The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Okay folks, this is hands down the most devastating book that the vast majority of you have ever, or will ever, read. Within these pages will be found very serious information that every American will soon have to face. And I don't mean eventually.. I mean now. There is no censorship or political correctness to tone it down or candycoat it. This knowledge has been hidden from the human race since the beginning of time. Only now because of the worldwide web are we finally allowed to bring the astonishing truth of religion and government to the surface. But don't let this lead you to believe that this freedom will last. Our lying lawmakers are daily removing our Constitutional freedoms with more and more oppressive laws that are disguised as regulations enacted for our protection. Whoever still believes this nonsense is hopelessly lost. The section you are now reading was designed to draw the public's attention so that we authors can get as many people as possible to read our books. Folks, the information revealed in this book wasn't written to increase profit. It was written to inform everyone of the secret Illuminati codes, symbols, rituals, and sacred geometry that were used to design the Christian religion, as well as every other religion, which have controlled humanity for thousands of years through deception and fear. If you want to understand the true gravity of this information, you will want to go to my blog "Organized Religion is an evil genius" at [www.myspace.com/loveisonlyunconditional](http://www.myspace.com/loveisonlyunconditional). My entire family have faithfully served Christ for as long as I can remember. So for me to have to present information that will contribute to effectively dismantling the entire Christian religion and American government isn't what I was expecting to find when searching through the scriptures. I was expecting to lift the Christian religion up as the premier religion, and to claim Jesus

Christ as the "one true God". But things don't always turn out the way we plan. After studying the Holy Bible more than anyone I am currently aware of, even giving up sex in the process to focus more thoroughly, I have come to the conclusion that we have all been lied to. I am as honest as human beings can be, so I have no motivation to lie about something this serious. All worldwide governments (including U.S. and London) are planning some unthinkable terrorist events so that they may have an excuse to remove American sovereignty, make the Constitution void, and bring in the Illuminati's long awaited "Great Work of Ages". It's on your one dollar bill. Every adult must accept personal responsibility and research this information with maturity and an open mind. As I said, I explain the ancient codes in relation to religion and all terrorist events at my blog at the myspace address I gave you. If you are afraid of having your current belief system rocked to its foundations, DO NOT READ THAT BLOG! But if you're tired of the deception and war, read it ASAP. I love you all.
