LYRIC HUFFMAN

Prelude on 'Brother James's Air' Templeton Foundation Press
This second edition of Laster's Catalog combines in one volume the listings from the first catalog with the voluminous material that has appeared since 1973, more than doubling the number of citations. It is designed as an aid for the church musician and/or pastor seeking to plan unified worship services. It will also be of use to those church musicians who follow the Liturgical Calendar and plan music appropriate to the appointed lessons, as well as a source for non-church choir directors who would like to locate choral settings based on a particular passage from Scripture. Entries are arranged from Genesis through Revelation. Each main entry citation provides the biblical reference (book, chapter, and verse), as well as a reference to additional passages from Scripture used in the anthem. The composer, arranger, or editor and the title are listed as they appear on the octavo. Information on voicing, solos, and instrumental accompaniment is noted; the name of the publisher, the most recent date of publication and the octavo number appear at the end of each citation, where information on instrumental parts, other versions of the same title, and collections where the work might appear are also listed. Composer and title indexes round off the work.

Prelude on "Brother James's Air" Oxford University Press
James Tobin, award-winning author of *Ernie Pyle's War* and *The Man He Became*, has penned the definitive account of the inspiring and impassioned race between the Wright brothers and their primary rival Samuel Langley across ten years and two continents to conquer the air. For years, Wilbur Wright and his younger brother, Orville, experimented in obscurity, supported only by their exceptional family. Meanwhile, the world watched as Samuel Langley, armed with a contract from the US War Department and all the resources of the Smithsonian Institution, sought to create the first manned flying machine. But while Langley saw flight as a problem of power, the Wrights saw a problem of balance. Thus their machines took two very different paths—Langley's toward oblivion, the Wrights' toward the heavens—though not before facing countless other obstacles. With a historian's accuracy and a novelist's eye, Tobin has captured an extraordinary moment in history. *To Conquer the Air* is itself a heroic achievement.

Drawn from classical and religious texts, as well as the work of poets and other artists, *Worldwide Worship* is a unique celebration of worship found in many religious traditions. These selections have been chosen singularly and as a group by John Marks Templeton, not only for their individual aesthetic beauty, but also to assist us in learning various lessons of life. From this rich mixture of prayer, song, and poetry comes a confirmation of the life-affirming universality of the human spirit. Together these works celebrate the universal principles found in the human mind, and attempt to bridge the gaps between religions, cultures, and peoples of the world.

Catalogue of Vocal Solos and Duets Arranged in Biblical Order Scarecrow Press

Sound Advice is a valuable resource for college students, beginning teachers, and experienced conductors of children's choirs. It covers the vast array of skills needed by today's conductor and will benefit all choir directors who want their choirs to reach a higher level of artistry. This book will be useful on many levels: for the college student studying the child voice and elementary teaching methods; for the teacher beginning to direct choirs in schools, synagogues, churches and communities; for experienced children's choir directors who wish to know more about orchestral repertoire for treble voices, conducting an orchestra, and preparing a children's choir to sing a major work with a professional orchestra. The underlying educational philosophy is sound; the author sees development of

musicianship through singing as the primary goal of a children's choir program. This philosophy differs dramatically from the traditional concept of the conductor as all-knowing and the singers as receptacles. An outstanding aspect of the book is how the author leads the reader to an understanding of how to teach musicianship. Developing literacy in the choral setting is a mysterious, amorphous process to many conductors, but the author clearly outlines this important process with practical suggestions, well-documented examples, and a clear reading style which will reach readers on many levels. The comprehensive repertoire, skill-building sheets, and programs for all types of children's choirs will provide teachers with immediate and highly valuable resources.

NEW YORK TIMES BESTSELLER • From the Pulitzer Prize-winning author of *Clock Dance* comes the story of four generations unfolding in and around the lovingly worn house that has always been the Whitshank family's anchor. • **MAN BOOKER PRIZE NOMINEE** "Absorbing and deeply satisfying." —*Entertainment Weekly* "It was a beautiful, breezy, yellow-and-green afternoon ..." This is how Abby Whitshank always describes the day she fell in love with Red in July 1959. From Red's parents, newly arrived in Baltimore in the 1920s, to the grandchildren carrying the Whitshank legacy boisterously into the twenty-first century, the Whitshanks are one of those families that radiate an indefinable kind of specialness, but like all families, their stories reveal only part of the picture: Abby and Red and their four grown children have accumulated not only tender moments, laughter, and celebrations, but also jealousies, disappointments, and carefully guarded secrets.

A meditation on Brother James's air Church Publishing, Inc.
This is the first book-length survey of 20th-century British music for solo organ. Beginning with a discussion of British organ music in the last decades of the Victorian era, the book focuses on the pieces that the composers wrote, their musical style, possible influences on the composition of specific works, and the details of their composition. Arranged in chronological order according to date of birth are detailed studies on important composers that made especially significant contributions to organ music including Parry, Stanford, Healey Willan, Herbert Howells, Percy Whitlock, Francis Jackson, Peter Racine Fricker, Arthur Wills, and Kenneth Leighton. Composers' biographies, the role of organs and organ building developments, influential political and sociological events, and aesthetic aspects of British musical life are also discussed in detail. In the concluding chapter, the author discusses the major phases and achievements of the century and gauges what may lie ahead in the new millennium. A comprehensive Catalog of Works provides titles of works, dates of composition, details of publishers, and the dates of publication. More than 60 music examples, 12 black and white photos, and an up-to-date bibliography are included.

Pipe organs were once a central (and sometimes hotly debated) part of Manitoba's cultural life. *The Organ in Manitoba* portrays that history--the instruments, builders, players and critics--from the date of the earliest known installations to the 1990s, and includes information on musical organizations such as the Royal Canadian College of Organists. It documents over a century of evolution and changes, from concepts of tonal design to styles of musical commentary and tastes, and includes an inventory of installations and specifications for over 100 organs. Well-illustrated with photographs and excerpts from historical reviews and other documents, it will be of interest to musicians, teachers, and music, church, and cultural historians.

The second edition of *A Catalogue of Vocal Solos and Duets Arranged in Biblical Order* serves as a companion volume to *A Catalogue of Choral Music Arranged in Biblical Order* (Second edition, 1996, and supplement, 2001, both published by Scarecrow Press). It is a necessary tool for the church musician to coordinate music with the scripture readings and/or the sermon topic and a valuable aid to the vocal soloist seeking a work using a particular biblical text. The work serves as a working document for the church musician, soloist, or voice teacher. Titles are arranged in the same order as found in the Bible. Each entry contains title, composer, voice range/type, and publisher information. Two indexes are also included: a title index and a composer index.

The Song Index of the Enoch Pratt Free Library Simon and Schuster
