Have you ever had a great idea? Did you do anything with it? Don't worry—you are not alone. Most of us have had great ideas but few of us ever do anything about them. Ideation will tell you what to do, how to find out if anyone has thought of it before, how to protect, develop, fund, and market it—regardless of whether it's business, creative, or scientific in nature, and regardless of whether you

are working in a large corporation or at home.

How to catch the Big Idea

John Wiley & Sons

Rich in implications for our present era of media change, *The Promise of Cinema* offers a compelling new vision of film theory. The volume conceives of “theory” not as a fixed body of canonical texts, but as a dynamic set of reflections on the very idea of cinema and the possibilities once associated with it.

Unearthing more than 275 early-twentieth-century German texts, this ground-breaking

documentation leads readers into a world that was striving to assimilate modernity’s most powerful new medium. We encounter lesser-known essays by Béla Balázs, Walter Benjamin, and Siegfried Kracauer alongside interventions from the realms of aesthetics, education, industry, politics, science, and technology. The book also features programmatic writings from the Weimar avant-garde and from directors such as Fritz Lang and F.W. Murnau. Nearly all

documents appear in English for the first time; each is meticulously introduced and annotated. The most comprehensive collection of German writings on film published to date, *The Promise of Cinema* is an essential resource for students and scholars of film and media, critical theory, and European culture and history. *Big Ideas.
