Stories based on  
Mahabharata, a sacred  
book of Hindus.

Vyasa Katha Notion  
Press

Pratibha Ray makes a  
determined effort for a  
portrayal of the epic  
character and brings to  
the surface the broader  
and deeper aspects of  
Draupadi s mind that  
lay submerged in the  
majestic sweep of the  
grand Mahabharata.

The novel won her the  
Bharatiya Jnanpith s  
prestigious ninth  
Moortidevi Award in  
1993.

**Mahabharata: The  
Eternal Epic in Short  
Stories** CreateSpace

The foreboding age of  
Kali approaches. A  
troubled dynasty  
hovers on the brink of  
destruction. Celestials,  
warriors, demons, and  
mystics struggle for  
control of the earth. An  
epic story that has  
endured for millennia,  
Mahabharata reflects  
the passions and  
longings of the human

spirit.

**Stories from the  
Mahabharata** Rajpal  
& Sons

It all began with petty  
family jealousy. The  
Kaurava brothers  
tricked their Pandava  
cousins out of a  
kingdom, and even  
Lord Krishna could not  
stop the horror and  
bloodshed that  
followed. Veda Vyasa  
composed an epic  
poem, the longest in  
the world, to describe  
the events that  
unfolded. In this epic  
tale of superhuman  
heroes and gory  
action, Veda Vyasa  
explores human  
ambitions,  
relationships and  
conflicts to find the  
true purpose of life

Mahabharata pays its ultimate tribute to Karna, who has hardly a rival in world literature to match his credentials as a uniquely nuanced heroes' hero – towering above Hector in righteous valour, above Arjuna in generosity, and above all else in conscientious attachment to the principles of noblesse oblige. This is the intriguing story of a hero who, despite being born to royalty was, like the Biblical Moses, cast away by his mother. Brought up lovingly by a lowly charioteer and his wife, his whole life was one great struggle against cruel destiny, and against all the odds placed in his way by the inequities of his time. In the process, he

blazed a new trail of glory, emerging as the adorable exemplar of purushakaara (manly effort), with tremendous achievements both as a man and also as a warrior. Yet society never gave him his due, despite being as upright as Yudhishtira, as strong as Bhima, as skilful as Arjuna, as handsome as Nakula and as intelligent as Sahadeva. Rebuffed and insulted by society at every step, he developed some flaws engendered by a defiant spirit and nurtured by association with the evil designs of Duryodhana, his benefactor prince. But those very contrarities seem to enhance and enliven the dramatic appeal of his character as one of

the brightest stars of the Mahabharata's star cast. Written in an engagingly flowing style and with an imaginative transcreation of the epic storyline, *Karna: the Unsung Hero of the Mahabharata* should strike a responsive chord in the minds, specifically of today's Mahabharata aficionados and generally of all lovers of exalted human drama.

*Mahabharat Story (B/W) (20x30/16)*

Prabhat Prakashan

The epic of Mahabharat is not just a story but an integral part of Hinduism. The voluminous epic is said to contain almost every aspect that can be thought of. It has love, it has passion, it has war, it has treachery, it has life and it has

death. It tells the story of dharma and depicts the victory of good over evil. It also has the gospel of Gita - the way of life. In our efforts to bring classic Indian literature to the Kindle and other modern platforms, we have attempted to retell this story in two parts. This first part contains the initial period before the actual war and starts with the story of King Shantanu and Ganga and ends with Draupadi Swayamwar. The stories are kept simple and illustrated with pictures for children to understand. Lord Krishna was an incarnation of Narayana. He always sided with dharma - the righteous way. It is said that whenever there is a dearth of righteousness in the

world and there is a danger of lawlessness becoming prevalent in the world, he reincarnates himself. God always guides and leads the righteous and virtuous. The one whose life is guided and guarded by God himself has nothing to fear. As you read the Mahabharat, you will understand the subtle message of each incident in it. May the teachings of the Mahabharat be the guiding light in your life.

*Mahabharata V&s*

Publishers

Novel based on

Kashmir, India; covers the period, 1931-2000.

*Mahabharata* Bhartiya Jnanpith

"It is not a story of Mahabharata. It is a story of people, progeny who pulled the story of Mahabharata

on their shoulders, to let Dharma win over evil. It is a story of Unknown characters of Mahabharata.

