\*\*INSTANT NEW YORK

TIMES BESTSELLER\*\* In the vein of Mary Beth Keane's Ask Again, Yes and Cynthia D'Aprix Sweeney's The Nest, Tracey Lange's We Are the Brennans explores the staying power of shame—and the redemptive power of love—in an Irish Catholic family torn apart by secrets. When twenty-nine-year-old Sunday Brennan wakes up in a Los Angeles hospital, bruised and battered after a drunk driving accident she caused, she swallows her pride and goes home

to her family in New York. But it's not easy. She deserted them all—and her high school sweetheart—five years before with little explanation, and they've got questions. Sunday is determined to rebuild her life back on the east coast, even if it does mean tiptoeing around resentful brothers and an ex-fiancé. The longer she stays, however, the more she realizes they need her just as much as she needs them. When a dangerous man from her past brings her family's pub business

to the brink of financial ruin, the only way to protect them is to upend all their secrets—secrets that have damaged the family for generations and will threaten everything they know about their lives. In the aftermath, the Brennan family is forced to confront painful mistakes—and ultimately find a way forward, together.

Concord Theatricals *Returning Home* features and contextualizes the creative works of Diné

(Navajo) boarding school students at the Intermountain Indian School, which was the largest federal Indian boarding school between 1950 and 1984. Diné student art and poetry reveal ways that boarding school students sustained and contributed to Indigenous cultures and communities despite assimilationist agendas and pressures. This book works to recover the lived experiences of Native American boarding school students through creative works, student interviews,

and scholarly collaboration. It shows the complex agency and ability of Indigenous youth to maintain their Diné culture within the colonial spaces that were designed to alienate them from their communities and customs. *Returning Home* provides a view into the students' experiences and their connections to Diné community and land. Despite the initial Intermountain Indian School agenda to send Diné students away and permanently relocate them elsewhere, Diné

student artists and writers returned home through their creative works by evoking senses of Diné Bikéyah and the kinship that defined home for them. *Returning Home* uses archival materials housed at Utah State University, as well as material donated by surviving Intermountain Indian School students and teachers throughout Utah, Arizona, and New Mexico. Artwork, poems, and other creative materials show a longing for cultural connection and demonstrate cultural

resilience. This work was shared with surviving Intermountain Indian School students and their communities in and around the Navajo Nation in the form of a traveling museum exhibit, and now it is available in this thoughtfully crafted volume. By bringing together the archived student arts and writings with the voices of living communities, *Returning Home* traces, recontextualizes, reconnects, and returns the embodiment and perpetuation of

Intermountain Indian School students' everyday acts of resurgence.

Disneyland 2022 Pioneer Drama Service, Inc. This Open Access book tracks the latest trends in the theory, research, and practice of entertainment-education, the field of communication that incorporates social change messaging into entertaining media. Sometimes called edutainment, social impact television, narrative persuasion, or cultural strategy, this approach to social and behavior change communication offers new opportunities including

transmedia and digital formats. However, making media can be a chaotic process. The realities of working in the field and the rigid structures of scholarly evaluation often act as barriers to honest accounts of entertainment-education practice. In this collection of essays, experienced practitioners offer unique insight into how entertainment-education works and present a balanced view of its potential pitfalls. This book gives readers an opportunity to learn from

the successes and mistakes of the experts, taking a behind-the-scenes look at the business of making entertainment-education media.

Star Wars has reached more than three generations of casual and hardcore fans alike, and as a result many of the producers of franchised Star Wars texts (films, television, comics, novels, games, and more) over the past four decades have been fans-turned-

creators. Yet despite its dominant cultural and industrial positions, Star Wars has rarely been the topic of sustained critical work. Star Wars and the History of Transmedia Storytelling offers a corrective to this oversight by curating essays from a wide range of interdisciplinary scholars in order to bring Star Wars and its transmedia narratives more fully into the fold of media and cultural studies. The collection places Star Wars at the center of those studies'

projects by examining video games, novels and novelizations, comics, advertising practices, television shows, franchising models, aesthetic and economic decisions, fandom and cultural responses, and other aspects of Star Wars and its world-building in their multiple contexts of production, distribution, and reception. In emphasizing that Star Wars is both a media franchise and a transmedia storyworld, Star Wars and the History of Transmedia Storytelling

demonstrates the ways in which transmedia storytelling and the industrial logic of media franchising have developed in concert over the past four decades, as multinational corporations have become the central means for subsidizing, profiting from, and selling modes of immersive storyworlds to global audiences. By taking this dual approach, the book focuses on the interconnected nature of corporate production, fan consumption, and transmedia world-

building. As such, this collection grapples with the historical, cultural, aesthetic, and political-economic implications of the relationship between media franchising and transmedia storytelling as they are seen at work in the world's most profitable transmedia franchise.

