Presents evidence about Anne’s spirituality and her interest in the intellectual debates of the period. Takes account of significant advances in knowledge in recent years.

*The Wives of Henry the Eighth and the Parts They Played in History* HarperCollins

In a life of extraordinary drama, Jane Boleyn was catapulted from relative obscurity to the inner circle of King Henry VIII. As powerful men and women around her became victims of Henry’s ruthless and absolute power—including her own husband and her sister-in-law, Queen Anne Boleyn–Jane’s allegiance to the volatile monarch was sustained and rewarded. But the cost of her loyalty would eventually be her undoing and the ruination of her name. For centuries, little beyond rumor and scandal has been associated with “the infamous Lady Rochford,” but now historian Julia Fox sets the record straight. Drawing upon her own deep knowledge and years of original research, she brings us into the inner sanctum of court life, teeming with intrigue and redolent with the threat of disgrace. In the eyes and ears of Jane Boleyn, we witness the myriad players of the stormy Tudor period, and Jane herself emerges as a courageous spirit, a modern woman forced by circumstances to make her own way in a privileged but vicious world.

**The Lady in the Tower** Pen and Sword History

The complete letters, dispatches and chronicles that tell the real story of Anne Boleyn.

*The Love Letters of Henry VIII to Anne Boleyn with Notes* Ballantine Books

Anne Boleyn was beautiful, gifted and clever. As a teenager, when she arrived at the English court after completing her education in France, she soon caught the eye of King Henry VIII. Henry wooed Anne with passionate love letters and finally, after a great struggle, was allowed to marry her, having secured a divorce from his first wife Catherine of Aragon. Love soon turned sour however, as Anne realised that all her husband wanted from her was a son and heir. The birth of Elizabeth, the future queen, in 1533, was a disaster and the consequences for Anne were deadly.

*The Six Wives of Henry VIII* Piatkus Books

The tragic story of Henry VIII's most notorious wife.

*Anne Boleyn* Amberley Publishing Limited

Adulteress? Sorceress? Immoral Temptress? No English Queen has been so persistently vilified as Anne Boleyn. Even after her execution in May 1536 - on trumped-up charges of adultery - the portrait that has come down to us is the one drawn by her enemies. Joanna Denny's compelling new biography of Anne presents a radically different picture of her - a highly literate, accomplished and intellectual woman, and a devout protagonist of the Protestant faith. It was Anne who played the key role in separating England from the Church of Rome. Her tragedy was that her looks and vivacious charm attracted the notice of a violent and paranoid King Henry - and trapped her in the vicious politics of the Tudor court. Joanna Denny's enthralling book plunges the reader into the fascinating, turbulent time that changed England forever.

*The Lady in the Tower* Lulu.com

“A well-written account of the relationship that changed England so...Fans of Tudor tales will want to read [this book].”—Midwest Book Review Frances Pierce is a simple, plain country girl who enters Lady Anne Boleyn’s circle after shielding her from an angry mob. Anne is beloved by King Henry VIII, and queen in all but name. And Henry is determined to put aside his wife Catherine, marry Anne, and mak her his lawful queen—no matter the consequences. Frances delights Anne with her poetry and her forthright ways, and soon becomes a favorite. Dazzled by her new life and the glamour of the court, and besotted with Anne’s brother George, she pays scant attention to the intrigues that swirl around her mistress. But when the king’s favor shifts, Frances will learn just how quickly those who rise far and fast can meet their downfall. “A remarkable story, rich in

historical background.”—The Best Reviews

*The Concubine* Open Road + Grove/Atlantic

Anne Boleyn was the most controversial and scandalous woman ever to sit on the throne of England. From her early days at the imposing Hever Castle in Kent, to the glittering courts of Paris and London, Anne caused a stir wherever she went.

