In each chapter of this unique volume, an exemplary teacher collaborates with a prominent scholar to present real-world strategies for putting literacy research to work in grades 5-12. These lively dialogues tackle key questions in adolescent literacy, including issues of motivation, critical thinking skills, content-area writing, differentiated instruction, assessment, English language learning, and technology. Suggestions for incorporating adolescents' out-of-school literacies and working with reading specialists and coaches show how to build connections between the classroom and wider communities. In-depth portraits of challenges and successes in the classroom, practical instructional tips, and stimulating questions for reflection make the book a valuable resource for inservice and preservice teachers.

Rip Van Winkle Eye On Education

1. It is a series of English coursebooks and workbooks for classes 1 to 8, based on the new curriculum published by the CISCE 2. The series is crafted for learners of the 21st century, for whom it is of foremost importance to learn how to learn. 3. The use of Graphic Organisers, Timelines and Graphic retelling of stories develop critical thinking and study skills in learners—two vital tools for learning. 4. The series guides learners through the seven stages of a brain-based approach to learning. 5. The 5Ps address the above mentioned seven stages as follows - Ponder: aids the learners in pre-acquisition of concepts by setting the context,

while preparing them to read the text with the aid of the glossary and in-text questions. Prepare: immerses the learners into the context and initiates holistic learning. It helps in the acquisition of newer perspectives through task-based activities. Practise: lays out the canvas for the stage of elaboration, in which the learners analyse and evaluate the text while applying their understanding of it. Perfect: aids memory encoding through drilling of vocabulary and grammar topics. It helps with incubation of concepts. Perform: functions as a confidence check for learners and ensures verification of their performative skills. This stage of summing up allows a functional integration of acquired concepts, leading to a celebration of learning. 6. Subject Integration (SI) tasks weave cross-curricular references through the chapters. 7. Task-Based Learning (TBL) activities present learners with real-life situations within the classroom. 8. Life Skills (LS) are enhanced through challenging texts and value-based concept checking questions (CCQs). 9. Wall of fame: At the beginning of the book is a gallery of famous authors and characters that the child will meet inside. 10. Tense Timelines (5-8): On the last page of the book is a graphic representation of Tenses. 11. Full page illustrations and Double-spreads in lower classes make learning fun and interesting.

Rip Van Winkle is the tale of the amiable, lazy farmer who "loathes profitable labor" of any kind. He is loved by all but his own wife. Dame Van Winkle's nagging gets louder and longer as he neglects his farm and fields. One day, Rip Van Winkle walks into the mountains and comes upon some strangely dressed men and, after sharing some of their liquor, he falls asleep. When he wakes up, twenty years and the Revolutionary War have passed! Rip Van Winkle was introduced in England in 1819 as part of a collection of stories titled "The Sketch Book of Geoffrey Crayon." This edition was published in 1863, and contains many fine illustrations.
