*Walking the Via Francigena Pilgrim  
Route - Part 3* Gracewing Publishing  
Throughout the history of the Catholic  
Church, in her most troubled and  
turbulent times, God has raised up great  
saints as beacons of hope in the midst of  
darkness. Among these great saints, the  
four women Doctors of the Church stand  
out as models of courage, wisdom, and  
trust. Their example and teachings  
remain with us, are relevant to the  
challenges of our own day, and urge us  
on to renewal with unwavering hope.  
“Trust shows the way,” wrote Saint  
Hildegard of Bingen. These words set the  
courageous standard by which she,

Teresa of Ávila, Catherine of Siena, and  
Thérèse of Lisieux lived. The phrase can  
be considered the watchword for the  
Church in every age, and especially in  
our own. In *Women of Hope*, Terry  
Polakovic introduces these amazing  
women and describes the troubled times  
in which they lived and persevered.  
These women remind us that God can  
work through anyone to bring about his  
purpose. They prove to us that, as  
Christians, we can live in confident hope,  
no matter the circumstances in which we  
find ourselves. ABOUT THE AUTHOR  
Terry Polakovic is cofounder of Endow  
(Educating on the Nature and Dignity of  
Women) and served as president of the  
organization from 2003 to 2015. Before  
retiring, she worked in nonprofit  
leadership for more than thirty years. In

2010, she received the Pro Ecclesia et Pontifice (“For the Church and the Pontiff”) award from Pope Benedict XVI. In 2011, Terry was recognized as an Outstanding Catholic Leader by the Catholic Leadership Institute. She is the author of *Life and Love: Opening Your Heart to God’s Design* (Our Sunday Visitor, 2018). She lives in Colorado with her husband, Mike.

*The Pilgrimage of Etheria* Random House  
A preeminent scholar of Catholicism transports readers to Rome for the traditional station churches pilgrimage, offering a vivid and informative guide to the Eternal City and the Lenten season. The annual Lenten pilgrimage to dozens of Rome's most striking churches is a sacred tradition dating back almost two millennia, to the earliest days of

Christianity. Along this historic spiritual pathway, today's pilgrims confront the mysteries of the Christian faith through a program of biblical and early Christian readings amplified by some of the greatest art and architecture of western civilization. In *Roman Pilgrimage*, bestselling theologian and papal biographer George Weigel, art historian Elizabeth Lev, and photographer Stephen Weigel lead readers through this unique religious and aesthetic journey with magnificent photographs and revealing commentaries on the pilgrimage's liturgies, art, and architecture. Through reflections on each day's readings about faith and doubt, heroism and weakness, self-examination and conversion, sin and grace, Rome's familiar sites take on a

new resonance. And along that same historical path, typically unexplored treasures-artifacts of ancient history and hidden artistic wonders-appear in their original luster, revealing new dimensions of one of the world's most intriguing and multi-layered cities. A compelling guide to the Eternal City, the Lenten Season, and the itinerary of conversion that is Christian life throughout the year, Roman Pilgrimage reminds readers that the imitation of Christ through faith, hope, and love is the template of all true discipleship, as the exquisite beauty of the Roman station churches invites reflection on the deepest truths of Christianity.

**Divine Worship Missal** Church House Publishing

This new version of the late fourth-

century diary of journeys in and around the Holy Land known as the *Itinerarium Egeriae* provides a more literal translation of the Latin text than earlier English renderings, with the aim of revealing more of the female traveler's personality. The substantial introduction to the book covers both early pilgrimage as a whole, especially travel by women, and the many liturgical rites of Jerusalem that Egeria describes. Both this and the verse-by-verse commentary alongside the translated text draw on the most recent scholarship, making this essential reading for pilgrims, students, and scholars seeking insight into life and piety during one of Christianity's most formative periods.

Roman Pilgrimage Yale University Press  
Have you ever found yourself tongue-

tied when encountering someone suffering, dying, or having just lost someone close? As people of faith, we are invited to trust in the wonderful goodness of God. Then how are we to understand the sufferings of so many of God's people? Where is God to be found in the midst of a world filled with so much pain and loss? What difference does it make to pray? No One Cries the Wrong Way offers some glimpses into these great questions. Certainly, there are no easy answers. Any words about God will fall far short of the truth of who God is. Indeed, we stand here before the great mystery. But we do not stand along; without hope; or without something to offer. Consoling in a way that is both simple and profound, Fr. Kempf helps us trust the Love in the

midst of the pain. At the end of the book, there is a prayer service for each chapter, questions for reflect or discussion, and quotes for meditation and prayer.

