The Book of Pride HarperCollins

Are you LGBTQ+? Not sure? Whether you're queer or questioning, understanding sexuality and gender identity can be confusing. And if you're a Christian, questions of identity can be even scarier. Is there something wrong with you? Will your friends accept you? When should you tell your family? What about church? Queerfully and Wonderfully Made: A Guide for LGBTQ+ Christian Teens has answers to all these questions and more. You'll get insight and support from an amazing group of LGBTQ+ professionals, as well as testimonies from young adult queer Christians who've recently been exactly where you are. You'll walk away with a lot of answers, prepared with tools to help. But most importantly, you'll hear the good news: God loves you exactly as you are. No matter your identity or where in your journey of self-discovery you find yourself, you got this.

The Savage Detectives Reread Hardie Grant

A Junior Library Guild Selection This groundbreaking, pop-culture-infused LGBTQ+ illustrated biography collection takes readers on an eye-opening journey through the lives of fifty influential queer figures who have made a mark on every century of human existence. Rainbow Revolutionaries brings to life the vibrant histories of fifty pioneering LGBTQ+ people from around the world. Through Sarah Prager's (Queer, There, and Everywhere) short, engaging bios, and Sarah Papworth's bold, dynamic art, readers can delve into the lives of Wen of Han, a Chinese emperor who loved his boyfriend as much as his people, Martine Rothblatt, a trans woman who's helping engineer the robots of tomorrow, and so many more! This book is a celebration of the many ways these heroes have made a difference and will inspire young readers to make a difference, too. Featuring an introduction, map, timeline, and glossary, this must-have biography collection is the perfect read during Pride month and all year round. Biographies include: Adam Rippon, Alan L. Hart, Alan Turing, Albert Cashier, Alberto Santos-Dumont, Alexander the Great, Al-Hakam II, Alvin Ailey, Bayard Rustin, Benjamin Banneker, Billie Jean King, Chevalière d'Éon, Christina of Sweden, Christine Jorgensen, Cleve Jones, Ellen DeGeneres, Francisco Manicongo, Frida Kahlo, Frieda Belinfante, Georgina Beyer, Gilbert Baker, Glenn Burke, Greta Garbo, Harvey Milk, James Baldwin, Jóhanna Sigurðardóttir, José Sarria, Josephine Baker, Juana Inés de la Cruz, Julie d'Aubigny, Lili Elbe, Ma Rainey, Magnus Hirschfeld, Manvendra Singh Gohil, Marsha P. Johnson, Martine Rothblatt, Maryam Khatoon Molkara, Natalie Clifford Barney, Navtej Johar, Nzinga, Pauli Murray, Renée Richards, Rudolf Nureyev, Sally Ride, Simon Nkoli, Stormé DeLarverie, Sylvia Rivera, Tshepo Ricki Kgositau, Wen of Han, We'zha

The History, the People, the Parades Quadrille Publishing

An O, The Oprah Magazine LGBTQ Book "Changing the Literary Landscape" A gorgeously illustrated collection of essays written by today's queer heroes—featuring contributions from Elton John, Tan France, Gus Kenworthy, Paris Lees, Russell Tovey, Munroe Bergdorf, and many others. The Queer Bible is a celebration of LGBTQ+ history and culture, edited by model, performer, and GQ contributing editor Jack Guinness. Our queer heroes write about theirs. In 2016, model and queer activist Jack Guinness decided that the LGBTQ+ community desperately needed to be reminded of its long and glorious history of stardom—and he was spurred to action. The following year, QueerBible.com was born, an online community devoted to celebrating queer heroes, both past and present. "So much queer history is hidden or erased," says Guinness. "The Queer Bible is a home for all those personal stories and histories." In this book, contemporary queer heroes pay homage to those who helped pave their paths. Contributors include Vogue columnist Paris Lees (writing on Edward Ennifin), singer and songwriter Elton John (writing on Divine), comedian Mae Martin (writing on Tim Curry), author Joseph Cassara (writing on Pedro Almodóvar), and many others, honoring timeless queer icons such as Susan Sontag, David Bowie, Sylvester, RuPaul, and George Michael through illuminating essays paired with stunning illustrations. The Queer Bible is a powerful and intimate essay collection of gratitude, and an essential, enduring love letter to the queer community. We stand on the shoulders of giants. Now we praise their names.

