Babe: The Gallant Pig Macmillan

In November 1934 as the United States and Japan drifted toward war, a team of American League all-stars that included Babe Ruth, Lou Gehrig, Jimmie Foxx, future secret agent Moe Berg, and Connie Mack barnstormed across the Land of the Rising Sun. Hundreds of thousands of fans, many waving Japanese and American flags, welcomed the team with shouts of "Banzai! Banzai, Babe Ruth!" The all-stars stayed for a month, playing 18 games, spawning professional baseball in Japan, and spreading goodwill. Politicians on both sides of the Pacific hoped that the amity generated by the tour--and the two nations' shared love of the game--could help heal their growing political differences. But the Babe and baseball could not overcome Japan's growing nationalism, as a bloody coup d'état by young army officers and an assassination attempt by the ultranationalist War Gods Society jeopardized the tour's success. A tale of international intrigue, espionage, attempted murder, and, of course, baseball, Banzai Babe Ruth is the first detailed account of the doomed attempt to reconcile the United States and Japan through the 1934 All American baseball tour. Robert K. Fitts provides a wonderful story about baseball, nationalism, and American and Japanese cultural history.

Babes in the Woods Hodder Children's Books

It was one Sunday afternoon in the middle of December and in the province of South Australia. The grass was withered almost to the roots, fast turning gray and brown. Indeed, along the barer ridges of the beautiful hills that rise in serried ranks to the east of Adelaide, the herbage was already as dry and bleached as carded flax. In the gullies, thickly timbered and lying in perpetual shade, the ground still retained the faint graying green distinctive of Australian herbage in a state of transition from spring verdure to summer drought. But soon even the shadiest recesses would bear witness to the scorching dryness of the season. For even before the middle of this first month of summer, two or three of those phenomenal days had come which furnish anecdotes for many successive months alike to the weather statist and the numerous class who cultivate community of soul by comparing experiences of those dreadful days on which 'the hall thermometer stood at 104° before noon.' This Sunday had not quite been one of the days that make the oldest residents turn over heat averages extending to the early dawn of the country's history. But, nevertheless, it was a very hot, still day, without a breath of wind stirring, and in the distance that faint shimmering bluish haze which, to the experienced eye, tells its own tale of days to come. The masses of white, silver and messmate gum-trees that clothe these same Adelaide hills so thickly, formed a grateful resting-place for the eye, wearied with the steadfast glare of sunshine. So did the vineyards that dot their declining slopes, and the gardens and orchards that are scattered broadcast to the east of the town. But even Adelaide itself is interwoven with the foliage of trees, which do so much to mitigate, both for eye and body, the severities of a semi-tropical climate. This fascinating embroidery of trees is more especially observable in glancing over North Adelaide. This extensive and important suburb, which is divided from Adelaide proper by the Torrens Lake and Park Lands, lies considerably above the city and adjacent suburbs. So large a proportion of the houses are surrounded by gardens, that from some points of view North Adelaide looks like a well-trimmed wood, thickly studded with houses. And these gardens are, as a rule, neither suburban slips, with precocious trees selected for their speedy power of growth, nor the painfully pretentious enclosures which auctioneers delight to term 'grounds.' No, they are genuine gardens—roomy, shadowy, well planted, well watered; rich in flowers and many fruit-trees, bending in due season under their fertile loads; haunted with the hum of rifling bees, fragrant with the perfume of old-world blossoms. In such a garden on this Sunday afternoon a young man and woman were slowly pacing up and down a broad central walk, thickly trellised with vines. The gadding tendrils, the wealth of wide emerald leaves, the countless oval clusters of ripening grapes—Crystal, Black Prince, and delicate Ladies' Fingers—which clothed the trellis on the sides and overhead, made a delightful picture. So did the great rose-trees hard by, garlanded after their kind with pale pink, yellow, white and blood-red roses. Parallel with this vine arcade there were loquat trees loaded with thick clusters of clear-skinned creamy fruit, and orange-trees, with dark-green globes nestling among glossy boughs, sheeted in waxen blossoms, whose penetrating odour loaded the atmosphere. But as so often happens when a young man and woman are engaged in a tête-à-tête, neither the objects round them nor any topic of wide social importance engrossed their attention.

