*A Flora Forager Journal*  
Legend of the Blue

Mermaid (Team Umizoomi)  
Uncovering an ancient evil, Serafina, a mermaid

of the Mediterranean Sea, searches for five other mermaid heroines who are scattered across the six seas, to save their hidden world.

**The Secret of the Blue Mermaid** Candlewick Press

From its first publication as a fairy tale told by Hans Christian Andersen, *The Little Mermaid* has been enthralling children and adults alike with its story of the transforming power of love. In 1989, Disney put little Ariel on film, gave her flaming red hair and an Oscar-winning

musical score, and, in the process, reinvented the animated feature as a viable art form. Now the creative powers at Disney have reimagined the mermaid and her friends again, bringing one of Disney's most beloved princesses to the stage. *The Little Mermaid: The Story of a Tale* is a look at the process of morphing a 19th-century story and a 20th-century film into a stage event for the 21st century. This oversized, profusely illustrated book traces the evolution of *The Little Mermaid* from

its inception in Denmark, through its triumphant animation, to the hit Broadway stage version now playing in New York. In addition to photographs of the show and its rehearsals, the book will explore the creative process with extensive looks behind the scenes. Writer Michael Lassell interviews Francesca Zambello and choreographer Steven Mear, writer Doug Wright and composer Alan Menken, designers George Tsypin and Tanya Noinova as well as all

the stars in the show's extraordinarily talented cast. This is a grown-up book for children of all ages.

Featuring a deluxe

package with rounded

corners, a ribbon, and thick interior paper, this keepsake journal-filled with 80 percent new images, spot art throughout, and lined pages for writing-is sure to please Flora Forager's avid fans and new users alike.

Nickelodeon

A summer romp full of mystery, new friends, and maybe a mermaid!

Eleven-year-old Anthoni Gillis is not the kind of kid who believes in fairies, unicorns, or even the word "maybe." She's more of a comic-books

girl. So when her mom brings her to Thunder Lake for a summer at the Showboat Resort, she doesn't believe the local rumors about the Boulay Mermaid. Anthoni has bigger fish to fry. She's always wanted a True Blue Friend. But it's been hard to find one, since for the past five years she's been bouncing from town to town, helping her mother sell Beauty & the Bee cosmetic products to keep them both afloat. This summer will be different, though. Anthoni has a plan—a foolproof

checklist for making lifelong friends! There won't be any maybes this time. But as she grows entangled in local gossip, and her mother stretches the truth, Anthoni must decide if she'll "stick to the plan," like always, or dive into a summer full of extraordinary possibilities. Josephine Cameron's energetic and heartfelt debut raises timeless questions about truth, lies, and the hope that grows between them.

Legend has it the only way to meet a mermaid is to know where to look and to give her a beautiful handmade gift that shows her you care. If you're lucky, she may take you on an ocean adventure! Mermaids are rarely seen, and even more rarely met. But, if you gather some natural craft

supplies—shells, coral, driftwood, and sea glass—and make her a gift, you might just befriend one! Will you spot a mermaid in the waves just off shore? If you do, will you be ready? By being observant, resourceful, and friendly, you can make a beautiful crown from natural beach materials that will show your new mermaid friend you truly care. Perhaps she'll take you on an incredible adventure through the ocean's depths, past ancient shipwrecks, and to her

shell castle! You just might experience what it's like to be a mermaid yourself! Sue Fliess's poetic read-aloud text and Simona Sanfilippo's vibrant, whimsical illustrations will provide joy for young readers eager to meet their own mermaids! Also included are guides for teachers and parents about how to engage children in building mermaid crowns and how to interest them in the natural world, the history of mermaids, and the many cultures that have believed in them.

A sweet and sparkling chapter book series about finding your place and believing in yourself! It's Marnie Blue's first day at Lady Sealia Foam's Mermaid School, and she's terrified. What if she can't make friends? What if she has to ride a seahorse? And what if the teachers assume she's just like her Aunt Christabel, a famous singer who was a

troublemaker growing up. Even though Marnie is sweet and tries her best to fit in, a mermaid named Orla seems intent on getting her in trouble. But when Orla finds herself in danger, Marnie has to swim to the rescue! Filled with fabulous, fishy fun, Mermaid School is the start of a sparkly new chapter-book series that's sure to enchant young readers.