Hola Papi University of Chicago Press

The Queer Art of Failure is about finding alternatives - to conventional understandings of success in a heteronormative, capitalist society; to academic disciplines that confirm what is already known according to approved methods of knowing; and to cultural criticism that has extensively theorized hegemony but

paid little attention to counter-hegemony. Judith Halberstam proposes "low theory" as a means of recovering ways of being and forms of knowledge not legitimized by existing systems and institutions. Low theory is derived from eccentric archives. It runs the risk of not being taken seriously. It entails a willingness to fail and to lose one's way. Tacking back and forth between high theory and low theory, high culture and low culture, Halberstam looks for the unexpected and subversive in popular culture, avant-garde performance, and queer art. She pays particular attention to animated children's films, contending that new forms of animation, especially CGI, have generated narratives filled with unexpected encounters between the childish, the transformative, and the queer. Dismantling contemporary logics of success, Halberstam demonstrates that failure sometimes offers more creative, cooperative, and surprising ways of being in the world.

A Celebration of LGBTQ+ Icons Abrams

In postwar America, the path to political power for gays and lesbians led through city hall. By the late 1980s, politicians and elected officials, who had originally sought political advantage from raiding gay bars and carting their patrons off to jail, were pursuing gays and lesbians aggressively as a voting bloc—not least by campaigning in those same bars. Gays had acquired power and influence. They had clout. Tracing the gay movement's trajectory since the 1950s from the closet to the corridors of power, *Queer Clout* is the first book to weave together activism and electoral politics, shifting the story from the coastal gay meccas to the nation's great inland metropolis. Timothy Stewart-Winter challenges the traditional division between the homophile and gay liberation movements, and stresses gay people's and African Americans' shared focus on police harassment. He highlights the crucial role of black civil rights activists and political leaders in offering white gays and lesbians not only a model for protest but also an opening to join an emerging liberal coalition in city hall. The book draws on diverse oral histories and archival records spanning half a century, including those of undercover vice and police red squad investigators, previously unexamined interviews by midcentury social scientists studying gay life, and newly available papers of activists, politicians, and city agencies. As the first history of gay politics in the post-Stonewall era grounded in archival research, *Queer Clout* sheds new light on the politics of race, religion, and the AIDS crisis, and it shows how big-city politics paved the way for the gay movement's unprecedented successes under the nation's first African American president.

A Year with the Wind Collins

From popular LGBTQ advice columnist and writer John Paul Brammer comes a hilarious, heartwarming memoir-in-essays chronicling his journey growing up as a queer, mixed-race kid in America's heartland to becoming the "Chicano Carrie Bradshaw" of his generation. "A wise and charming book. [Brammer] is such a good writer, and so well rounded."—David Sedaris "[Brammer] is both kind and piercingly funny, often in the same sentence....Personal and affecting....¡Hola Papi! is a master class of tone and tenderness, as Brammer balances self-compassion with humor." —THE NEW YORK TIMES BOOK REVIEW (EDITORS' CHOICE) "[¡Hola Papi! should be] required reading...[Brammer's] writing is incredibly funny, kind, and gracious to his readers, and deeply vulnerable in a way that makes it feel as if he's talking to only you." —LOS ANGELES TIMES The first time someone called John Paul (JP) Brammer "Papi" was on the popular gay hookup app Grindr. At first, it was flattering; JP took this as white-guy speak for "hey, handsome." Who doesn't want to be called handsome? But then it happened again and again...and again, leaving JP wondering: Who the hell is Papi? What started as a racialized moniker given to him on a hookup app soon became the inspiration for his now wildly popular advice column "¡Hola Papi!," launching his career as the Cheryl Strayed for young queer people everywhere—and some straight people too. JP had his doubts at first—what advice could he really offer while he himself stumbled through his early 20s? Sometimes the best advice to dole outcomes from looking within, which is what JP has done in his column and book—and readers have flocked to him for honest, heartfelt wisdom, and of course, a few laughs. In ¡Hola Papi!, JP shares his story of growing up biracial and in the closet in America's heartland, while attempting to answer some of life's toughest questions: How do I let go of the past? How do I become the person I want to be? Is there such a thing as being too gay? Should I hook up with my grade school bully now that he's out of the closet? Questions we've all asked ourselves, surely. ¡Hola Papi! is "a warm, witty compendium of hard-won life lessons," (Harper's Bazaar) for anyone—gay, straight, and everything in between—who has ever taken stock of their unique place in the world. "Readers are likely to become addicted to these stories;