*Anne Boleyn* Short Books

Nearly five hundred years after her violent death, Anne Boleyn, second wife to Henry VIII, remains one of the world's most fascinating, controversial, and tragic heroines. Now acclaimed historian and bestselling author Alison Weir has drawn on myriad sources from the Tudor era to give us the first book that examines, in unprecedented depth, the gripping, dark, and chilling story of Anne Boleyn's final days. The tempestuous love affair between Henry VIII and Anne Boleyn scandalized Christendom and altered forever the religious landscape of England. Anne's ascent from private gentlewoman to queen was astonishing, but equally compelling was her shockingly swift downfall. Charged with high treason and imprisoned in the Tower of London in May 1536, Anne met her terrible end all the while protesting her innocence. There remains, however, much mystery surrounding the queen's arrest and the events leading up to it: Were charges against her fabricated because she stood in the way of Henry VIII making a third marriage and siring an heir, or was she the victim of a more complex plot fueled by court politics and deadly rivalry? The Lady in the Tower examines in engrossing detail the motives and intrigues of those who helped to seal the queen's fate. Weir unravels the tragic tale of Anne's fall, from her miscarriage of the son who would have saved her to the horrors of her incarceration and that final, dramatic scene on the scaffold. What emerges is an extraordinary portrayal of a woman of great courage whose enemies were bent on utterly destroying her, and who was tested to the extreme by the terrible plight in which she found herself. Richly researched and utterly captivating, *The Lady in the Tower* presents the full array of evidence of Anne Boleyn's guilt—or innocence. Only in Alison Weir's capable hands can readers learn the truth about the fate of one of the most influential and important women in English history. BONUS: This edition contains a *The Lady in the Tower* discussion guide and an excerpt from Alison Weir's *Mary Boleyn*.

*Katherine Howard* HarperCollins UK

Encompassing the reigns of four of Henry's wives, from the doomed Anne to the reckless Katherine Howard, *The Boleyn Wife* is an unforgettable story of ambition, lust, and jealousy, of the power of love to change the course of history, and of the terrible price of revenge.

**Anne Boleyn** Ballantine Books

The family of Anne Boleyn, the infamous wife of Henry VIII, appeared from nowhere at the end of the fourteenth century and rose to prominence at the beginning of a century that would end with a Boleyn woman, Elizabeth I, on the throne.

*Who Was Anne Boleyn?* Vintage

University Press returns with another short and captivating portrait of one of history's most compelling figures, Anne Boleyn. Anne Boleyn was Queen of England from 1533-1536 as the second wife of King Henry VIII. Their marriage, and her subsequent execution, made her a key figure in the political and religious upheaval that marked the start of the English Reformation. Anne refused to become Henry's mistress so, in order to marry her, he soon focused his efforts on annulling his marriage to his first wife, Catherine of Aragon. Yet, Pope Clement VII of Rome would not annul the marriage. So, Henry broke with the Roman Catholic Church and established the Church of England. The newly appointed Archbishop of Canterbury Thomas Cranmer declared Henry and Catherine's marriage null and void. Five days later he validated Henry and Anne's marriage. Four days later, Anne was crowned Queen of England. Anne gave birth to the future Queen Elizabeth I but, after three miscarriages, she failed to bear the son that Henry desired. Henry began courting Jane Seymore but, in order to marry her, he had to find reasons to end his marriage to Anne. Anne was arrested, held in the Tower of London, tried before a jury on charges of treason and adultery, and beheaded. However, after her daughter, Elizabeth I, became Queen of

England in 1558, Anne was venerated as a martyr and heroine of the English Reformation, and some contemporaries consider Anne to be the most influential and important queen consort England has ever had. This short book tells the intensely human story of a woman who has changed the world in a way that no one else could.

