Myth And History Of
The Hawaii*

2022-12-08

KYLEE HATFIELD

Cherry Grove, Fire Island Scholastic Inc.
A Publishers Weekly Best Book of 2015
From a unique new talent comes a fast-paced debut, introducing a heroine whose dark visions bring to light secrets that will heal or destroy those around her . . . When New York journalist and recently bereaved mother Charlotte “Charlie” Cates begins to experience vivid dreams about children in danger, she’s sure that she’s lost her mind. Yet these are not the nightmares of a grieving parent. They are warnings that will help Charlie and the children she sees, if only she can make sense of them. After a little boy in a boat appears in Charlie’s dreams, asking for her help, she finds herself entangled in a world-famous thirty-year-old missing-child case that has never ceased to haunt Louisiana’s prestigious Deveau family. Armed with an invitation to Evangeline,

the family’s sprawling estate, Charlie heads south, where new friendships and an unlikely romance with the estate’s landscape architect—the warm and handsome Noah Palmer—begin to heal her grief-stricken heart. But as she uncovers long-buried secrets of love, money, betrayal, and murder, the facts begin to implicate those she most wants to trust—and her visions reveal an evil closer than she could have imagined. A Southern Gothic mystery debut that combines literary suspense and romance with a mystical twist, **THE GATES OF EVANGELINE** is a story that readers of Gillian Flynn, Kate Atkinson, and Alice Sebold won’t be able to put down.

Lord of the Flies National Geographic Books

Laki is Iceland’s largest volcano. Its eruption in 1783 is one of history’s great, untold natural disasters. Spewing out sun-blocking ash and then a poisonous fog for eight long months, the effects of the eruption lingered across the world for years. It caused the deaths

of people as far away as the Nile and created catastrophic conditions throughout Europe. *Island on Fire* is the story not only of a single eruption but the people whose lives it changed, the dawn of modern volcanology, as well as the history—and potential—of other super-volcanoes like Laki around the world. And perhaps most pertinently, in the wake of the eruption of another Icelandic volcano, Eyjafjallajökull, which closed European air space in 2010, acclaimed science writers Witze and Kanipe look at what might transpire should Laki erupt again in our lifetime.

Burning the Books Farrar, Straus and Giroux

Can you save fire island before it's too late? It was supposed to be a nice, relaxing weekend—with a little swimming, a lot of cocktails, and more hot bods than a year's subscription to *Men's Health* magazine. But when a vat of radioactive waste washes onto the beach, strange things start happening—and now an army of zombie drag queens is storming the coast! Can you save Fire Island before it's too late? Or will you perish at the hands of a thousand shrieking divas? It all depends on the choices YOU make. If you run toward the nearest ferry terminal, turn to page 44. If you flirt with the cute twink, turn to page 55. If you throw caution to the wind and join the nearest circuit party, turn to page 80. What happens next? That depends on YOU! How does the story end? Only YOU can find out! Best of all, you can read this book again and again until you've had 29 amazing adventures!

The Last Summer (of You and Me)

HarperCollins

Preservation, based on the true story of the wreck of the Sydney Cove, sees master storyteller Jock Serong turn his

talents to historical narrative.

Island on Fire Penguin

An action-packed survival suspense from bestselling and award-winning author Gordon Korman. Six kids. One shipwreck. One desert island. They didn't want to be on the boat in the first place. They were sent there as punishment, or as a character-building experience. Now the adults are gone, and the quest for survival has begun.

Books and Islands in Ojibwe Country

Island Press

Relates the story, based in fact, of how a young boy's move to Fire Island, where his father is a National Park Service Ranger, is strategic in the restoring to service of the island's crumbling old lighthouse.

