Karis first began writing her inspiring messages March of 2009, approximately two years after her father passed away. After Karis' father's passing, she experienced a huge energetic shift and cleansing where she cleared out toxic people and situations from her life. As she cleared away this toxicity, Karis' crown chakra began to open up, and she started receiving invaluable

wisdom from God and the Universe. During this incredibly intense and transformative period which continued until late summer of 2018, Karis also reconnected with God and discovered her Divine Purpose, giving birth to her book series, *Escape the Swamp*, and inspirational company, *Finding Zeni*. Via her collection of inspiring messages, Karis shares the many life lessons she has learned and the wisdom, wanting to help you rise above any challenges you may be facing. Her inspiring messages will help you find empowerment, transform your life from the inside out, and attain an amazing state of grace. The messages are divided into five categories,

Illuminating, Uplifting, Energizing, Relaxing, and Stimulating according to the chakras located in the body and are further divided into subcategories utilizing Adinkra symbols adapted from the Akan communities in Ghana, West Africa. As women, we struggle to feel like we're good enough because we are bombarded daily with messages that whisper, "Who you are is not okay." We live in a world that tells us we have to look a certain

way, live a certain lifestyle, have husbands who fit a certain mold, and have children that excel in every area of their lives. And rather than thrive in the life we have, we strive to create an existence that impresses others. This impossible treadmill leaves us with deep discontentment and a joyless existence. God doesn't apologize for how He created us. And while we're always being molded by our Creator, it's only to shape us for the calling on our life—not so we can fit into a world we were never meant to: "Do not allow this world to mold you in its own image. Instead, be transformed from the inside out by renewing your mind. As a result, you will be able to

discern what God wills and whatever God finds good, pleasing, and complete. Love others well, and don't hide behind a mask; love authentically" (Romans 12:2, 9). What if we had the confidence to shed our fears and be who God created us to be—stumbles, fumbles, and all—relishing who we are rather than conforming to the world? Using an acrostic for the word AUTHENTIC, author Carey Scott unpacks 9 ways we can find the confidence we need to shine with fearless authenticity: 1. Accept Your Awesomeness 2. Unearth the Untruths 3. Try Loving Everyone 4. Hold on to Hope 5. Extend Forgiveness 6. Never Shrink Back 7. Trample the Negatives 8. Invest in Community

9. Camp in the Word of God Let's link arms and commit to living authentic lives. . .together. Are you ready?

Modern physics tells us that we're dreaming the world into being with every thought.

Courageous Dreaming tells us how to dream our world with power and grace. The ancient shamans of the Americas understood that we're not only creating our experience of the world, but are dreaming up the very nature of reality itself—that is, "life is but a dream." When you don't dream your life, you have to settle for the nightmare being dreamed by others. This book shows how to wake up

from the collective nightmare and begin to dream a life of courage and grace, a sacred dream that shamans throughout time have known and served. Alberto Villoldo reveals ancient wisdom teachings that explain how to birth reality from the invisible matrix of creation; and reveals how we can interact with this matrix to dream a life of peace, health, and abundance. He shows us that courage is all that is required to create the joy we desire!

“Anne Lamott is my Oprah.” -Chicago Tribune  
From the bestselling author of *Help, Thanks, Wow* comes an inspiring guide to restoring hope and joy in our lives. In *Dusk, Night, Dawn*, Anne Lamott explores the tough questions that many of us grapple with. How can we recapture the confidence we once had as we stumble through the dark times that seem increasingly bleak? As bad newspiles up—from climate crises to daily

assaults on civility—how can we cope? Where, she asks, “do we start to get our world and joy and hope and our faith in life itself back . . . with our sore feet, hearing loss, stiff fingers, poor digestion, stunned minds, broken hearts?” We begin, Lamott says, by accepting our flaws and embracing our humanity. Drawing from her own experiences, Lamott shows us the intimate and human ways we can adopt to move through life’s dark places and toward the light of hope that still burns ahead for all of us. As she does in *Help, Thanks, Wow* and her other bestselling books, Lamott explores the thorny issues of life and faith by breaking them down into manageable, human-

sized questions for readers to ponder, in the process showing us how we can amplify life's small moments of joy by staying open to love and connection. As Lamott notes in *Dusk, Night, Dawn*, "I got Medicare three days before I got hitched, which sounds like something an old person might do, which does not describe adorably ageless me." Marrying for the first time with a grown son and a grandson, Lamott explains that finding happiness with a partner isn't a function of age or beauty but of outlook and perspective. Full of the honesty, humor, and humanity that have made Lamott beloved by millions of readers, *Dusk, Night, Dawn* is classic Anne Lamott—thoughtful

and comic, warm and wise—and further proof that Lamott truly speaks to the better angels in all of us.

It's clear that change isn't easy. It can lead to rocky roads, broken relationships, myriad of unknowns, and ultimately, a new way of living. However, we don't have to fear the changes, whether internal, external, or both. What we can do is recognize that change does not have to define our experience or how we respond to it. By following and practicing each of these nine steps, we all have the power to live through the changes, work through our fears and embrace the transitions that create a more positive reality.

This could mean changes to our mindsets, surroundings, health, and ultimately, our well being.

How to look around positively and reach out confidently in an increasingly post-Christian culture Christendom is dead. But maybe that's a good thing... The Christian culture that has underpinned Western society for centuries has been eroded. We're now at the point where to disagree with people on issues such as marriage and sexuality, is seen as hateful. Christians are no longer seen as honourable, but as

bigots. But history testifies that the more people try to destroy Christianity, the more it grows. So we are entering an exciting period of time because we're back in the place where Christ's church can thrive - at the margins of society. In this stirring, passionate book, Matt Chandler shows us we need Christian courage like never before, and how to live with compassion and conviction, able to look around positively and reach out confidently. It encourages us not to be thwarted by fear, but to depend on God and have confidence that Christ will build his church, despite continual marginalization. A must-read for any Christian who wants to understand how to

stand firm and walk forwards in an increasingly secular culture.
