A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come

to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and

hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

Heaven and Hell Zondervan Academic About The Book Having therefore these promises, dearly beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of God. 2Corinthians 7:1. There are impurities of the heart and of the body that you must bring yourself to God to save and purify you, so you may live freely and fully in Christ's righteousness and holiness. Some of the impurities of the heart may or may not be known by our fellow men, but are clearly known to God. The Holy Spirit often convicts the heart of men. Impurities of the heart defile the man and constitute sorrow to the believer who sees them manifest in his life. "But those things which proceed out of the

mouth come forth from the heart; and they defile the man.

Recent years have seen much controversy regarding a unified Christian doctrine of hell: Do we go to heaven or hell when we die? Or do we cease to exist? Are believers and unbelievers ultimately saved by grace in the end? By focusing on recent theological arguments, *Four Views on Hell: Second Edition* highlights why the church still needs to wrestle with the doctrine of hell. In the fair-minded and engaging Counterpoints format, four leading scholars introduce us to the current views on eternal judgment, with particular attention given to the new voices that

have entered the debate. Contributors and views include: Denny Burk - representing a principle of Eternal Conscious Torment John Stackhouse - representing a principle of Annihilationism (Conditional Immortality) Robin Parry - representing a principle of Universalism (Ultimate Reconciliation) Jerry Walls - representing a principle of Purgatory Preston Sprinkle concludes the discussion by evaluating each view, noting significant points of exchange between the essayists. The interactive nature of the volume allows the reader to reflect on the strengths and weaknesses of each view and come to an informed conclusion. **BONUS CONTENT:** Includes entire first edition of *Four Views on Hell* to help readers grasp the history of the discussion and how it has developed over the last twenty years.

A Divine Revelation of Prayer Whitaker House

In 1976, Jesus took Mary K. Baxter on a spiritual journey for thirty nights to witness the torments of hell, charging her to reveal the terrible reality of God's judgment and to relate the urgent message of salvation through Jesus Christ. Mary wrote about her journey to hell in her best-selling book A Divine Revelation of Hell, which has sold more than 1.3 million copies. After those thirty nights, Jesus told Mary, "I will close up your mind, and you will not remember some of the things I have shown and told you. But I will reopen your mind and bring back your understanding in the latter days. Then I will open up your remembrance...."

Recently, God has brought back to Mary's remembrance many of those experiences because these revelations are particularly for our day. A Divine Revelation of Satan's Deceptions contains new images of hell that Mary has not related in her other books, as well as crucial insights into the deceptions Satan uses to destroy people and the tactics he employs to defeat believers. God has given His people

anointings, gifts, and resources to build His kingdom that Satan has stolen and is holding captive in hell. This book reveals how we can use various "keys to the kingdom" to restore these blessings and to destroy the powers of darkness. Our choice is between allowing Satan to deceive and rob us—or claiming our spiritual inheritance and conquering the enemy in the power of God.