The Burning Island CreateSpace

Westerners—from early missionaries to explorers to present-day artists, scientists, and tourists—have always found volcanoes fascinating and disturbing. Native Hawaiians, in contrast, revere volcanoes as a source of spiritual energy and see the volcano goddess Pele as part of the natural cycle of a continuously procreative cosmos. Volcanoes hold a special place in our curiosity about nature. *The Burning Island* is an intimate, multilayered portrait of the Hawaiian volcano region—a land marked by a precarious tension between the harsh reality of constant geologic change, respect for mythological traditions, and the pressures of economic exploitation. Pamela Frierson treks up Mauna Loa, the world's largest active volcano, and Kilauea to explore how volcanoes work, as well as how their powerful and destructive forces reshape land, cultures, and history. Her adventures reveal surprising archeological ruins, threatened rainforest ecosystems, and

questionable real estate development of the islands. Now a classic of nature writing, Frierson's narrative sets the stage for a larger exploration of our need to take great care in respecting and preserving nature and tradition while balancing our ever-expanding sense of discovery and use of the land.

Gun Island Trinity University Press

The birth of Fire Island's modern era may well be the day it was declared a national seashore--September 11, 1964. From this day on, the barrier island would remain forever persevered under custody of the National Park Service. Today, automobiles are the exception, not the rule, thanks to men and women who fought to prevent a paved highway from being constructed on the barrier island over 50 years ago. The island's culture has always embraced its own distinct path. Fire Island's maritime roots are still evident and alternate lifestyles flourish, while the simple and mundane pleasures of a beautiful day at the beach remain intact. Fire Island continues to spark the imagination of tourists, vacationers, and residents alike who revel in the beauty of this unique place. Today, Fire Island is so many things to so many people.

Island on Fire History Press

From a New York Times bestselling author, a gripping account of the slave rebellion that led to the abolition of slavery in the British Empire. For five horrific weeks after Christmas in 1831, Jamaica was convulsed by an uprising of its enslaved people. What started as a peaceful labor strike quickly turned into a full-blown revolt, leaving hundreds of plantation houses in smoking ruins. By the time British troops had put down the rebels, more than a thousand Jamaicans lay dead from summary executions and extrajudicial murder. While the rebels

lost their military gamble, their sacrifice accelerated the larger struggle for freedom in the British Atlantic. The daring and suffering of the Jamaicans galvanized public opinion throughout the empire, triggering a decisive turn against slavery. For centuries bondage had fed Britain's appetite for sugar. Within two years of the Christmas rebellion, slavery was formally abolished. *Island on Fire* is a dramatic day-by-day account of this transformative uprising. A skillful storyteller, Tom Zoellner goes back to the primary sources to tell the intimate story of the men and women who rose up and tasted liberty for a few brief weeks. He provides the first full portrait of the rebellion's enigmatic leader, Samuel Sharpe, and gives us a poignant glimpse of the struggles and dreams of the many Jamaicans who died for liberty.

To Build a Fire Bookouture

"Utterly engaging...a page-turner that is certain to win the author legions of new readers and fans."—George R. R. Martin, author of *A Game of Thrones* It's spring on Nantucket and everything is perfectly normal, until a sudden storm blankets the entire island. When the weather clears, the island's inhabitants find that they are no longer in the late twentieth century...but have been transported instead to the Bronze Age! Now they must learn to survive with suspicious, warlike peoples they can barely understand and deal with impending disaster, in the shape of a would-be conqueror from their own time.

Fog Island Harvard University Press

"Frightening...Firestorm comes alive when Struzik discusses the work of offbeat scientists." --New York Times Book Review "Comprehensive and compelling." --Booklist "A powerful message." --Kirkus "Should be required

reading." --Library Journal In the spring of 2016, the world watched as wildfire ravaged the Canadian town of Fort McMurray. Firefighters named the fire "the Beast." It seemed to be alive with destructive energy, and they hoped never to see anything like it again. Yet it's not a stretch to imagine we will all soon live in a world in which fires like the Beast are commonplace. In *Firestorm*, Edward Struzik confronts this new reality, offering a deftly woven tale of science, economics, politics, and human determination. It's possible for us to flourish in the coming age of megafires-- but it will take a radical new approach that requires acknowledging that fires are no longer avoidable. Living with fire also means, Struzik reveals, that we must better understand how the surprising, far-reaching impacts of these massive fires will linger long after the smoke eventually clears.