they're that good...Brammer comes to know himself very well, and readers will be delighted to make his acquaintance, too," (Booklist, starred review).

Harlequin

Challenging the idea that gay life can only flourish in urban areas, the author combs the rural South for evidence that homosexuality found a place in those communities, despite sometimes blatant persecution.

The Little Book of Pride Routledge

This beautiful, bold book celebrates the achievements of LGBTQ+ people through history and from around the world—featuring dynamic full-color portraits of a diverse selection of 53 inspirational role models accompanied by short biographies that focus on their incredible successes. A Novel HarperCollins

LGBT people are some of the coolest in history - Freddie Mercury, Divine, Virginia Woolf, Marlene Dietrich, Andy Warhol... the list goes on. Queer subculture has had an enormous impact on style, music, science, art and literature. From Oscar Wilde, who defended his homosexual relationships in court, to Rupaul acting as an ambassador for drag on network television, queer people have fought to express their identities and make a difference. This book will celebrate the lives, work, and unique perspectives of the icons who changed the world. Featuring beautifully illustrated portraits and profiles, 50 Queers Who Changed the World is a tribute to some of the most inspirational people of all time

The Queer Art of Failure Penguin Group USA

In this poignant and urgent love letter to his son, award-winning Broadway, TV and film producer Richie Jackson reflects on his experiences as a gay man in America and the progress and setbacks of the LGBTQ community over the last 50 years. "My son is kind, responsible, and hardworking. He is ready for college. He is not ready to be a gay man living in America." When Jackson's son born through surrogacy came out to him at age 15, the successful producer, now in his 50s, was compelled to reflect on his experiences and share his wisdom on life for LGBTQ Americans over the past half-century. *Gay Like Me* is a celebration of gay identity and parenting, and a powerful warning for his son, other gay men and the world. Jackson looks back at his own journey as a gay man coming of age through decades of political and cultural turmoil. Jackson's son lives in a seemingly more liberated America, and Jackson beautifully lays out how far we've come since Stonewall -- the increased visibility of gay people in society, the legal right to marry, and the existence of a drug to prevent HIV. But bigotry is on the rise, ignited by a president who has declared war on the gay community and fanned the flames of homophobia. A newly constituted Supreme Court with a conservative tilt is poised to overturn equality laws and set the clock back decades. Being gay is a gift, Jackson writes, but with their gains in jeopardy, the gay community must not be complacent. As Ta-Nehisi Coates awakened us to the continued pervasiveness of racism in America in *Between the World and Me*, Jackson's rallying cry in *Gay Like Me* is an eye-opening indictment to straight-lash in America. This book is an intimate, personal exploration of our uncertain times and most troubling questions and profound concerns about issues as fundamental as dignity, equality, and justice. *Gay Like Me* is a blueprint for our time that bridges the knowledge gap of what it's like to be gay in America. This is a cultural manifesto that will stand the test of time. Angry, proud, fierce, tender, it is a powerful letter of love from a father to a son that holds lasting insight for us all.

