The Parisian Gentleman Harper Collins

In a new compact edition, a luxurious celebration of the elegant craftsmanship behind the timeless French men's fashion and lifestyle labels. Home of haute couture and the world's leading fashion houses, Paris and its inhabitants represent sophistication and refinement to the rest of the world. Debonair Parisian men continue to participate in a centuries-long tradition of sartorial craftsmanship and quality. In its newly accessible compact edition, The Parisian Gentleman is like a dream shopping excursion to the leading men's style-makers, from hidden ateliers and little-known studios to internationally renowned labels such as shirtmakers Charvet, shoemakers Berluti, and the recently revived trunk-makers Moynat. The stories behind each house, and the creative minds and artisans who give each brand its unique identity, bring the clothes alive, capturing an unceasing dedication to quality in an era overrun with new, mass-produced trends. Author Hugo Jacomet's portraits of these often-inaccessible marques (or brands) are intimate and illuminating, thanks to his personal connections to many of the leading figures. His text is accompanied by beautifully shot photographs of the designers, studios, garments, and locations, the majority of which were taken exclusively for this book.

In this exciting volume, Salvatore Ferragamo traces his life's adventures from his origins as a village shoemaker to founding what would become a major global fashion brand. "Ladies and gentlemen, the least important part of this book is the life story of an Italian shoemaker. We can all write our autobiography, and if I dwell on the details of my career it is only because it makes it easier to explain my calling: the work that became my life's fundamental vocation. Life has taught me that Nature gives us perfect feet. If they get damaged, it is because our shoes are defective. However, it is not necessary to undergo such torture, not even in the name of vanity. We can all walk happily wearing comfortable, refined, splendid shoes. This is my whole life's work:

learning to make perfect shoes, refusing to put my name on those that aren't." —Salvatore Ferragamo This is a new, completely updated edition of the autobiography of a man who made Italian fashion great throughout the world. Among the many vicissitudes of his adventurous life, the book features a magnificent series of encounters with and anecdotes about the most extraordinary Hollywood stars, such as Rudolph Valentino, Mary and Lottie Pickford, Pola Negri, Joan Crawford, and Greta Garbo. His loyal customers also included Marilyn Monroe, Douglas Fairbanks, Sophia Loren, Anna Magnani, Audrey Hepburn, and Paulette Goddard.

NEW YORK TIMES BESTSELLER • Thought leader, visionary, philanthropist, mystic, and yogi Sadhguru presents Western readers with a time-tested path to achieving absolute well-being: the classical science of yoga. "A loving invitation to live our best lives and a profound reassurance of why and how we can."—Sir Ken Robinson, author of *The Element*, *Finding Your Element*, and *Out of Our Minds: Learning to Be Creative* NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SPIRITUALITY & HEALTH The practice of hatha yoga, as we commonly know it, is but one of eight branches of the body of knowledge that is yoga. In fact, yoga is a sophisticated system of self-empowerment that is capable of harnessing and activating inner energies in such a way that your body and mind function at their optimal capacity. It is a means to create inner situations exactly the way you want them, turning you into the architect of your own joy. A yogi lives life in this expansive state, and in this transformative book Sadhguru tells the story of his own awakening, from a boy with an unusual affinity for the natural world to a young daredevil who crossed the Indian continent on his motorcycle. He relates the moment of his enlightenment on a mountaintop in southern India, where time stood still and he emerged radically changed. Today, as the founder of Isha, an organization devoted to humanitarian causes, he lights the path for millions. The term guru, he notes, means "dispeller of darkness, someone who opens the door for you. . . . As a guru, I have no doctrine to teach, no philosophy to impart, no belief to propagate. And that is because the only solution for all the ills that plague humanity is self-transformation. Self-transformation means that nothing of the old remains. It is a

dimensional shift in the way you perceive and experience life." The wisdom distilled in this accessible, profound, and engaging book offers readers time-tested tools that are fresh, alive, and radiantly new. Inner Engineering presents a revolutionary way of thinking about our agency and our humanity and the opportunity to achieve nothing less than a life of joy.