The Unofficial Guide: The Color Companion to Walt Disney World Random House Books for Young Readers

The New York Times Best Seller For the first time ever, 75 beloved songs

from Mister Rogers' Neighborhood and The Children's Corner are collected in this charmingly illustrated treasury, sure to be cherished by generations of children as well as the millions of adults who grew up with Mister Rogers. It's you I like. It's not the things you wear, It's not the way you do your hair— But it's you I like. From funny to sweet, silly to sincere, the lyrics of Mister Rogers explore such universal topics as feelings, new siblings, everyday life,

imagination, and more. Through these songs—as well as endearing puppets and honest conversations—Mister Rogers instilled in his young viewers the values of kindness, self-awareness, and self-esteem. But most of all, he taught children that they are loved, just as they are. Perfect for bedtime, sing-along, or quiet time alone, this beautiful book of meaningful poetry is for every child—including the child inside of every one of us.

*A Beautiful Day in the Neighborhood* Random House Books for Young Readers

Gender isn't just about "male" or "female" anymore - if you have any doubts, just turn on your television. RuPaul is as familiar as tomato ketchup with national radio and television shows, and transgendered folk are as common to talk-shows as screaming and yelling. But if the popularization of gender bending is revealing that "male" and "female" aren't enough, where are

we supposed to go from here? Cultural theorists have written loads of smart but difficult-to-fathom texts on gender, but none provide a hands-on, accessible guide to having your own unique gender. With *My Gender Workbook*, Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped

under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, Bornstein gently but firmly guides you to discover your own unique gender identity. Whether she's using the USDA's food group triangle to explain gender, or quoting one-liners from real "gender transgressors", Bornstein's first and foremost concern is making information on gender bending truly accessible. With quizzes and exercises that

determine how much of a man or woman you are, *My Gender Workbook* gives you the tools to reach whatever point you desire on the gender continuum. Bornstein also takes aim at the recent flurry of books that attempt to naturalize gender difference, and puts books like *Men are from Mars, Women are from Venus* squarely where they belong: on Uranus. If you don't think you are transgendered when you sit down to read this book, you will be by the time you finish it!

Dani Monroe is more than just another jaded woman. Her veins run deep with every reason to never fall in love. If her mother taught her anything, it was how easily a betrayal is earned. After a childhood spent learning that lesson, it's the only truth she knows. Now, as a woman with needs, she strictly dates married men. She knows what she

is getting with them—all of the fun and none of the feelings—and that's how she likes it. Lucas Kane has only ever been in love once. Disloyalty followed soon after and he wants no part of "a future" with anyone ever again. But having the same conversation with different women became redundant. So he slipped on a wedding ring, and soon realized there were many women out there very attracted to married men. Those same women asked no questions when it came time to say

goodbye. So he carries on like this—faking a married life and fooling around. A chance encounter brings the two together and while it sounds like a match made in heaven, both are leery, with cynical hearts. What happens when two people hell bent on avoiding love find themselves falling? How many lies have they told? Will the truth set them free, or rip them apart?

From farmer Joel Salatin's point of view, life in the 21st century just ain't normal. In **FOLKS, THIS AIN'T NORMAL**, he discusses how far removed we are from the simple, sustainable joy that comes from living close to the land and the people we love. Salatin has many thoughts on what normal is and shares practical and philosophical ideas for changing our lives in small ways that have big impact. Salatin, hailed by the New York Times as "Virginia's most

multifaceted agrarian since Thomas Jefferson [and] the high priest of the pasture" and profiled in the Academy Award nominated documentary Food, Inc. and the bestselling book The Omnivore's Dilemma, understands what food should be: Wholesome, seasonal, raised naturally, procured locally, prepared lovingly, and eaten with a profound reverence for the circle of life. And his message doesn't stop there. From child-rearing, to creating quality family time, to respecting the

environment, Salatin writes with a wicked sense of humor and true storyteller's knack for the revealing anecdote. Salatin's crucial message and distinctive voice--practical, provocative, scientific, and down-home philosophical in equal measure--make FOLKS, THIS AIN'T NORMAL a must-read book. contemporary theory around gender, sexuality, and power. The original is a classic of modern transgender theory and literature and, alongside Bornstein's other work, has influenced an entire generation of trans writers and artists. This revised and expanded edition extends that legacy, offering an accessible foundation for examining gender in the reader's life and in the broader culture while arguing for the dismantling of all forms of oppression. For fans of

the original, Bornstein's new material merits a fresh read..."--Publishers Weekly, starred review Cultural theorists have written loads of smart but difficult-to-fathom texts on gender theory, but most fail to provide a hands-on, accessible guide for those trying to sort out their own sexual identities. In My Gender Workbook, transgender activist Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts

In this exciting new edition of her classic text, Bornstein re-examines gender in light of issues like race, class, sexuality, and language. With new quizzes, new puzzles, new exercises, and plenty of Kate's playful and provocative style, My New Gender Workbook promises to help a new generation create their own unique place on the