Babes on Blades Simon and Schuster

Create wonderful knitted dolls with a fantastic range of knitted clothes and accessories, including coats, sweaters, mini skirts, dresses, tops, bikinis, swimsuits, scarves, hats and bags. There are nine dolls to choose from, each with her own distinctive style and personality, and with a wardrobe to match. They include sports-mad Samantha, Willow the sophisticated Celtic beauty, water-loving Rose and party-girl Poppy, to name just four, though all the dolls can easily be adapted to create characters of your own. The clothes are all interchangeable, so each doll can have as many outfits as she wants, and all of the items can be made using different colours and yarns to create an even more extensive wardrobe. There are easy-to-follow instructions for making the bodies, faces and hair, including handy templates for eyes, mouths and eyebrows, and the simple patterns mean that knitters of all abilities can enjoy making these dolls. Ideal for using up scraps and oddments of yarn, buttons and trims, these dolls will delight and inspire older children as well as adults.

Love Ya, Babe Open Road Media

The orphans Alan and Jane escape from their cruel miserly Uncle Barnabas, when he tries to have them drowned. They are taken in by gypsies, and

during the course of their adventures visit Mary Contrary's Garden, the Noah's Ark House, the Tin Railway, and Mean Town. Eventually they return home, where they are taken in by the village's kindly widow.

Foreign Babes in Beijing Penguin

A Mother's Mission When her baby is stolen out of her arms, noblewoman Annia will do anything to find her--even brave the treacherous back alleys of Rome to search for her. Desperate to be reunited with her daughter, Annia finds herself up against a fierce Roman soldier who insists her baby is safe. Dare she trust him? Rugged war hero Marcus Sergius rescues abandoned babies for his mother's villa orphanage. When he witnesses Annia's courageous fight for her child, he remembers that some things are worth fighting for. Helping Annia means giving up his future...unless love is truly possible for a battle-hardened Roman legionary.

Life and Light for Heathen Women Search Press

The most famous baseball player in history, and the most enduring legend, Babe Ruth is remembered for his dramatic heroism not only on the baseball diamond but also in his life. Kal Wagenheim illustrates this larger than life athlete in his book Babe Ruth: His Life and Legends, and describes him as both a product of his childhood in Baltimore and of his formative years as a New York Yankee. Ruth struggled desperately with the dramatic contrast between the poverty of his youth and the glamour and stardom that his famed career brought him, and although his name became synonymous with wooing women and abusing alcohol, nothing could prevent him from becoming one of history's greatest athletes.

Wonder Girl Anchor

Show the children in your life some love with handmade clothing—made just the way you like. Whether you're looking to make a romper with super soft, snuggly baby yarns that are perfect for newborns and infants, overalls and sundresses with durable stitch patterns that can stand up to playground play, cozy cardigans for cold days or special occasion outfits and accessories, you're in good hands! Karen Petry, crochet designer and founder of the design brand Babes in the Wool, has carefully designed 25 patterns to keep your little ones warm, comfortable and stylish no matter the season. And since most projects can be made to fit children from newborns to 3 years of age, you can rest assured that your little loved ones will have gorgeous handmade garments for every stage of their earliest years. As a seasoned crochet designer, Karen offers detailed instructions for getting started, clear stitch diagrams and beautiful full-color photography to guide you through the creative process from start to finish. She also includes a bonus chapter on accessories to complement any look in the book and provides detailed care instructions for your new favorite pieces. Whether you're crafting for your own child or looking to make a thoughtful baby shower or holiday gift, this book is the perfect place to start!

Babe Upne

* Addresses concern about "nature deficit disorder" in children * Offers a fresh, modern approach to hiking and camping with kids * Makes parenting a celebration of the outdoors and a sharing of traditions There's a lot of information out there about introducing school-age kids to the outdoors, but what about babies and toddlers? Author Jennifer Aist bridges that gap and shares her tried and tested advice for active new parents. Babes in the Woods introduces outdoorsy moms and dads to the joy and vigor of taking babies and toddlers into the woods at a very early age. Well-organized chapters offer functional solutions for appropriate gear, clothing, and food, nature games to play, and tips on potty breaks and sleeping outdoors-but most importantly, Aist explores all the reasons why introducing even the youngest of children to wilderness experiences is healthy, rewarding, and fun. Whether planning a short day hike, a car camping trip, a base camp adventure, or a backpacking excursion, Aist covers every season and climate, while confirming that babies are well-suited for the mountains, the water, and the adventures that lie beyond.

