After years on the outside, Bulgaria has finally made it into the EU club, but beyond the clichés about undrinkable plonk, cheap property, and assassins with poison-tipped umbrellas, the country remains a largely unknown quantity. Born on the muddy outskirts of Sofia, Kapka Kassabova grew up under Communism, got away just as soon as she could, and has loved and hated her homeland in equal measure ever since. In this illuminating and entertaining memoir, Kapka revisits Bulgaria and her own muddled relationship to it, travelling back to the scenes of her childhood, sampling its bizarre tourist sites, uncovering its centuries' old history of bloodshed and blurred borders, and capturing the absurdities and idiosyncrasies of her own and her country's past. In the summer of 1745 'Bonnie Prince Charlie', grandson of James VII and II landed on the Isle of Eriskay in the Outer Hebrides of Scotland. He would be the Jacobite Stuarts' last hope in the fight

to regain the three kingdoms of England, Scotland and Ireland. A major new exhibition on Bonnie Prince Charlie and the Jacobites opens at the National Museum of Scotland, and tells a compelling story of love, loss, exile, rebellion and retribution. "One of my own favorite writers." –Elin Hilderbrand Named a Best Beach Read of Summer by *Vulture*, *PureWow*, *She Reads* and *Women.com* J. Courtney Sullivan's Maine meets the works of Elin Hilderbrand in this delicious summer read involving three strangers, one island, and a season packed with unexpected romance, well-meaning lies, and damaging secrets. Anthony Puckett was a rising literary star. The son of an uber-famous thriller writer, Anthony's debut novel spent two years on the bestseller list and won the adoration of critics. But something went very wrong with his second work. Now Anthony's borrowing an old college's friend's crumbling beach house on Block Island in the hopes that solitude will help him get back to the person he used to be. Joy Sousa owns and runs Block Island's beloved whoopie pie café. She came to this quiet space eleven years ago,

newly divorced and with a young daughter, and built a life for them here. To her customers and friends, Joy is a model of independence, hard-working and happy. And mostly she is. But this summer she's thrown off balance. A food truck from a famous New York City brand is roving around the island, selling goodies—and threatening her business. Lu Trusdale is spending the summer on her in-laws' dime, living on Block Island with her two young sons while her surgeon husband commutes to the mainland hospital. When Lu's second son was born, she and her husband made a deal: he'd work and she'd quit her corporate law job to stay home with the boys. But a few years ago, Lu quietly began working on a private project that has becoming increasingly demanding on her time. Torn between her work and home, she's beginning to question that deal she made. Over the twelve short weeks of summer, these three strangers will meet and grow close, will share secrets and bury lies. And as the promise of June turns into the chilly nights of August, the truth will come out, forcing each of them to decide what they value most, and what they are willing to give up to keep it.

The Finishing School Delacorte Press

From Muriel Spark, the grande dame of literary satire, comes this swift, deliciously witty tale of writerly ambition that recalls her beloved *The Prime of Miss Jean Brodie*. *College Sunrise* is a somewhat louche and vaguely disreputable finishing school located, for now, in Lausanne, Switzerland. Rowland Mahler and his wife, Nina, run the school as a way to support themselves while he works, somewhat falteringly, on his novel. Into Rowland's creative writing class comes seventeen-year-old Chris Wiley, a red-haired literary prodigy whose historical novel-in-

progress, on *Mary Queen of Scots*, has already excited the interest of publishers. The inevitable result: keen envy, and a game of cat and mouse fraught with jealousy and attraction, both literary and sexual.

In a Book Club Far Away Celadon Books

Spanning an extraordinary range of subjects and locations, these ten gripping essays show why Jon Krakauer is considered a standard-bearer of modern journalism. His pieces take us from a horrifying avalanche on Mount Everest to a volcano poised to obliterate a big chunk of Seattle; from a wilderness teen-therapy program run by apparent sadists to an otherworldly cave in New Mexico, studied by NASA to better understand Mars; from the notebook of one Fred Beckey, who catalogued the greatest unclimbed mountaineering routes on the planet, to the last days of legendary surfer Mark Foo. Bringing together work originally published in such magazines as *The New Yorker*, *Outside*, and *Smithsonian*—all rigorously researched, vividly written, and marked by an unerring instinct for storytelling and scoop—Classic Krakauer powerfully demonstrates the author's ambivalent love affair with unruly landscapes and his relentless search for truth.

#1 NEW YORK TIMES BESTSELLER • WASHINGTON POST BESTSELLER • WALL STREET JOURNAL BESTSELLER • LOS ANGELES TIMES BESTSELLER "I've always looked upon cartooning as comedy's last frontier. I have done stand-up, sketches, movies, monologues, awards show introductions, sound bites, blurbs, talk show appearances, and tweets, but the idea of a one-panel image with or without a caption mystified me. I felt like, yeah, sometimes I'm funny, but there are these other weird freaks who are actually funny. You can understand that I was deeply suspicious of these people who are actually funny." So writes the multitalented comedian Steve Martin in his introduction to *A Wealth of Pigeons: A Cartoon Collection*. In order to venture into this lauded territory of cartooning, he partnered with the heralded New Yorker cartoonist Harry Bliss. Steve shared caption and cartoon ideas, Harry provided impeccable artwork, and together they created this collection of humorous cartoons and comic strips, with amusing commentary about their collaboration throughout. The result: this gorgeous, funny, singular book, perfect to give as a gift or to buy for yourself.

modern history."--LA Review of Books An epic, multigenerational story of two rival dynasties who flourished in Shanghai and Hong Kong as twentieth-century China surged into the modern era, from the Pulitzer Prize-winning journalist The Sassoons and the Kadoories stood astride Chinese business and politics for more than one hundred seventy-five years, profiting from the Opium Wars; surviving Japanese occupation; courting Chiang Kai-shek; and nearly losing everything as the Communists swept into power. In a story stretching from Baghdad to Hong Kong to Shanghai to London, Kaufman enters the lives and minds of these ambitious men and women to forge a tale of opium smuggling, family rivalry, political intrigue, and survival.
