My best friend, Preacher, is being just that. His sermon today is on fathers and I am his congregation. "Dads are light. They have no roots. One strong wind, and they're gone. Out of here. History." With a click, a bang, a whisper--or no noise at all. There are so many ways that a door can close, but it's not just

the closing; it's the knowing. And thirteen-year-old CJ knows too much--about losing his father, about his family's pain, and especially about what it means to hold things together when times are the toughest. In this beautifully written and powerfully moving novel in poems, Hope Anita Smith tells the story of a young man's struggle to accept a father who has walked out on his family. Here, in CJ's words, is a portrait of hurt and healing, and finding the strength to open the door again. The Way a Door Closes is the winner of the 2004 Coretta Scott King - John Steptoe New Talent Award and the 2004 Bank Street - Claudia Lewis Award and is a 2004 Bank Street - Best Children's Book of the Year.

There is value in taking poetry to work, and finding the poetry that's already there.

Publications like "Harvard Business Review" and "FastCompany" are starting to write about the power of poetry-noting poetry's effectiveness in building creative thinkers and problem solvers. Yet there is no single source to guide those who are *at work* every day, with little direction for how to explore the power of poetry in the workplace. Glynn Young's "Poetry at Work" is that guide. From discussions about how poetry is built into the very fabric of work, to practical suggestions on how to be a poet at work, this is a book that meets a very real need.

Altogether-a landmark book that moves beyond David Whyte's seminal book on poetry and the corporate world. More than just philosophy, this book brings the hope of practice and surprising discovery, the benefits of stress relief and increased accomplishment. *** The Masters in Fine Living Series is designed to help people live a whole life through the power of reading, writing, and just plain living. Look for titles with the tabs "read, write, live, play, learn, " or "grow"-and join a culture of individuals interested in living deeply, richly.

Differentiated instruction
is a nice idea, but what
happens when it comes to
assessing and grading
students? What's both fair
and leads to real student
learning? Fair Isn't Always
Equal answers that
question and much more.
Rick Wormeli offers the
latest research and

common sense thinking
that teachers and
administrators seek when
it comes to assessment
and grading in
differentiated classes.
Filled with real examples
and "gray" areas that
middle and high school
educators will easily
recognize, Rick tackles
important and sometimes
controversial assessment
and grading issues
constructively. The book
covers high-level
concepts, ranging from
"rationale for
differentiating assessment
and grading" to
"understanding mastery"
as well as the nitty-gritty
details of grading and
assessment, such as:
whether to incorporate
effort, attendance, and
behavior into academic
grades; whether to grade
homework; setting up
grade books and report
cards to reflect
differentiated
practices; principles of
successful
assessment; how to create
useful and fair test
questions, including how
to grade such prompts
efficiently; whether to
allow students to re-do
assessments for full
credit. This thorough and
practical guide also
includes a special section
for teacher leaders that
explores ways to support

colleagues as they move toward successful assessment and grading practices for differentiated classrooms. *The Book of Celtic Verse* Watkins Media Limited Accompanying CD-ROM contains full text of the manual, Microsoft Excel spreadsheets, and a
