A husband, security, a home, children- what's wrong with all that?' At eighteen years old, beautiful Tana Roberts found it hard to say. All she knew was that, for her, career came before marriage- even if that meant defying convention and the wishes of her fussing, over-protective mother. Throughout the turbulent Sixties, Tana followed her heart wherever it lead her, searching for fulfilment in her work as a highly successful lawyer, in friendships, and in fleeting affairs. Until one day, quite unexpectedly, she discovers a gaping void in her life that only true love could fill...

In her 37th bestselling novel, Danielle Steel tells the compelling story of a woman who must struggle to overcome a shattering betrayal, and the cruellest kind of malice. At seventeen, the night of her mother's funeral, Grace Adams is attacked. It is not the first time, and a brutal crime ensues. And to everyone's horror, Grace will not tell the truth. She is a young woman with secrets too horrible to tell, with hurts so deep they may never heal. She is also beautiful enough for men to want her no matter how much she does not want them. Whatever the outcome, Grace Adams will have to live with whatever happened during those terrible years. After a lifetime of being a victim, now she must pay the price for other people's sins. From the depths of an Illinois women's prison to a Chicago modeling agency to a challenging career in New York, Grace must carry the past with her wherever she goes. And in healing her own pain, she reaches out to battered women and children who live a nightmare she knows all too well. When Grace meets Charles Mackenzie, a New York lawyer, she has found a man who wants nothing from her-except to heal her, to hear her secrets, and to give her the family she so desperately wants. But, with happiness finally within her grasp, and precious loved ones to protect, Grace is at her most vulnerable-in danger of losing everything to a vicious tabloid press and an enemy from her past, an enemy bent on malice at all costs. With rare insight and power, Danielle Steel writes this extraordinary woman's story, portraying her struggle to triumph over malice and betrayal, and to transform a lifetime of pain into a blessing for others. Revealing both the stark reality of domestic abuse and the healing power of love, Malice, is more than superb fiction. It is a piece of life.

This is a special book about special people. People who have loved me, and whom I have loved. People who have brought me joy beyond measure, and sometimes incredible pain. People I have hurt, sometimes more than I can bear to think about. People who have hurt me, sometimes more than they know. Yet each of their gifts has been precious, each moment treasured, each face, each smile, each victory, each defeat woven into the fiber of my being. In retrospect, all of it is beautiful, because we cared so much. In essence, this book covers fifteen years of my life, and a handful of precious people who mean, and have meant everything to me. This book is written for them. With much love, d.s.

But when Marie-Ange is just eleven, a tragic accident marks the end of her idyllic life. Orphaned and alone, she is sent to America, to live with her great-aunt on a farm in Iowa. Bitterly resented by the old woman, cut off from everything she has known and loved, Marie-Ange is forced to work tirelessly on the farm, dreaming only of the day she can return to her beloved Château de Marmouton. Then, just after her twenty-first birthday, an unexpected visitor brings startling news and an extraordinary gift: the freedom to return to France, to Château de Marmouton. When she arrives in France, Marie-Ange learns that the chateau's new owner is Comte Bernard de Beauchamp, a dashing young widower who invites her into his home, then into his heart. But their magical life together, which soon includes marriage, children, and lavish homes, slowly takes an ominous turn. A mysterious woman tells Marie-Ange a shocking story, a story so chilling she doesn't want to believe it. Not even her dear friend Billy can help her now. He is thousands of miles away. Danielle Steel's 51st bestselling novel tells the story of an extraordinary man, the woman who loved him, and a bond so powerful it could never be broken. It is about finding the courage to let someone you love fly free... The phone call came on a snowy December afternoon. Kate was certain it was Joe, the brilliant, visionary man who had been her soulmate, her driving force since the night they met, almost thirty-five years before. What she got was the one call she had never wanted, and didn't expect. As the snow continued to fall, Kate's mind drifted back, to the moment when she and Joe first met. She had been just seventeen and he was young, powerful, dazzling, and different from any man she'd ever known. It was just days before Christmas, 1940. The war is raging in Europe when Kate Jamison makes her debut in New York City. In a room filled with the scions of East Coast society and the leading political figures of the day, it is Joe Allbright who catches Kate's eye. At twenty-nine, Joe is the brilliant protege of Charles Lindbergh, and already a legend in flying circles for his record-breaking speed and state-of-the-art airplane designs. All Kate sees is a tall, strikingly handsome man who seems at once awkward and larger-than-life, like a shining star—just out of reach. Joe, too, is caught off balance by his response to Kate, seeing in this beautiful young woman vitality and youth, the lifelong soulmate he never expected to find. As the months pass, they will meet again, forging a bond that will set the course of both their lives. Kate will go off to study at Radcliffe. Joe will skyrocket to fame in modern aviation. Joe's planes are his life, his passion. But irresistibly drawn to her, moth to flame, he always comes back to Kate. Even after the long dark years of World War II, when Kate was sure she had finally lost him completely, Joe returns. Never willing to stay, always needing to fly away. As planes are for him, Joe is the passion in her life. When the war is over, at twenty-four Kate wants marriage and a family. Joe wants the world, his limitless horizon, and the unique aviation empire he is building. Unwilling to wait any longer, Kate moves on with her life. But when a chance encounter brings them together again, the time has finally come to make a choice, one that will have profound consequences for them both for the rest of their lives. Against a vivid backdrop of war and thrilling

innovation, Danielle Steel breathes life into history, weaving an intensely human story that spans three decades, of two intensely different people who, in spite of themselves, are irrevocably woven into the fabric of each other's lives. With rare insight and emotional power, she brings to life a tale of unconditional love, sacrifice, and compromise. The joining of two remarkable halves into a single far more powerful whole. It is a novel of extraordinary grace and compassion from a master storyteller, perhaps the best story she has told.
