Literary Waves is an inspirational journey to give expression to the imagination, to invoke the love and longing of the keen readers of poetry, with all its metaphors and similes, more so, the rhyming, all encompassed in it. The euphoria of the rising sun, the elegance and the broad smile of the sunflower, the elation of the wedding glitz, the passion for sandy beaches, have all been woven with the intense love for poetry in the Literary Waves. I am sure the readers would find this compilation very interesting and would love going through it from the beginning till the end, to fill their leisure hours with pleasure.
