tour de force: a brilliant, wrenching cry from the heart and mind of a super-smart, funny girl who can't help telling us the truth, a riveting chronicle of family, misguided friendship, and loss. How to Set a Fire

and Whyis Jesse Ball's most accessible novel yet; after *Silence Once Begun* and *A Cure for Suicide*, the pyrotechnics on display here will dazzle. 'I was captivated from the first line..... Lucia belongs with all the great child truth tellers: David Copperfield, Huck Finn, Holden Caulfield..... I loved her and I loved the book, every page of it.' Peter Heller, author of *The Dog Stars* and *The Painter* *O passo a passo da degustação* Avery New York Times Bestseller A Summer Reading Pick for President Barack Obama, Bill Gates, and Mark Zuckerberg From a renowned historian comes a groundbreaking narrative of humanity's creation and evolution—a #1 international bestseller—that explores the ways in which biology and history have defined us and enhanced our understanding of what it means to be "human." One hundred thousand years ago, at least six different species of humans inhabited Earth. Yet today there is only one—homo sapiens. What happened to the others? And what may happen to us? Most books about the history of humanity pursue either a historical or a biological approach, but Dr. Yuval Noah Harari breaks the mold with this highly original book that begins about 70,000 years ago with the appearance of modern cognition. From examining the role evolving humans have played in the global ecosystem to charting the rise of empires, *Sapiens* integrates history and science to reconsider accepted narratives, connect past developments with contemporary concerns, and examine specific events within the context of larger ideas. Dr. Harari also compels us to look ahead, because over the last few decades humans have begun to bend laws of natural selection that have governed life for the past four billion years. We are

acquiring the ability to design not only the world around us, but also ourselves. Where is this leading us, and what do we want to become? Featuring 27 photographs, 6 maps, and 25 illustrations/diagrams, this provocative and insightful work is sure to spark debate and is essential reading for aficionados of Jared Diamond, James Gleick, Matt Ridley, Robert Wright, and Sharon Moalem.

Sapiens Vendome Press

This is a collection of thirty portraits of individuals involved in all aspects of wine production and consumption, superbly written by one of the most respected writers on wine in the world today. It is by no means restricted to proprietors and producers, but includes wine merchants and traders, wine writers, and a sommelier. People are attracted to wine for all sorts of reasons. Some inherit properties and perpetuate the skills and traditions handed down to them, others start from scratch creating wine estates or transforming existing properties in the wish to improve diversity; the grand and the modest, the rich and the struggling, the standard bearers of tradition and bold innovators, old men and young women. Every person has been interviewed, and as far as possible ideas are presented in the worlds of the individual. The parade of personalities is deliberately international. But even so it has proved impossible in a book of this limited size to include individuals from every single wine-producing region of significance. The central focus of the book remains European, and rightly so, but voices are also heard from as far away as Oregon and New Zealand. Accompanying these wonderful essays are photographs of chateaux, cellars and bottles and enchanting line drawings of the

protagonists.

The Bride Wore Size 12 Ten Speed Press
A revolution has been taking place in the vineyards and wineries of Portugal during the last twenty years, bringing hundreds of new wines onto the international market. Indigenous grape varieties that were once obscure are now becoming mainstream. Once thought of as a country that produced mainly red wine, Portugal is now proving that it has producers capable of making world-class white wines, some as distinctive as any red. The wines of Portugal takes a regional perspective, examining the terroirs that make this small but varied country so unique. The book divides Portugal into four areas: Atlantic Wines, Mountain Wines, Wines of the Plains and Wines of the Islands. Within these areas there are detailed descriptions of the demarcated wine regions, the growers and the wines they produce. From crisp Vinhos Verdes in the Atlantic north-west through the Douro, Dão and Lisbon to the big, bold reds of the Alentejo and newcomers from the Algarve in the deep south, this book is an up-to-date appraisal of Portugal's vineyards and wine producers. Written by one of the world's leading authorities on the wines of Portugal, this book takes

an international perspective. It covers the history of Portuguese wine, grape varieties, winemaking and the regions and their producers, along with guidance for visitors. The producers included in the book are chosen by the author, based on their historic importance, the quality of their wines and international distribution.

Tratado de vinificacao para vinhos genuinos. Globo Livros

Emily Thacker's collection of old-time remedies has hundreds of ways to use vinegar for health & healing, cooking & preserving, cleaning & polishing.
