Slow Gardening Japan  
Publications Trading  
Eleven prominent styles  
of bamboo fence are  
presented, giving a basic  
understanding of the art  
form, with detailed  
building instructions and  
design ideas for each.  
*PESTS* Hachette UK  
The Ten Commandments  
tell us how to behave, but

they don't say much  
about the inner  
awareness from which  
outer behavior springs. Do  
the right thing, of course--  
but better yet, find your  
inner light and doing the  
right thing becomes as  
natural as breathing. THE  
ZEN COMMANDMENTS  
offers ten powerful  
nudges toward that light.  
Drawing on sources from  
Zen stories and the Bible  
to jazz and rock 'n' roll,  
from American movies to  
Tibetan meditative  
techniques, Dean Sluyter

steers clear of dogma and  
emphasizes what works--  
a sort of spiritual street  
smarts. He shows that the  
state of boundless  
freedom and happiness  
isn't something distant or  
exotic, but is right here,  
while you're stuck in  
traffic or taking out the  
trash. And revisiting the  
Ten Commandments, he  
shows how on a deeper  
level they offer some  
surprising enlightenment  
wisdom of their own. "The  
book is extremely well  
written and joyously

entertaining.”

—Publishers Weekly “With sparkling clarity and wit, Sluyter's ten suggestions lay out the practical essentials of the path. My suggestion is: listen to this guy.” —Lama Surya Das, author of *Awakening the Buddha Within* “Dean Sluyter clearly presents simple but profound ways to live one's life consciously and skillfully. He teaches that the source of universal truth not only rests in the heart of every one of us, but is the essence of what ultimately brings us true

happiness and freedom.

This is a wonderful book with rich wisdom and deep insight.” —Rabbi David Cooper, author of *God Is a Verb* “No matter what your religion (or lack of it), this book shows how to live the kind of life people ache for. It turns out to be pretty simple.”

—Jane Cavolina, co-author of *Growing Up Catholic*  
**The Zen of CSS Design**  
 Pearson Deutschland GmbH

Presents advice on low-maintenance gardening, with tips for easy landscaping, short-cut

composting, container gardening, and reliable plant combinations.

*Introduction to Landscaping* Chelsea Green Publishing

From the Preface:

Introduction to *Landscaping: Design, Construction, and Maintenance* offers a practical approach to establishing and maintaining residential landscapes. It is intended to introduce the various aspects of the landscape industry to students of horticulture and agriculture. The authors

have carefully written this book from a horticultural perspective. Plant selection and care are the foundation of this book. This book has been organized in three distinct parts-landscape design, landscape construction, and landscape maintenance. The steps to developing a complete and functional landscape plan for the residential setting are identified and explained in an easy to understand writing style. Principles of art, defined in the text, are emphasized in the design

portion of the book. The student is guided through the process of designing landscape projects from establishing customer needs to preparing and costing out the plan. The Zen Commandments Penguin  
 'Riotously funny, with enough expressive drawings and poo jokes to delight Pig fans as well as new readers' - Guardian  
 When the lights go off, the PESTS come out! The laugh-out-loud new series from the author/illustrator of the bestselling DIARY OF PIG series and DADDY

FARTYPANTS. With amazing GLOW IN THE DARK cover, and a hidden message for young pests to find. Meet Stix, the tiny but heroic mouse who might be living behind your washing machine. But is he naughty enough to join the PESTS? Stix is the size of an egg cup, can jump the width of a dog's bottom, and LOVES cheese. That's because Stix is a mouse. He probably lives behind your washing machine, but you wouldn't know it, because his grandma taught him to always stay out of

trouble and NEVER let the  
humans know he's there.  
But now Stix has  
stumbled across P.E.S.T.S.  
- the Peewit Educatorium

for Seriously Terrible  
Scoundrels - in the  
basement of his building,  
and along with a whole  
host of new pesty friends

(and enemies), he's about  
to rip up Grandma's rule  
book and make a REAL  
pest of himself..