An Australian Girl Bloomsbury Publishing USA

Just in time for baseball season! Babe Ruth came from a poor Baltimore family and, as a kid, he was a handful. It was at a reform school that Babe discovered his talent for baseball, and by the age of nineteen, he was on his way to becoming a sports legend. Babe was often out of shape and even more often out on the town, but he had a big heart and an even bigger swing! Kids will learn all about the Home Run King in this rags-to- riches sports biography. With black-and-white illustrations throughout, a true sports legend is brought to life.

The Women's Missionary Magazine of the United Free Church of Scotland Harlequin

George Herman Ruth Jr. was born in Baltimore, Maryland, in 1895. A rebellious child, he was eventually sent to a reformatory boarding school where he never quite learned the discipline his parents hoped for, but he did learn something that changed his life: baseball. Later known as Babe Ruth, he became one of the most infamous, talented, influential, and iconic figures in baseball. Signed as a pitcher to the Boston Red Sox, he was then traded to the Yankees, where he ushered in one of the most thrilling eras in baseball history. Ruth was an exciting player, sending home runs over the wall to help the Yankees win four World Series. In 1927, he hit 60 home runs during the regular season, a record that stood until Roger Maris broke it in 1961. Babe Ruth chronicles Ruth's life from a young boy in Baltimore to an American hero, one filled at times with tragedy and chaos as well as glory.

Babe Ruth Simon and Schuster

Determined to broaden her cultural horizons and live a “fiery” life, twenty-one-year-old Rachel DeWoskin hops on a plane to Beijing to work for an American PR firm based in the busy capital. Before she knows it, she is not just exploring Chinese culture but also creating it as the sexy, aggressive, fearless Jixei, the starring femme fatale in a wildly successful Chinese soap opera. Experiencing the cultural clashes in real life while performing a fictional version onscreen, DeWoskin forms a group of friends with whom she witnesses the vast changes sweeping through China as the country

pursues the new maxim, “to get rich is glorious.” In only a few years, China’s capital is transformed. With “considerable cultural and linguistic resources” (The New Yorker), DeWoskin captures Beijing at this pivotal juncture in her “intelligent, funny memoir” (People), and “readers will feel lucky to have sharp-eyed, yet sisterly, DeWoskin sitting in the driver’s seat”(Elle).

[The History of the Condition of Women, in Various Ages and Nations](#) Hachette Books

Babe Walker, center of the universe, is a painstakingly manicured white girl with an expensive smoothie habit, a proclivity for Louboutins, a mysterious mother she's never met, and approximately 50 bajillion Twitter followers. But her "problems" have landed her in shopping rehab-that's what happens when you spend \$246,893.50 in one afternoon at Barneys. Now she's decided to write her memoir, revealing the gut-wrenching hurdles she's had to overcome in order to be perfect in every way, every day. Hurdles such as: I hate my horse. Every job I've ever had is the worst job I've ever had. He's not a doctor, a lawyer, or a prince. I'll eat anything, as long as it's gluten-free, dairy-free, low-carb, low-fat, low-calorie, sugar-free, and organic. In an Adderall-induced flash of inspiration, Babe Walker has managed to create one of the most enjoyable, unforgettable memoirs in years.

