School Pan Macmillan
The electrifying number
one bestselling adventure

from the author of *The Christmasaurus* and *The Creakers* and star of BBC's *Strictly Come Dancing* Tom Fletcher! Franky can't wait to move to his new town - although he wishes he didn't have to leave his best friend Dani behind. But everything changes after the storm, when strange green lightning and powerful thunder crash down on the town. From that night on, the kids who live on Franky's street start to change. One by one, they become a little odd. A little

unusual. A little... magical. Franky's always wanted to be part of an amazing gang - just like his hero, super-spy Zack Danger! And soon, he realises that there's real danger in store for himself and his new friends. And so the Danger Gang is born... [The Dinosaur That Pooped a Planet!](#) *Dinosaur That Pooped* From Tom Fletcher and Dougie Poynter of *McFly* comes a supersonic space adventure filled with planets, poop, and pandemonium! One boy, one space rocket, one

very hungry dinosaur: the ingredients for an explosive space adventure of epic proportions! But when Danny realizes he's forgotten Dino's lunch box, the very hungry dinosaur eats everything in sight, including their only way home: the rocket! How will Dino get them back home? Meet Danny and his pet Dinosaur, Dino. No matter what this ravenous reptile ingests, he never keeps it down for long. *Pooping Dinosaurs ABC* Yearling George is heartbroken

when his neighbor Annie and her father move to Florida, but when Annie sends him a message telling him she has been contacted by aliens with a terrible warning, he joins her in a galaxy-wide search for answers.

George and Annie are off on another cosmic adventure inspired by the Mars Expedition in the fifth book of the George's Secret Key series from Stephen and Lucy Hawking. George and his best friend, Annie, have been selected as junior astronauts for a program that trains young people for a future trip to Mars. This is everything they've ever wanted—and now they get to be a part of

up-to-the minute space discoveries and meet a bunch of new friends who are as fascinated by the universe as they are. But when they arrive at space camp, George and Annie quickly learn that strange things are happening—on Earth as well as up in the skies. Mysterious space missions are happening in secret, and the astronaut training they're undertaking gets scarier and scarier...

Syd Hoff's comical, charming illustrations will delight readers young and old alike in this beloved classic I Can Read about a boy and his best friend, a dinosaur. Danny loves dinosaurs! When he sees

one at the museum and says, "It would be nice to play with a dinosaur," a voice answers, "And I think it would be nice to play with you." So begins Danny and the Dinosaur's wonderful adventures together. For Danny and his prehistoric playmate, even the most everyday activities become extraordinary, like finding a big-enough place to hide a dinosaur in a game of hide-and-seek. But Danny can teach an old dinosaur new tricks. It's

the most fun this dinosaur has had in a hundred million years! Originally published over 50 years ago, this beloved classic is a Level 1 I Can Read that is perfect for the beginning reader learning to sound out words and sentences. Whether shared at home or in a classroom, the short sentences, familiar words, and simple concepts of Level One books support success for children eager to start reading on their own.
