This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesa's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

In the desert life is hard. It can also be surreal. In the absence of congestion and convention, imagination takes you by the hand... or the balls. In this macabre collection of riveting tales, Jason S. Walters grabs the reins of storytelling as if it were a wild stallion. The minds of mistreated animals and people are turned inside out for us to peruse and rubberneck. He leads the reader into ambushes and acrimony, desperation and sorrow. Under or behind every rock in his wilderness lurks something hideous or heinous, building your fear upward to pinnacle heights. The actions taken by his victims, whether villains or visitors, are uncompromising and often fatal. There is no neutral ground in his western Mecca for misfits.

Navy SEAL sniper and New York Times bestselling author Brandon Webb's personal account of eight of his friends and fellow SEALs who made the ultimate sacrifice. "Knowing these great men—who they were, how they lived, and what they stood for—has changed my life. We can't let them be forgotten. We've mourned their deaths. Let's celebrate their lives."—Brandon Webb As a Navy SEAL, Brandon Webb rose to the top of the world's most elite sniper corps, experiencing years of punishing training and combat missions from the Persian Gulf to Afghanistan. Along the way, Webb served beside, trained, and supported men he came to know not just as fellow warriors, but as friends and, eventually, as heroes. This is his personal account of eight extraordinary SEALs who gave all for their comrades and their country with remarkable valor and abiding humanity: Matt "Axe" Axelson, who perished on Afghanistan's Lone Survivor mission; Chris Campbell, Heath Robinson, and JT Tumilson, who were among the casualties of Extortion 17; Glen Doherty, Webb's best friend, killed while helping secure the successful rescue and extraction of American CIA and State Department diplomats in Benghazi; and other close friends,

classmates, and fellow warriors. These are men who left behind powerfully instructive examples of what it means to be alive—and what it truly means to be a hero. INCLUDES PHOTOGRAPHS
