Building Design and Construction Handbook L.D. Hall

John Joseph wants men to know, in no uncertain terms, that they don't need to eat steak, burgers, wings, ribs, or any other animal product, for that matter, to be strong—in fact, he would argue, eating animals is for the weak. Because when your protein sources come from animals, you're missing out on all of the nutritional benefits of a plant-based diet—a diet that can make you more fit, more sexy, and more manly. In *Meat is for Pussies*, Joseph presents a throw-down of information, offering both personal and scientific evidence that a plant-based diet offers the best path to athleticism, endurance, strength, and overall health. In addition to handily dispelling the myths surrounding meat, Joseph offers workout advice, a meal plan, and recipes that make going plant-based easy. Flavor and vitamin-packed options like the Working Man Stew and Veggie Chili with Cornbread will keep men's (and women's) bodies healthy and energized, while workouts that emphasize cardio and strength training build endurance and stamina and prove that you don't need meat to build muscle. Joseph also offers living proof that living a plant-based lifestyle is badass, from super-athlete Brendan Brazier to MMA champion Jake Shields to Joseph himself, who is an Ironman Triathlete and still rocking out (at the age of fifty-two) on world tours as the frontman for his legendary band the Cro-Mags. Joseph's passion for educating the world about the benefits of a plant-based diet comes through on each page, in a voice and a vocabulary that is uniquely his own. At the end of the day, he wants readers to live a long, healthy, happy life . . . and he won't take no for an answer.

One cowboy, one bar, one hell of a holiday! Praise for Carolyn Brown's country music romances: "You won't want to miss this boot scootin' contemporary full of sexy cowboys and sassy women."—The Romance Studio (My Give a Damn's Busted) She means business... Sharlene Waverly is determined to have the "new and improved" Honky Tonk up and running before the holiday. For that, she'll need Holt Jackson, the best darn carpenter in the state. But his warm, whisky-colored eyes make her insides melt, and before she knows it, she's sharing her darkest secrets and talking about the nightmares... He's determined to keep things professional... Holt Jackson needs the job at the Honky Tonk, but is completely unprepared to handle the beautiful new bar owner he's working for. Sharlene and Holt try like crazy to deny the sparks flying between them, but their love may just be the best Christmas present either one of them ever got. Praise for I Love This Bar: "Heart...sass...a lot of sparks and romance...country music. What more can I say? I really had fun with this book."—Red-Headed Book Child "Guaranteed to leave you countrified and satisfied!"—Love Romance Passion

Originally published in 1993. This study was written in 1946 having been commissioned by a large corporation in the food industry. The insights from this agricultural economics perspective even now are highly interesting. At the time there was real concern over food shortage and the UN and US government assumed there would be a problem for a long time to come. This study showed otherwise and set out suggestions for food policy and foreign aid policy with regards to food. This thorough study is an exemplary snapshot of the history of food policy and has lessons still to share.

Death Waits in the Dark African Books Collective

If a picture is worth a thousand words, then it's a good bet that at least half of those words relate to the picture's copyright status. Art historians, artists, and anyone who wants to use the images of others will find themselves awash in byzantine legal terms, constantly evolving copyright law, varying interpretations by museums and estates, and despair over the complexity of the whole situation. Here, on a white—not a high—horse, Susan Bielstein offers her decades of experience as an editor working with illustrated books. In doing so, she unsnarls the threads of permissions that have ensnared scholars, critics, and artists for years. Organized as a series of “takes” that range from short sidebars to extended discussions, *Permissions, A Survival Guide* explores intellectual property law as it pertains to visual imagery. How can you determine whether an artwork is copyrighted? How do you procure a high-quality reproduction of an image? What does “fair use” really mean? Is it ever legitimate to use the work of an artist without permission? Bielstein discusses the many uncertainties that plague writers who work with images in this highly visual age, and she does so based on her years navigating precisely these issues. As an editor who has hired a photographer to shoot an incredibly obscure work in the Italian mountains (a plan that backfired hilariously), who has tried to reason with artists' estates in languages she doesn't speak, and who has spent her time in the archival trenches, she offers a snappy and humane guide to this difficult terrain. Filled with anecdotes, asides, and real courage, *Permissions, A Survival Guide* is a unique handbook that anyone working in the visual arts will find invaluable, if not indispensable.