WINNER of the Society for American Baseball Research's (SABR) 2017 Larry Ritter Award for best baseball book of the Deadball Era The complete story surrounding the most famous and significant player transaction in professional sports The sale of Babe Ruth by the Boston Red Sox to the New York Yankees in 1919 is one of the pivotal moments in baseball history, changing the fortunes of two of baseball's most storied franchises, and helping to create the legend of the greatest player the game has ever known. More than a simple transaction, the sale resulted in a deal that created the Yankee dynasty, turned Boston into an also-ran, helped save baseball after the Black Sox scandal and led the public to fall in love with Ruth. Award-winning baseball historian Glenn Stout reveals brand-new information about Babe and the unique political situation surrounding his sale, including: - Prohibition and the lifting of Blue Laws in New York affected Yankees owner and beer baron Jacob Ruppert -Previously unexplored documents reveal that the mortgage of Fenway Park did not factor into the Ruth sale - Ruth's disruptive influence on the Red Sox in 1918 and 1919, including sabermetrics showing his negative impact on the team as he went from pitcher to outfielder The Selling of the Babe is the first book to focus on the ramifications of the sale and captures the central moment of Ruth's evolution from player to icon, and will appeal to fans of The Kid and Pinstripe Empire. Babe's sale to New York and the subsequent selling of Ruth to America led baseball from the Deadball Era and sparked a new era in the game, one revolved around the long ball and one man, The Babe.

The Franchise Babe W. W. Norton & Company

A lively in-line skating how-to for baby-booming women and a personal journey of empowerment in the Babe way, 'Babes on Blades' addresses the specific needs of baby boomers looking to rejuvenate not only their bodies, but their spirits as well. This book will inspire women of all ages to get off the settee and into the streets where they belong.

[The Nation](#) GMC PUBLICATIONS LTD

Providing key data, insights, and ways of thinking about women and sports, this book is an excellent resource for high school and undergraduate students as well as for sport organizations serving girls and women. Women are participating in sports in record numbers, and thanks in part to Title IX and a growing interest in women's sports, they're breaking records and achieving remarkable success in sports in every conceivable manner. However, women still struggle for equitable treatment in a variety of sports and face different obstacles than do their male counterparts. How can these issues be solved? Are women in sports being treated fairly? This book provides a comprehensive yet accessible overview of the state of women's participation in sports by referencing both current events and research. Additionally, it offers a breadth of information pertaining to work in sports made available to girls and women. Key aspects include a detailed history of women in sports since 1900 as well as a discussion of current issues surrounding their participation in high school and college athletics, recreational sports, physical activity, and leadership in sports organizations. In particular, the material not only recounts history and analyzes issues but also presents perspectives as to how and why sports continue to be simultaneously a means of empowerment and a conduit for the marginalization of girls and women.

[Lovely Little Stitches](#) University of Illinois Press

Nineteen-twenty was a crucial year not just for the Chicago White Sox but for the game of baseball, in the aftermath of the 1919 World Series scandal. This work is both a collective biography of four individuals whose careers in baseball were forever altered in 1920 and an examination of the 1920 baseball season as a whole. It highlights four legendary personalities--Judge Kenesaw Mountain Landis, the longtime commissioner of Major League Baseball; Babe Ruth, the great pitcher and slugger who changed the game forever; Buck Weaver, the true lone innocent among the Black Sox players who threw the 1919 World Series; and Rube Foster, the fine pitcher, imaginative manager, and great administrator of blackball who founded the Negro National League. Key events that affected the season and the history of baseball are discussed. Nineteen-twenty was the year that Ruth shattered his own home run record and began a hitting spree that brought in record numbers of fans to the ballparks. It was the year that Rube found a way for large numbers of African-Americans to play the game meaningfully, before loyal crowds, despite Jim Crow laws that kept them out of the majors and minors. Instructors considering this book for use in a course may request an examination copy here.

[How to Be a Middle-Aged Babe](#) Little, Brown

Experience the extraordinary story of a nearly forgotten American superstar athlete. Texas girl Babe Didrikson never tried a sport too tough and never met a hurdle too high. Despite attempts to keep women from competing, Babe achieved All-American status in basketball and won gold medals in track and field at the 1932 Olympics. Then Babe attempted to conquer golf. One of the founders of the LPGA, Babe won more consecutive tournaments than any golfer in history. At the height of her fame, she was diagnosed with cancer. Babe would then take her most daring step of all: go public and try to win again with the hope of inspiring the world. A rollicking saga, stretching across the first half of the 20th century, Wonder Girl is as fresh, heartfelt, and graceful as Babe herself.
