ADALYNN DAKOTA

4x4s, Pickups & Vans 2002 Buying Guide Macmillan

NATIONAL BESTSELLER • In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. "It may be nonfiction, but *Into the Wild* is a mystery of the highest order." —Entertainment Weekly McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Not long after, he was dead. *Into the Wild* is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Wild Snow Atria Books

Queer Theory and Social Change argues that there is a crisis within Queer theory over whether or not its theories can actually deliver change. Max Kirsch presents a challenging alternative to the current fascination with post-modern analyses of identity, culture, and difference. It emphasizes the need for a discussion of the importance of communities and the role of globalization on queer movements.

Backpacker Simon and Schuster

"Fluent, mordant, authentic, propulsive...wonderfully lit from within" (Lee Child, *The New York Times Book Review*), this critically acclaimed, stunningly mature literary debut is the darkly comic story of a car thief on the run in the gritty and arid landscape of the 1970s Texas panhandle. In this "stellar debut," (Publishers Weekly) car thief Troy Falconer returns home after years of wandering to reunite with his younger brother, Harlan. The two set out in search of Harlan's wife, Bettie, who's left him cold and run away with the little money he had. When stealing a station wagon for their journey, Troy and Harlan find they've accidentally kidnapped a Mennonite girl, Martha Zacharias, sleeping in the back of the car. But Martha turns out to be a stubborn survivor who refuses to be sent home, so together, these unlikely road companions haphazardly attempt to escape across the Mexican border, pursued by the police and Martha's vengeful father. But this is only one layer of Troy's story.

Through interjecting entries from his journal that span decades of an unraveling life, we learn that Troy has become so estranged from society that he's shunned the very idea of personal property. Instead of claiming possessions, he works motels, stealing the suitcases and cars of men roughly his size, living with their things until those things feel too much like his own, at which point he finds another motel and vanishes again into another man's identity. Richly nuanced and complex, "like a nesting doll, [Presidio] continually uncovers stories within stories" (Ian Stansel, author of *The Last Cowboys of San Geronimo*). With a page-turning plot, prose as gritty and austere as the novel's Texas panhandle setting, and a determined yet doomed cast of characters ranging from con artists to religious outcasts, this "rich and rare book" (Annie Proulx, author of *Barkskins*) packs a kick like a shot of whiskey. Perfect for fans of Cormac McCarthy, Denis Johnson, and Larry McMurtry, who said that Kennedy "captures the funny yet tragic relentlessness of survival in an unforgiving place. Let's hope he keeps his novelistic cool and brings us much, much more."

The Best Democracy Money Can Buy Consumer Guide Books

The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the *Seattle Times* as "the definitive account of how a tech icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. *The Everything Store* is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.

Backpacker Anchor

Updated for 2003, this comprehensive guide contains profiles of more than 60 new sport-utility vehicles, pickup trucks, and vans, with complete specifications on cargo dimensions and payloads, plus hands-on reviews, up-to-date prices, and more.

"Palast is astonishing, he gets the real evidence no one else has the guts to dig up." Vincent

Bugliosi, author of *None Dare Call it Treason* and *Helter Skelter* Award-winning investigative journalist Greg Palast digs deep to unearth the ugly facts that few reporters working anywhere in the world today have the courage or ability to cover. From East Timor to Waco, he has exposed some of the most egregious cases of political corruption, corporate fraud, and financial manipulation in the US and abroad. His uncanny investigative skills as well as his no-holds-barred style have made him an anathema among magnates on four continents and a living legend among his colleagues and his devoted readership. This exciting collection, now revised and updated, brings together some of Palast's most powerful writing of the past decade. Included here are his celebrated *Washington Post* exposé on Jeb Bush and Katherine Harris's stealing of the presidential election in Florida, and recent stories on George W. Bush's payoffs to corporate cronies, the payola behind Hillary Clinton, and the faux energy crisis. Also included in this volume are new and previously unpublished material, television transcripts, photographs, and letters.

The Complete Trailer Sailor: How to Buy, Equip, and Handle Small Cruising Sailboats Dokument Forlag

Paint your own lowrider just the way you like it! Impalas, Cadillacs and Rivas. In the *Lowrider Coloring Book*, you will color the classic and most popular Lowrider models. Lowrider culture reaches back to 1930s Los Angeles, where it became popular for style-conscious Latino-Americans to load their cars with sandbags to bring it closer to the road. Style was everything, and when lowered cars were banned in California in the 1950s, it became necessary to find a way to raise and lower the car simply to avoid fines. The solution was to use hydraulics from old fighter planes left over from World War II. The rapper Kid Frost showcased lowriding in the early 90s hit *Lowrider*, and since then, the cars are closely associated with hip hop culture. Today, lowriding is bigger than ever with thousands of enthusiasts in most parts of the world. All strive to outdo each other with the most elegant varnish, interior, hydraulics, chrome and rims. The custom cars you'll be coloring in the *Lowrider Coloring Book* were converted by some of the best and most legendary enthusiasts. What color is your Impala?

Repairing Aluminum Wiring Consumer Guide Books

A soup-to-nuts introduction to small, economical sailing craft Trailer sailers--the smallest, most economical sailboats with sleeping accommodations--are a popular platform for learning the basics

of sailing and are often considered to be the entry level to cruising under sail. Author Brian Gilbert shows how trailer sailers can be the ideal craft for a lifetime of enjoyment, including serious, long-distance cruising. This book covers all the bases, including how to inspect, buy, and equip a boat; how to trailer, sail, navigate, and cruise in small boats; how to use communications and navigation equipment; and more.