Darling, All at Once Storm

To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

The Widow Waltz HarperCollins

Madison walked through the fallen snow, looking left and right. It had been Kaylee's idea to use the trail through the forest; she said no one would follow them. But Madison lost sight of Kaylee for a moment and when she found her again she wasn't alone... In the remote forests of Stillwater, Minnesota, you can scream for days and no one will hear you. So when the bodies of two fifteen-year-old girls are discovered frozen in the snow, Special Agent Nikki Hunt is sure the killer is local: someone knew where to hide the girls and thought they would never be found. Though Nikki hasn't been home in twenty years, she knows she must take over the case. The Sheriff's department in Stillwater has already made a mistake by connecting the girls' murders to those of a famous serial killer, refusing to consider the idea that the killer could be someone from town. Then another girl's body is found, a red silk ribbon tied in her hair, and Nikki realizes that the killer has a connection to her own dark past, and the reason she left Stillwater. Nikki is not the only person in town who wants those secrets to stay hidden. Will she be able to face her demons before another child is taken? Gripping and spine-chilling, *The Girls in the Snow* will make you gasp, unable to put it down until the final heart-pounding twist. Perfect for fans of Karin Slaughter, Lisa Gardner and Robert Dugoni. What readers are saying about *The Girls in the Snow* "This is the thriller that I didn't know I was waiting for and needed in my life until I picked it up. SO GOOD. The Highlander's Surrender Penguin

She's running for her life. He's the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little dot on the map known as Point Hope, Alabama. It's a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinch-self. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. He's charming, he looks way too good in a Santa hat, and, oh, yes, he's her new landlord. The hits just keep coming. She can't afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It's purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that's just sexy Spencer. Usually, Haley falls for the bad guy. It's the whole reason she's running for her life. She can't help but wonder...What would it be like to fall for a man like Spencer? He just got his Christmas wish. Sheriff Spencer Lane can't believe his luck. The most beautiful, fascinating woman he's ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that's a role that he's happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a stalker ex don't make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time.

Psychosocial Rehabilitation is a comprehensive ready-reference for mental health practitioners and students, providing practical advice on the full range of interventions for psychosocial rehabilitation. It contextualises the interventions described and provides pointers to enable the reader to explore the theory and research. This manual recognises the wide-ranging impact of mental illness and its ramifications on daily life, and promotes a recovery model of psychosocial rehabilitation and aims to empower clinicians to engage their clients in tailored rehabilitation plans. The book is divided into five key sections. Section 1 looks at assessment covering tools available in the public domain, instruments, scoring systems, norms and applications for diagnosis and measurement of symptoms, cognitive functioning, impairment and recovery. Section 2 covers the full range of therapeutic interventions and offers advice on training and supervision requirements and evaluation of process, impact and outcome. Section 3 provides manuals and programs for interventions effectively provided as group activities. Section 4 explains how to design a full programme that integrates therapeutic interventions with group programmes as well as services provided by other agencies. The final section looks at peer support and self help, providing manuals and resources that support programmes and interventions not requiring professional or practitioner direction.

A new and incisive analysis of the political viability of human rights, with an in-depth investigation of its largest violation: world hunger. Gonzalez-Pelaez develops John Vincent's theory of basic human rights within the context of the international political economy and demonstrates how the right to food has become an international norm enshrined within international law. She then assesses the international normative and practical dimensions of hunger in connection with international trade and poverty. Using the society of states as the framework of analysis, she explores the potential that the current system has to correct its own anomalies, and examines the measures that can move the hunger agenda forward in order to break through its current stagnation.

"This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, *The Widow* Waltz explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?"

Rehabilitation should not stop when the disabled person is discharged from hospital, and many neurological patients require ongoing rehabilitation in order to maximize their functional abilities, minimize complications and promote full participation at home and in the community. This book analyses community rehabilitation needs from many different perspectives, including the views of disabled people, rehabilitation clinicians and service providers. Many examples of community rehabilitation schemes are presented, with evidence for their effectiveness, and case studies are used to highlight the main issues. The authors take an international view, and there are chapters dealing with the disabled child in the community and with neuropsychological rehabilitation. This important book examines the growing trend towards community rehabilitation in neurology and is directed towards all clinicians involved with neurorehabilitation.

While Universal's *Dracula* and *Frankenstein* (both 1931) have received the most coverage of any of the studio's genre releases, it is the lesser known films that have long fascinated fans and historians alike. Starting with *The Last Warning*, a 1929 movie released as both a silent and a talkie, Universal provided a decade of films that entertained audiences and sometimes frustrated critics. Each of Universal's horror, science fiction and "twisted mystery" films receives an in-depth essay for each film. The focus is first on the background to the making of the movie and its place in the Universal catalog. A detailed plot synopsis with critical commentary follows. Filmographic data for the film conclude the entry. Universal's *The Shadow* short film series is covered in an appendix. Many rare illustrations and movie posters are also included.
