Stephen Blackmoore's dark urban fantasy series follows necromancer Eric Carter through a world of vengeful gods and goddesses, mysterious murders, and restless ghosts. Necromancer is such an ugly word, but it's a title Eric Carter is stuck with. He sees ghosts, talks to the dead. He's turned it into a lucrative career putting troublesome spirits to rest, sometimes taking on even more dangerous things. For a fee, of course. When he left LA fifteen years ago, he thought he'd never go back. Too many bad memories. Too many people trying to kill him. But now his sister's been brutally murdered and Carter wants to find out why. Was it the gangster looking to settle a score? The ghost of a mage he killed the night he left town? Maybe it's the patron saint of violent death herself, Santa Muerte, who's taken an unusually keen interest in him. Carter's going to find out who did it, and he's going to make them pay. As long as they don't kill him first.

Geralt's encounter with a beast reveals the truth behind fairy tales in this graphic novel adaptation of Andrzej Sapkowski's original short story. Geralt takes a short cut down a beaten path, where he makes a grim discovery of two corpses. Backtracking their trail, he's led to a derelict mansion secured with elevated walls and a gate—mysterious and ramshackle, yet adorned with a rare elegance Geralt could not ignore. He is met with the mansion's owner—not quite human, but a beast with the faculties of a man. With Geralt unfazed by his monstrous appearance and displays of aggression, the beast invites him inside. A kind but wary host, he shares stories of his family, his life . . . and his curse. If the weight of his misdeeds could condemn him to the body of a beast—a retribution spoken of only in fairy tales, could there be another grain of truth in these tales of fantasy—one that could help him elude his fate and lead him to salvation? This graphic novel is the first in a series of adaptations from Sapkowski's acclaimed short story collection *The Last Wish!* Script adaptation by Jacek Rembiś (Frostpunk) with art by Jonas Scharf (Bone Parish, War for the Planet of the Apes).

Joe Colsco boarded a flight from San Francisco to Chicago to attend a national chemistry meeting. Through a freak accident, he never sets foot on Earth again. He is unaware he has been poured into a crucible, where time and trials will transform him in ways unimagined, and that will send him and his descendants to a destiny beyond one planet. **Book I: Cast Under an Alien Sun** On planet Anyar, Joe was found unconscious on a beach of a large island (Caedellium) inhabited by humans where the level of technology is similar to Earth circa 1700. He awoke amidst strangers speaking an unintelligible language, and despaired losing his previous life. He used knowledge of chemistry to introduce new knowledge-but not too advanced of the planet's technology to avoid being labelled a demon. He found a place in the society and developed new friendships, male and female. But all was not idyllic. Joe was dropped into a clash between the people who cared for him, and a military power from elsewhere on the planet, a power with designs on conquest. Joe survived his first experience in deadly conflict but knows it was only a foretaste of what was coming. **Book II: Pen and the Sword** The Narthani, a militant realm who believe their manifest destiny is to rule the entire planet, Anyar, plan to absorb Caedellium into their empire and crush any resistance. Yozef Kolsko (aka Joe Colsco) works to find ways to increase the chances of his, and the society which has accepted him, ability to resist the Narthani's planned conquest. Complicating his life is attraction to a brilliant daughter of an island leader, and his uncertainty of his own mind, hers, or intricacies of Caedellium customs. Despite his desire to devote himself to introducing new knowledge Yozef is drawn more and more into developing weapons and giving tactical and strategic advice-things he knows he's unqualified to give. The enemy is coming. The odds seem overwhelming, and it will take all Yozef can do, the courage of his new people, and luck, to survive.