Island in the Sea of Time Penguin

A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William

Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

The Last Atoll Penguin

The first Fire Island Lighthouse was constructed in 1826 after numerous shipwrecks along the barrier island. A replacement tower built in 1858 incorporated innovations in lighthouse design such as the Fresnel lens. Vessels anchored offshore, known as lightships, augmented the lighthouse for many years. The Coast Guard shut down the site in 1973. Through the efforts of the Fire Island Lighthouse Preservation Society and the National Park Service, the beautiful structure was meticulously restored and the tower relit in 1986. Along with a selection of wonderful color photographs depicting the grandeur of the lighthouse, author Bill Bleyer charts the history of Long Island's cherished Fire Island Lighthouse.

Burning Island Phaidon Press

From the Civil War to the turn of the century, this is the true-life story of the original Coast Guard and one crew of African-American heroes who fought storms and saved lives off America's southeastern coast. 31 halftones.

Hawaiian Legends of Volcanoes St.

Martin's Paperbacks

They were not her children. But she would protect them with her life... Corfu 1944. Though they don't know it, five-year-old Matilde and three-year-old Anna have kissed their mother for the last time. The Nazis have reached their sun-scorched home, and they are being taken to a place of safety, on the north-eastern tip of the rocky island, to be

hidden at great risk by kindly Agata and her husband until the terrible war is over. Matilde and Anna's tears are soothed by Agata's bedtime stories, but she is always alert. So far no soldiers have ventured down the steep rocky hillside to their secret haven, but Agata knows they are constantly scouring the island for missing Jews. And then, on a day when Agata's husband is away, a German soldier appears... 2016. Under a baking June sun, Amber and her husband arrive in Corfu from England, hoping for a fresh start. But not everyone is pleased by their arrival, and with the pressures of pregnancy, the couple grow further apart. Desperate to find a sense of belonging for herself and her unborn child, Amber finds herself drawn to the local story of two little girls, left by their parents and hidden for their own protection. But there are some who would rather Amber left Corfu's terrible history well in the past. Can Amber uncover the heart-breaking truth about the two little girls, and what happened after a German soldier took a swim in the bay by their house? If she does, can the secrets of the past help her find happiness, or send her running from the island, alone? A gripping, heart-wrenching and compelling read about the shadows at the heart of the sun-drenched island of Corfu and survival against all odds. Fans of Victoria Hislop, *The Nightingale* and *The Tattooist of Auschwitz* will fall in love with *Burning Island*. Readers are hooked on *Burning Island*: 'Two tragic stories, both equally well told. I couldn't put the book down. The book will keep you reading until the end. It is exciting and tragic at the same time. It will keep you on the edge of your seat waiting to find out what happens next. This is one book you will not want to miss. I recommend it.' Goodreads

Reviewer, [REDACTED] 'Told in two different time periods, this is a story that will leave you in tears, as humanity is exposed at its very worst, but also its very best' Cayo Costa, [REDACTED] 'The way this author writes I could feel what the Jewish people were going through... this story will make you cry in some spots so beware when you take up this book. You'll not want to put it down! ...you might want a box of tissues too. I highly recommend this book' Red Headed Book Lady, [REDACTED] 'A captivating novel... You will not regret reading this book.

Suzanne Goldring did a fantastic job of writing this.' Goodreads Reviewer, [REDACTED]