The Innocents Abroad Gracewing Publishing

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, Times Literary Supplement In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly

written, full of original and fascinating insights."—Reginald H. Fuller, *Journal of the American Academy of Religion* "This is a first-rate work of a first-rate historian."—James D. Tabor, *Journal of Religion* "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, *Christian Science Monitor* *The Cube and the Cathedral* Christian Classic

The Catholic Church may be the most controversial institution in the world.

Whether the question is the uniqueness of Jesus Christ, the relationship of Catholicism to other religious communities, the meaning of freedom, the use and abuse of sex, the dignity of human life from conception until natural death, or the role of women, the Catholic Church has taken challenging positions that some find inexplicable, even cruel. In *The Truth of Catholicism*, George Weigel, author of *Witness to Hope: The Biography of Pope John Paul II*, explores these perennial questions and more, showing Catholicism and its controversies from inside the convictions that make those controversies not only possible but necessary. The truths of Catholicism then come into clearer focus as affirmations and celebrations of human life and human love, even as

they challenge us to imagine a daring future for humanity and for ourselves. *The Way of the Rose* Mango Media Inc. From "the world's greatest tour guide," a deeply-researched, captivating journey through the rich history of Christianity and the winding paths of the French and Italian countryside that will feed mind, body, and soul (New York Times). "What a wondrous work! This beautifully written and totally clear-eyed account of his pilgrimage will have you wondering whether we should all embark on such a journey, either of the body, the soul or, as in Egan's case, both." --Cokie Roberts "Egan draws us in, making us feel frozen in the snow-covered Alps, joyful in valleys of trees with low-hanging fruit, skeptical of the relics of embalmed saints and hopeful for the healing of his

encrusted toes, so worn and weathered from their walk."--The Washington Post Moved by his mother's death and his Irish Catholic family's complicated history with the church, Timothy Egan decided to follow in the footsteps of centuries of seekers to force a reckoning with his own beliefs. He embarked on a thousand-mile pilgrimage through the theological cradle of Christianity to explore the religion in the world that it created. Egan sets out along the Via Francigena, once the major medieval trail leading the devout to Rome, and travels overland via the alpine peaks and small mountain towns of France, Switzerland and Italy, accompanied by a quirky cast of fellow pilgrims and by some of the towering figures of the faith--Joan of Arc, Henry VIII, Martin Luther.

The goal: walking to St. Peter's Square, in hopes of meeting the galvanizing pope who is struggling to hold together the church through the worst crisis in half a millennium. A thrilling journey, a family story, and a revealing history, *A Pilgrimage to Eternity* looks for our future in its search for God.

*Art of Pilgrimage* Law and Christianity “An engaging, lucid, and informative introduction to the teachings and traditions of Catholicism” (Wall Street Journal), from one of America’s most prominent Catholic intellectuals. In this remarkable exploration of the Catholic world, prominent Catholic author and papal biographer George Weigel offers a luminous collection of letters to young Catholics, not-so-young Catholics, and any curious souls who wonder what it

means to be Catholic today. Weigel takes readers on an epistolary tour of Catholic landmarks—from Chartres Cathedral to St. Mary's Church in Greenville, South Carolina; from the Holy Sepulcher in Jerusalem to G.K. Chesterton's favorite pub in Oxford; and from the grave of a modern martyr in Warsaw to the Sistine Chapel. This revised and expanded edition includes five new chapters that examine topics at the heart of the modern faith—ranging from the mystery of evil to the puzzle of secularization—and feature sacred sites from Lithuania to Mexico. Weaving together insights from history, literature, theology, and music, Weigel illuminates the beliefs that give Catholicism its distinctive texture and explores the theological importance of grace, prayer,

vocation, sin and forgiveness, suffering, and—most importantly—love. To a world that sometimes seems closed and claustrophobic, he suggests, Christian humanism offers a world with windows and doors—and a skylight.

#### Just War and the Gulf War Image

Rome was one of the major pilgrim destinations in the middle ages. The belief that certain objects and places were a focus of holiness where pilgrims could come closer to God had a long history in Christian tradition; in the case of Rome, the tradition developed around two of the city's most important martyrs, Christ's apostles Peter and Paul. So strong were the city's associations with these apostles that pilgrimage to Rome was often referred to as pilgrimage to the threshold of the apostles'. Debra

Birch conveys a vivid picture of the world of the medieval pilgrim to Rome - the Romipetae, or Rome-seekers' - covering all aspects of their journey, and their life in the city itself. --Back cover.