*The Creation of Anne Boleyn* Amberley Publishing Limited

Lady Jane Parker feels out of place in Henry VIII's court, which is filled with glamour and intrigue. Then she meets the handsome George Boleyn and becomes overjoyed when her father arranges a match - until she meets Anne. But as Anne's circle of admirers grows, so does Jane's resentment. [Anne Boleyn](#) Penguin

A “brilliantly written and meticulously researched” biography of royal family life during England’s second Tudor monarch (San Francisco Chronicle). Either annulled, executed, died in childbirth, or widowed, these were the well-known fates of the six queens during the tempestuous, bloody, and splendid reign of Henry VIII of England from 1509 to 1547. But in this “exquisite treatment, sure to become a classic” (Booklist), they take on more fully realized flesh and blood than ever before. Katherine of Aragon emerges as a staunch though misguided woman of principle; Anne Boleyn, an ambitious adventuress with a penchant for vengeance; Jane Seymour, a strong-minded matriarch in the making; Anne of Cleves, a good-natured woman who jumped at the chance of independence; Katherine Howard, an empty-headed wanton; and Katherine Parr, a warm-blooded bluestocking who survived King Henry to marry a fourth time. “Combin[ing] the accessibility of a popular history with the highest standards of a scholarly thesis”, Alison Weir draws on the entire labyrinth of Tudor history, employing every known archive—early biographies, letters, memoirs, account books, and diplomatic reports—to bring vividly to life the fates of the six queens, the machinations of the monarch they married and the myriad and ceaselessly plotting courtiers in their intimate circle (The Detroit News). In this extraordinary work of sound and brilliant scholarship, “at last we have the truth about Henry VIII’s wives” (Evening Standard).

Henry VIII's infatuation with Anne including his love letters to her. Anne's battle with Katherine of Aragon, Cardinal Wolsey, the Pope and the Roman Catholic Church to become Queen. The birth of her daughter, Elizabeth I, and her unfortunate miscarriages. Cromwell's betrayal which led to her beheading on May 19, 1536.

#### **Catherine of Aragon** Ember

'An impressive revisionist biography' The Times Looming out of the encroaching darkness of the February evening was London Bridge, still ornamented with the severed heads of Thomas Culpeper and Francis Dereham; the terrible price they had paid for suspected intimacy with the queen.

Katherine now reached the Tower of London, her final destination. Katherine Howard was the fifth wife of Henry VIII and cousin to the executed Anne Boleyn. She first came to court as a young girl of fourteen, but even prior to that her fate had been sealed and she was doomed to die. She was beheaded in 1542 for crimes of adultery and treason, in one of the most sensational scandals of the Tudor age. The traditional story of Henry VIII's fifth queen dwells on her sexual exploits before she married the king, and her execution is seen as her just dessert for having led an abominable life. However, the true story of Katherine Howard could not be more different. Far from being a dark tale of court factionalism and conspiracy, Katherine's story is one of child abuse, family ambition, religious conflict and political and sexual intrigue. It is also a tragic love story. A bright, kind and intelligent young woman, Katherine was fond of clothes and dancing, yet she also had a strong sense of duty and tried to be a good wife to Henry. She handled herself with grace and queenly dignity to the end, even as the barge carrying her on her final journey drew up at the Tower of London, where she was to be executed for high treason. Little more than a child in a man's world, she was the tragic victim of those who held positions of authority over her, and from whose influence she was never able to escape.

#### **The Life and Death of Anne Boleyn** Ballantine Books

This book contains the complete, authentic collection of eighteen love letters exchanged between King Henry VIII of England and Anne Boleyn. Boleyn was Henry's second wife, gaining his favour after his first wife, Catherine of Aragon, failed to provide him with the male heir he dearly craved. By all historic accounts, their initial romance was passionate and the epitome of courtly manners. This narrative is reinforced by the letters between the two as they encircled and eyed one another, awaiting the chance to commence romantic liaisons. The education and eloquence of both authors is in full display here, and the letters' authenticity is undisputed. Although in time the marriage was to sour with deadly consequences for Anne Boleyn, there is little reason to doubt the initial passion and thrill both experienced at the outset of their intimacy.