Gay London from the Romans to the Present Day Running

Press Kids

Follow cousins on a road trip to Pride as they dive into family secrets and friendships in this contemporary novel—perfect for fans of David Levithan and Becky Albertalli. As kids, Mark and his cousin Talia spent many happy summers together at the family cottage in Ontario, but a fight between their parents put an end to the annual event. Living on opposite coasts—Mark in Halifax and Talia in Victoria—they haven't seen each other in years. When their grandfather dies unexpectedly, Mark and Talia find themselves reunited at the cottage once again, cleaning it out while the family decides what to do with it. Mark and Talia are both queer, but they soon realize that's about all they have in common, other than the fact that they'd both prefer to be in Toronto. Talia is desperate to see her high school sweetheart Erin, who's barely been in touch since leaving to spend the summer working at a coffee shop in the Gay Village. Mark, on the other hand, is just looking for some fun, and Toronto Pride seems like the perfect place to find it. When a series of complications throws everything up in the air, Mark and Talia—with Mark's little sister Paige in tow—decide to hit the road for Toronto. With a bit of luck, and some help from a series of unexpected new friends, they might just make it to the big city and find what they're looking for. That is, if they can figure out how to start seeing things through each other's eyes.

[50 Years of Signs, Symbols, Banners, Logos, and Graphic Art of LGBTQ](#) Hardie Grant

A professor of women's studies explores gay San Francisco in the 1960s, tracing the bar scene, gay activism, and official oppression carried out by the police and other government bodies. (Social Science)

[Queerfully and Wonderfully Made](#) Hardie Grant

THE BOOK OF PRIDE captures the true story of the gay rights movement from the 1960s to the present, through richly detailed, stunning interviews with the leaders, activists, and ordinary people who witnessed the movement and made it happen. These individuals fought battles both personal and political, often without the support of family or friends, frequently under the threat of violence and persecution. By shining a light on these remarkable stories of bravery and determination, THE BOOK OF PRIDE not only honors an important chapter in American history, but also empowers young people today (both LGBTQ and straight) to discover their own courage in order to create positive change. Furthermore, it serves a critically important role in ensuring the history of the LGBTQ movement can never be erased, inspiring us to resist all forms of oppression with ferocity, community, and, most importantly, pride

The Queer Bible Beacon Press

Set in Mexico City during the early fifties, the story follows William Lee from bar to bar in the American expatriate scene as he pursues a young man named Allerton.

Queer X Design Icon Books

The Little Book of Pride is a vibrant and joyful celebration of love and liberation. Through a collection of inspiring tips and exercises, and positive quotes from pioneering LGBTQ+ heroes, learn about the movement and power of pride.

When You Get the Chance HarperCollins

FINALIST FOR THE 2021 PULITZER PRIZE IN HISTORY. INSTANT NEW YORK TIMES BEST SELLER. New York Times Book Review Editors' Choice. Winner of the 2021 Randy Shilts Award for Gay Nonfiction. One of The Washington Post's Top 50 Nonfiction Books of 2020. From a young Harvard- and Cambridge-trained historian, and the Creator and Executive Producer of The Book of Queer (coming June 2022 to Discovery+), the secret history of the fight for gay rights that began a generation before Stonewall. In 1957, Frank Kameny, a rising astronomer working for the U.S. Defense Department in Hawaii, received a summons to report immediately to Washington, D.C. The Pentagon had reason to believe he was a homosexual, and after a series of humiliating interviews, Kameny, like countless gay men and women before him, was promptly dismissed from his government job. Unlike many others, though, Kameny fought back. Based on firsthand accounts, recently declassified FBI records, and forty thousand personal documents, Eric Cervini's *The Deviant's War* unfolds over the course of the 1960s, as the Mattachine Society of Washington, the group Kameny founded, became the first organization to protest the systematic persecution of gay federal employees. It traces the forgotten ties that bound gay rights to the Black Freedom Movement, the New Left, lesbian activism, and trans resistance. Above all, it is a story of America (and Washington) at a cultural and sexual crossroads; of shocking, byzantine public battles with Congress; of FBI informants; murder; betrayal; sex; love; and ultimately victory.

The Kings who Made England Limerence Press

Winner of a 2012 Stonewall Book Award in nonfiction *A Queer History of the United States* is more than a "who's who" of queer history: it is a book that radically challenges how we understand American history. Drawing upon primary-source documents, literature, and cultural histories, scholar and activist Michael Bronski charts the breadth of lesbian, gay, bisexual, and transgender history, from 1492 to the 1990s.