#### The Joy of the Gospel Ignatius Press

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope

explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life

motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

**The Pilgrim Church** Vendome Press  
The History of the Church or company of those who by faith have received Christ and become His followers, is still in the making, not yet complete. On this account and because of its immense extent, although it is of supreme importance, parts only of it can be written and from time to time. First one, then another, must relate what he has seen or has learned from trustworthy records, and this must be taken up and added to as stage after stage of the long pilgrimage is traversed. The following

pages are a contribution to the unfolding story.

**Rome 1450** Crossroad

The annual Lenten pilgrimage to dozens of Rome's most striking churches is a sacred tradition dating back almost two millennia, to the earliest days of Christianity. Along this historic spiritual pathway, today's pilgrims confront the mysteries of the Christian faith through a program of biblical and early Christian readings amplified by some of the greatest art and architecture of western civilization. In *Roman Pilgrimage*, bestselling theologian and papal biographer George Weigel, art historian Elizabeth Lev, and photographer Stephen Weigel lead readers through this unique religious and aesthetic journey with magnificent photographs

and revealing commentaries on the pilgrimage's liturgies, art, and architecture. Through reflections on each day's readings about faith and doubt, heroism and weakness, self-examination and conversion, sin and grace, Rome's familiar sites take on a new resonance. And along that same historical path, typically unexplored treasures—artifacts of ancient history and hidden artistic wonders—appear in their original luster, revealing new dimensions of one of the world's most intriguing and multi-layered cities. A compelling guide to the Eternal City, the Lenten Season, and the itinerary of conversion that is Christian life throughout the year, *Roman Pilgrimage* reminds readers that the imitation of Christ through faith, hope, and love is

the template of all true discipleship, as the exquisite beauty of the Roman station churches invites reflection on the deepest truths of Christianity.

Walking the Way of the Cross Ignatius Press

This guidebook details the Pilgrims' Way, an historic pilgrimage route to Canterbury Cathedral in Kent, home of the shrine of the martyred archbishop, St Thomas Becket. The route is described both from Winchester in Hampshire (138 miles) and London's Southwark Cathedral (90¼ miles), with an optional spur to Rochester Cathedral. With relatively easy walking on ancient byways, the route from Winchester is presented in 15 stages of 5-14 miles: it can be comfortably completed in under a fortnight. It follows a major chalk ridge

through scenic countryside, taking in characterful towns and villages and historic churches. The route from Southwark is described in 10 stages and includes a visit to the ruined Lesnes Abbey. Detailed route description is accompanied by 1:50,000 OS mapping, advice on making the most of a trip and information on the historical background to the pilgrimage, key historical figures and local points of interest.

Accommodation listings and details of facilities and transport links can be found in the appendices. Pilgrimages to Becket's shrine began within a few years of his death in 1170, although Canterbury was a popular destination even before this time due to the nearby shrine of St Augustine. The route has featured in literature, drama and film,

and forms the setting for Geoffrey Chaucer's famous Middle English work, *The Canterbury Tales*.

**Churches of Rome** Our Sunday Visitor INTERNATIONAL BESTSELLER "A remarkable book. Weigel's biography is likely to remain the standard one-volume reference on John Paul II for many years to come." —Pittsburg Post-Gazette ?"Fascinating. . . sheds light on the history of the twentieth century for everyone." —New York Times Book Review The definitive biography of Pope John Paul II that explores how influential he was on the world stage and in some of the most historic events of the twentieth century that can still be felt today *Witness to Hope* is the authoritative biography of one of the singular figures—some might argue the

singular figure—of our time. With unprecedented cooperation from John Paul II and the people who knew and worked with him throughout his life, George Weigel offers a groundbreaking portrait of the Pope as a man, a thinker, and a leader whose religious convictions defined a new approach to world politics—and changed the course of history. As even his critics concede, John Paul II occupied a unique place on the world stage and put down intellectual markers that no one could ignore or avoid as humanity entered a new millennium fraught with possibility and danger. The Pope was a man of prodigious energy who played a crucial, yet insufficiently explored, role in some of the most momentous events of our time, including the collapse of European

communism, the quest for peace in the Middle East, and the democratic transformation of Latin America. With an updated preface, this edition of *Witness to Hope* explains how this “man from a far country” did all of that, and much more—and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world.

**Women of Hope** Harper Collins  
One of the great achievements of twentieth-century theology, Joseph Jungmann's work is a comprehensive study of the origins, evolution, and theology of the Mass from its earliest forms to the dawn of Vatican II. With a revised chapter previously unavailable in the two-volume edition.

