The Children's Picture Dictionary Prentice Hall

Fruit! is a modern classic bilingual picture dictionary that has delighted readers and language learners worldwide since 1972. Using a combination of charming and amusing images of different types of fruit and a simple dual language layout, Fruit! is a family favorite for all ages. Fruit! is a retro childhood classic that is much loved in its original Scandinavian homeland. This popular children's book is an important part of many childhoods and nostalgic parents will cherish reading Fruit! with their children just as their parents read it with them many years before. Fruit! is a beautifully designed example of classic Scandinavian style, combining a minimalist layout with simple functionality. Updated and revised for a modern audience, but still retaining its naïve charm, this classic children's picture book is now available for the first time in

English. Fruit! is a bilingual English-Dutch picture dictionary featuring an English-Dutch dual language text. Picture dictionaries are a tried and tested way of introducing new vocabulary, especially for young children, and of reinforcing existing knowledge for more advanced learners.

Many language learners find that a variety of language resource formats aid an effective and efficient learning path. Visual learners will also find picture dictionaries particularly useful. Learning Dutch is fun and easy with Cambridge Bilingual Books!

ICOON Plus Houghton Mifflin

An English picture dictionary with illustrations of each word identified.

**My First Picture Dictionary** Grosset & Dunlap

The world's most curious monkey investigates new words in this lively picture dictionary for young children. Curious George's Dictionary is an engaging picture dictionary specially designed for children from preschool through first grade. Both entertaining and educationally sound, it features charming illustrations and reflects recent research in early childhood literacy, setting it apart from other picture dictionaries. The main

part of the dictionary is an A-Z section containing approximately six hundred words, six words to a page. Each word is illustrated with a full-color drawing, most of which have been created for this book by the popular illustrator Mary O'Keefe Young. More than half the illustrations include a sample sentence that puts the word in a familiar context. A four-page illustrated story at the front of the book shows George learning how to look up words in his dictionary, drawing children in while introducing them to dictionary skills. At the end of the book, seven one- to two-page illustrations present groups of words related by simple themes such as colors, shapes, and numbers. Developed in collaboration with educational consultants, the word list includes not only concrete objects but many more abstract concepts, like discover and enough, than do other picture dictionaries. Such words are essential for vocabulary development, and Curious George's antics bring them alive, making them easy and fun for children to learn.

Young Children's Picture Dictionary

Contemporary Books

Several words beginning with each letter

of the alphabet are illustrated and used in sentences.