A Quick & Easy Guide to Queer & Trans Identities Wide Eyed Editions

Celebrate the LGBTQ community with this small but perfectly formed guide to Pride. What began as a protest for gay rights following the Stonewall riots of 1969 in New York has grown to become a global celebration of LGBTQ culture. In the 50-odd years since the original protest, and what is now widely accepted to be the first Pride march - Christopher Street Liberation Day, 1970 - Pride events are now attended by millions each year, celebrating how far we've come, recognising where we have to go and highlighting important causes in the queer community. The Little Book of Pride is a concise look at everything you need to know about Pride, revealing the history, the key people involved, the best Pride events around the world, inspirational quotes from famous queers, Pride facts and a fun Pride survival guide.

When Brooklyn Was Queer AK Press

The never-before-told story of Brooklyn's vibrant and forgotten queer history, from the mid-1850s up to the present day. ***An ALA GLBT Round Table Over the Rainbow 2019 Top Ten Selection*** ***NAMED ONE OF THE BEST LGBTQ BOOKS OF 2019 by Harper's Bazaar*** "A romantic, exquisite history of gay

culture." —Kirkus Reviews, starred "[A] boisterous, motley new history...entertaining and insightful." —The New York Times Book Review Hugh Ryan's *When Brooklyn Was Queer* is a groundbreaking exploration of the LGBT history of Brooklyn, from the early days of Walt Whitman in the 1850s up through the queer women who worked at the Brooklyn Navy Yard during World War II, and beyond. No other book, movie, or exhibition has ever told this sweeping story. Not only has Brooklyn always lived in the shadow of queer Manhattan neighborhoods like Greenwich Village and Harlem, but there has also been a systematic erasure of its queer history—a great forgetting. Ryan is here to unearth that history for the first time. In intimate, evocative, moving prose he discusses in new light the fundamental questions of what history is, who tells it, and how we can only make sense of ourselves through its retelling; and shows how the formation of the Brooklyn we know today is inextricably linked to the stories of the incredible people who created its diverse neighborhoods and cultures. Through them, *When Brooklyn Was Queer* brings Brooklyn's queer past to life, and claims its place as a modern classic.

The Deviant's War Hardie Grant Publishing

Searching for an introduction to the shadowy, intriguing world of early 20th century gay-themed fiction? In *Lost Gay Novels*, respected pop culture historian Anthony Slide resurrects fifty early 20th century American novels with gay themes or characters and discusses them in carefully researched, engaging prose. Each entry offers you a detailed discussion of plot and characters, a summary of contemporary critical reception, and biographical information on the often-obscure writer. In *Lost Gay Novels*, another aspect of gay life and society is, in the words the author, "uncloseted," providing you with an absorbing glimpse into the world of these nearly forgotten books. *Lost Gay Novels* gives you an introduction to: authors who aren't usually associated with homosexuality, including John Buchan, James M. Cain, and Rex Stout the history of gay publishing in the US and abroad gay themes in novels published between 1917 and 1950—with entries from nearly every year! the ways in which the popular culture of the time shaped the authors' attitudes toward homosexuality the difficulty of finding detailed biographical information on little-known authors If you're interested in gay studies or history, or even if you're just looking for a comprehensive guide to titles you've probably never heard of before, *Lost Gay Novels* will be a welcome addition to your collection. The introduction from author Slide—called by the Los Angeles Times "a one-man publishing phenomenon"—provides you with an overview to the basics of this landmark collection. Themes found in many of the titles include death, secrecy, and living a double life, and in reading the entries you will discover just why these themes are so common. As Slide says in his introduction: "The approach of the novelist toward homosexuality may not always be a positive one... but the works are important to an understanding of contemporary attitudes toward gay men and gay society." *Lost Gay Novels* will help you further your own understanding of the dynamic relationship between literature and culture, and you will finish the book with a greater appreciation of modern American gay fiction.