The Pilgrims' Way Constellation

The first systematic global study of how Christians respond to persecution, presenting new research by leading scholars of global Christianity.

**The Truth of Catholicism** Basic Books  
An indispensable guidebook to the final 400km of the Via Francigena from Lucca to Rome. This is the most popular stretch of the pilgrim route connecting Canterbury to the Vatican City. Crossing Italy's heartland, this last section of the Via Francigena goes through two of Tuscany's loveliest cities, Lucca and Siena, and visits medieval San Gimignano, Monteriggioni and Radicofani. Divided into 18 day stages, the route is suitable for any averagely fit walker. Full stage directions are accompanied by maps showing the route line and the facilities available at

different locations. Accommodation listings give invaluable information on low-cost pilgrim hostels and where to stay. There are useful city maps for Lucca, Siena, Rome and Viterbo, and a stage planning table lists intermediate distances between accommodation, so you can customise your own walking schedule. Containing a wealth of advice on planning, preparation and tips for making the most of the walk, this is a must-have guide for any pilgrim. One of three volumes covering the complete Via Francigena.

*From Jesus to Christ* Hachette UK

“An important book and a spectacular public service. It opens a window onto the Catholic faith and will open the minds of believers and skeptics alike.”  
—Peggy Noonan *The Catholic Church*

may be the most controversial institution in the world. Some find its teachings inexplicable, puzzling, even cruel. In this incisive new work, George Weigel suggests that we look at Catholicism and its controversies from “inside” the convictions that make those controversies not only possible, but necessary. The truths of Catholicism then come into clearer focus as affirmations and celebrations of human life and human love, even as they challenge us to imagine a daring future for humanity and for ourselves. Is Jesus uniquely the savior of the world? Is the moral life about rules or about happiness? Doesn't suffering contradict the biblical claim that God is good? How does the Catholic Church think about other Christians and about other great

world religions? In an engaging, accessible style, George Weigel leads us into the truth of Catholicism: the truth about a love that creates a vast, liberating terrain on which to live a fully human life.

*Pilgrimage to Rome in the Middle Ages*  
Ravenio Books

PILGRIMAGE TO HERESY is a tale of intrigue which asks disturbing questions about the nature of faith and pilgrimage. The Catholic Church would rather you didn't learn the answers! Trier, Gaul, 385 C.E. Priscillian of Avila: A wealthy former Senator, a charismatic bishop with a huge following in his native Galicia, argues for his life against his accusers, two powerful Spanish bishops who win the ready ear of the new Emperor, Maximus. Priscillian and his entourage

are accused of witchcraft and heresy. Yet his message is one of celibacy, simplicity, and gentleness. Is he guilty? For centuries, it has been claimed that St. James is buried in the cathedral in Santiago de Compostela in northern Spain-the Holy Grail of pilgrims for over 1200 years. But what if he is not? What if the occupant is none other than Priscillian, a man whose Gnostic message threatened to undo the power of the newly formed Roman church? The Camino de Santiago, Spain, 2000 C.E. Miranda has left her untenured position at the University of Toronto to go on a 800 kilometers hike in the north of Spain. On her second day walking in the Pyrenees, she meets Kieran, a lapsed candidate for the priesthood, who is translating a book written in Latin: a

book he shouldn't have! The next day,  
Kieran is missing, and so is his  
translation. A religious injustice Two love  
stories: one doomed from the start And a  
mystery perhaps

*Witness to Hope* Wipf and Stock  
Publishers

To young Christians of the world, Pope  
Francis has a message for you: "Christ is  
alive, and he wants you to be alive!" In  
his fourth apostolic exhortation, *Christus  
Vivit*, Pope Francis encapsulates the  
work of the 2018 synod of bishops on  
"Young People, The Faith, and Vocational  
Discernment." Pope Francis has always  
had a special relationship with young  
people, and in his fatherly love for you  
he shows that: You can relate to young  
people in Scripture who made a  
difference You identify with the Christ

who is always young You face difficult  
issues in the world today You yearn for  
the truth of the Gospel You are capable  
of amazing things when you respond to  
the Gospel You learn and grow with help  
from the faithful of all generations You  
need bold and creative youth ministry  
You can discover who God made you to  
be You are urged to pray for  
discernment *Christus Vivit* is written for  
and to young people, but Pope Francis  
also wrote it for the entire Church,  
because, as he says, reflecting on our  
young people inspires us all. "May the  
Holy Spirit urge you on as you run this  
race. The Church needs your  
momentum, your intuitions, your faith.  
We need them! And when you arrive  
where we have not yet reached, have  
the patience to wait for us."