Whatever stories we heard of Mahabharata from our ancestor, are they the only ones or are there more facts hidden We have read the Mahabharata in terms of Kauravas and Pandavas. Read about how Draupadi was insulted in an open court. But little do we know about the land of Mohoma. Mohoma, a courtier of King Shantanu's kingdom, whose legacy had a role to play in the Mahabharata war. How his family was cursed, divided in taking sides between the two; Kauravas and Pandavas. But the land of Mohoma is nowhere mentioned in the depths of time. This is

the story of that family who went through turmoil because of someone else's war, in the war of their master's rivalry, and how they and the progeny of the two great armies viewed the entire war. After all, were the Pandavas really correct? Were the Kauravas so wrong in what they did?"

Prabhat Prakashan  
This book, Messages from Mahabharat, presents the epic story of Mahabharat in simple English. After editing the Scriptures, the great sage created this wonderful epic to convey the underlying essence of Vedas using the story medium. Mahabharat is thus known as the 'Panchama Vedam', the fifth Veda. Addressing a group of scholar sages led by Kulapati Shounaka Maharshi, Ugrasravas, a talented storyteller, narrates the story of Mahabharat in the setting of a forest

This book, Messages from Mahabharat, presents the epic story of Mahabharat in simple English. After editing the Scriptures, the great sage created this wonderful epic to convey the underlying essence of Vedas using the story medium. Mahabharat is thus known as the 'Panchama Vedam', the fifth Veda. Addressing a group of scholar sages led by Kulapati Shounaka Maharshi, Ugrasravas, a talented storyteller, narrates the story of Mahabharat in the setting of a forest

known as Naimisharanyam. The sages were conducting a long Yagnam. During one of the breaks of this Yagnam, they wanted to hear a new, unheard, enlightening and entertaining story. The epic unfolds a series of legendary events, culminating in the famed Kurukshetra War, and beyond. Running close to Vyasa's original story, the book presents the entire epic story with all relevant features including many sub-stories and details of the eighteen-day war. Starting from the early origins of the Chandra Dynasty, the story revolves around the lives of the children of Kings Dhritarastra and Pandu. The detailed conduct of these main players and others portrays a wide

spectrum of human behavioral traits. Bhartiya Bhashaon Mein Mahabharat Ki Sahitya-Yatra Diamond Pocket Books Pvt Ltd Richness of the Sanskrit literature, by a former President of India.

orally narrated by Vyasa's disciple Vaishampayan during the Snake Sacrifice Ceremony of Arjun's great grandson King Janmejaya. After that it had been orally narrated by innumerable people, mostly sages, before getting finally penned down on paper. Because of this we find countless interpolations in the ancient epic which is more famously known as 'Itihaas' or history. There are many proofs in and around India that will prove that Mahabharat and Kurukshetra War did happen. For example, Hastinapur and Kurukshetra are major tourist spots in Uttar Pradesh. Remnants Sri Krishna's Dwarika can still be seen under the sea in Gujarat.

Indraprastha is now known as Delhi, Gandhar is in Afghanistan, Magadh is now called Bihar, Kalinga is now Orissa and so on. Manipur and Nagaland still retain their original names. Apart from the main or core plot, there are countless fringe tales or sub plots in Mahabharat. These comparatively lesser known stories may or may not have direct connection with the main plot but they definitely make enjoyable reading. These stories are mostly narrated by the sages to convey some positive message to the main characters. Hence some of them contain a moral lesson at the end. The first story is that of Dushyanta and Shakuntala, parents of

King Bharat, after whom India has derived her name. Both the protagonists and antagonists were his descendants. The next stories are those of Nala and Damayanti, Mritasanjivani, Yayati, Tilottama, Garuda, Ilval and Vatapi, Rama's story, Savitri and Satyavaan, etc. Each story is novel in its own right. There are eternal love stories, stories of temptation leading to ruins, stories of valour and courage, tales of villainy and vengeance,

inspiring stories of honour and nobility, etc. It is not at all difficult to bring out the essence of these stories as they are basically very interesting with a fairy tale quality that is bound to mesmerize most of the readers. It took me nearly two years of research work before publishing this book. I would consider my labour to be successful if the stories are read and liked by the readers. Thank you.
