President's Rule in India Oxford University Press, USA

Regarded by many as the greatest of the Metaphysical poets, John Donne (1572-1631) was also among the most intriguing figures of the Elizabethan age. A sensualist who composed erotic and playful love poetry in his youth, he was raised a Catholic but later became one of the most admired Protestant preachers of his time. The Selected Poems reflects this wide diversity, and includes his youthful Songs and Sonnets, epigrams, elegies, letters, satires, and the profoundly moving Divine Poems composed towards the end of his life. From joyful poems such as 'The Flea', which transforms the image of a louse into something marvellous, to the intimate and intense Holy Sonnets, Donne breathed new vigour into poetry by drawing lucid and often startling metaphors from the world in which he lived. His poems remain among the most passionate, profound and spiritual in the

English language.

The Census Administration Under the Raj and After Routledge

This book is about public administration in India, which is often synonymous with the role and performance of the Indian Administrative Service (IAS). The author stresses the indispensability of the civil service in a democratic polity like India and the decisive role it plays in assisting with the social and economic development of the country. He also examines the corruption in the bureaucracy and the question of ethics and morality and analyses elaborate and competitive recruitment process of the Union Public Service Commission (UPSC) of India. Indian Public Administration SBPD Publications

This dictionary is the first of its kind in India as well as perhaps in the Third World. It covers the terms, concepts, theories and paradigms of public administration. Each term is defined and explained concisely but clearly. The dictionary deals with the theory of public administration in all its sub-fields like administrative theory, personal administration, financial administration, comparative public administration, administrative law and public policy.

A Dictionary of Public Administration Tata McGraw-Hill Education

This edition of Indian Administration is completely revised and updated text. Chapters have been enlarged and rewritten. Fresh chapters have been added on Planning and Audit, making this the most comprehensive treatise on Indian administration today. This is a recommended text for undergraduate students of both political science and public administration.

Public Administration in India Durham, N.C. : Duke University Press

Beginning with a discussion on frameworks of writing history, the volume sheds light on the origins and growth of civilizations, empires, and religions. It covers the geographical, ecological, and linguistic backgrounds, and looks at specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as the Harappan civilization. The author discussed the rise of Jainism and Buddhism, Magadha, and the beginning of territorial states. The period of Mauryas, Central Asian countries, Satavahanas, Guptas, and Harshvardhana are also analysed. He highlights important phenomena such as the varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy. He also examines the process of transition from ancient to medieval India and addresses topical issues such as the origin of the Aryan culture. This engaging and lucid text, by one of the best-known scholars of ancient India, will be indispensable for students and teachers of ancient Indian history. This book is the Hindi translation of the English edition.

Administrative Reform in India Gyan Publishing House

This classic text, originally published in 1948, is a study of the public administration movement from the viewpoint of political theory and the history of ideas. It seeks to review and analyze the theoretical element in administrative writings and to present the development of the public administration movement as a chapter in the history of American political thought. The objectives of *The Administrative State* are to assist students of administration to view their subject in historical perspective and to appraise the theoretical content of their literature. It is also hoped that this book may assist students of American culture by illuminating an important development of the first half of the twentieth century. It thus should serve political scientists whose

interests lie in the field of public administration or in the study of bureaucracy as a political issue; the public administrator interested in the philosophic background of his service; and the historian who seeks an understanding of major governmental developments. This study, now with a new introduction by public policy and administration scholar Hugh Miller, is based upon the various books, articles, pamphlets, reports, and records that make up the literature of public administration, and documents the political response to the modern world that Graham Wallas named the Great Society. It will be of lasting interest to students of political science, government, and American history.

National Register of Social Scientists in India Concept Publishing Company

This book discusses the works of thinkers who have influenced the discipline of Public Administration. The works of Kautilya, Gandhi, Rajagopalachari, Patel and Nehru, relevant in the Indian scenario, have been dealt with. First published in 1998, this revised edition also includes a new chapter on Mohammad Ali Jinnah. Targeted at undergraduate and postgraduate students of Public Administration, it also serves as a handy reference for Civil Service aspirants.