The Burning Island Simon and Schuster Named a Best Book of Fall by Vulture, Chicago Review of Books and Amazon From the award-winning author of the bestselling epic Ibis trilogy comes a globetrotting, folkloric adventure novel about family and heritage Bundook. Gun. A common word, but one that turns Deen Datta's world upside down. A dealer of rare books, Deen is used to a quiet life spent indoors, but as his once-solid beliefs begin to shift, he is forced to set out on an extraordinary journey; one that takes him from India to Los Angeles and Venice via a tangled route through the memories and experiences of those

he meets along the way. There is Piya, a fellow Bengali-American who sets his journey in motion; Tipu, an entrepreneurial young man who opens Deen's eyes to the realities of growing up in today's world; Rafi, with his desperate attempt to help someone in need; and Cinta, an old friend who provides the missing link in the story they are all a part of. It is a journey that will upend everything he thought he knew about himself, about the Bengali legends of his childhood, and about the world around him. Amitav Ghosh's *Gun Island* is a beautifully realized novel that effortlessly spans space and time. It is the story of a world on the brink, of increasing displacement and unstoppable transition. But it is also a story of hope, of a man whose faith in the world and the future is restored by two remarkable women.

The Burning Shore Trinity University Press

The Burning Shore, another gripping installment in Wilbur Smith's Courtney Family Adventure series *Centaine de Thiry* grew up with privilege, wealth, and freedom on a sprawling French estate. Then war came crashing down around her, and a daring young South African aviator named Michael Courtney stole her heart amidst the destruction. But the tides of fate and battle sent the young woman on a journey across a dangerous sea to the coast of Africa. When *Centaine's* ship is torpedoed and sunk, she is plunged into a shark-filled sea miles from the unseen shore. And when she reaches land, *Centaine* puts foot not in the lush world that Michael Courtney described to her, but on the edge of a burning desert--alone and fighting for her life. In a strange world, under a great rushing sky, *Centaine* sets forth in the company of wandering Bushmen--and

then into the arms of a renegade white soldier who may be her savior or destruction. As Michael Courtney's family searches for *Centaine*, she comes near her promised land--and the untold tragedy and riches that it holds...

Fire, Native Peoples, and the Natural Landscape Penguin

"Top 10 Children's Book 2013 - New York Times Book Review A Publishers Weekly Best Children's Book of 2013 A New York Times Best Illustrated Children's Book of 2013 "Tomi Ungerer has created another masterpiece." - Eric Carle In this imaginative tale from master storyteller Tomi Ungerer, two young siblings find themselves cast away on mysterious Fog Island. No one has ever returned from the island's murky shores, but when the children begin to explore, they discover things are not quite as they expected.

Ungerer's captivating drawings evoke the eerie beauty and magic surrounding this timeless adventure. Selected by both The New York Times and Publishers Weekly as one of the year's best children's books, *Fog Island* is destined to become a modern classic. "

Labyrinth of Fire Delacorte Press

"In the rain forests of the western Amazon," writes author Andrew Revkin, "the threat of violent death hangs in the air like mist after a tropical rain. It is simply a part of the ecosystem, just like the scorpions and snakes cached in the leafy canopy that floats over the forest floor like a seamless green circus tent." Violent death came to Chico Mendes in the Amazon rain forest on December 22, 1988. A labor and environmental activist, Mendes was gunned down by powerful ranchers for organizing resistance to the wholesale burning of the forest. He was a target because he had convinced the government to take

back land ranchers had stolen at gunpoint or through graft and then to transform it into "extractive reserves," set aside for the sustainable production of rubber, nuts, and other goods harvested from the living forest. This was not just a local land battle on a remote frontier. Mendes had invented a kind of reverse globalization, creating alliances between his grassroots campaign and the global environmental movement. Some 500 similar killings had gone unprosecuted, but this case would be different. Under international pressure, for the first time Brazilian officials were forced to seek, capture, and try not only an Amazon gunman but the person who ordered the killing. In

this reissue of the environmental classic *The Burning Season*, with a new introduction by the author, Andrew Revkin artfully interweaves the moving story of Mendes's struggle with the broader natural and human history of the world's largest tropical rain forest. "It became clear," writes Revkin, acclaimed science reporter for *The New York Times*, "that the murder was a microcosm of the larger crime: the unbridled destruction of the last great reservoir of biological diversity on Earth." In his life and untimely death, Mendes forever altered the course of development in the Amazon, and he has since become a model for environmental campaigners everywhere.
