Beaders are looking for new ways to use the popular multi-hole shaped beads in unique, wearable jewelry. Exquisite *Stitching with Multi-Hole Beads* by Renee Kovnesky offers 25 projects for beautiful and delicate necklaces, bracelets, earrings, and pendants. The book opens with an introduction to materials, beads, and techniques that allows beaders with

just a little bit of experience to get started quickly. Plenty of the author's own step-by-step illustrations lead stitchers through each pattern. The 25 projects are organized into 5 chapters by bead shape: rectangular, round, square, triangle, and miscellaneous other shapes. In addition to multi-hole shaped beads, the projects use bead stitchers' other favorite materials: seed beads, crystals, pearls, fire-

polished beads, and more. The lacy, lovely projects are fast and easy — ideal for gifts or teaching in classes. Some projects incorporate on-trend components like chain and tassels. Many projects include variations, offering readers plenty of options for changing the look or style of the finished piece.

 Beaders are

always seeking new ways to create complex effects and sophisticated looks for their beadwoven creations. In Lush & Layered Beadweaving, experienced teacher and designer Marcia Balonis breaks down the process of layering beads into easy-to-make designs. Each of the 20+ jewelry projects starts with a layer of beads that serves as the base. Balonis instructs jewelry makers to stitch layers of

beads to the base to create gorgeous dimension and texture. The projects make the most of beaders' favorite materials, including multi-hole beads, seed beads, pearls, crystals, and glass. Balonis has a well-developed sense of color and utilizes numerous different colors and shades into her projects. Each project includes clear step-by-step instructions and photos. Experienced beadweavers

will love Marcia's projects that incorporate many colors, intriguing ideas, and lush designs — and will want to make them all!
