On Fire Berkley Trade

From Sylvia Day, the #1 New York Times bestselling author of the Crossfire novels, comes a novella of the Shadow Stalkers. When Deputy US Marshal Jared Cameron started investigating a series of arson attacks in the small seaside town of Lion's Bay, he had no idea that the biggest blast of heat would come from the fire inspector. Her name was Darcy Michaels—and if there was anyone that Jared wanted to get down and sweaty with, it was Darcy. Darcy knew what she was bringing out in Jared. In fact, she liked it. She reveled in making his dirty dreams come true. Stripped down for a scorching after-hours affair, Jared was her fantasy, too. A hard-driving man who knew exactly what to do to please her. But as hot as their nights were, they had no idea just how wild it was going to get. Because Darcy has a secret. And a past. And it's drawing them right into the flames... Includes an excerpt of Razor's Edge, another Shadow Stalkers novella. On Fire previously appeared in Hot in Handcuffs

The First 100 Kisses Penguin UK

There's nothing more romantic than Valentine's Day...except Sylvia Day. Now in one deluxe box set, the first four novels in the Crossfire series. The #1 New York Times bestselling author. The #1 worldwide phenomenon. Bared to You He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily... Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds... and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart... Reflected in You Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire... mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession... Entwined with You From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and damaged soul insideso much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession... Captivated by You Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

Sylvester Entangled: Scandalous

"Oh, those naughty rakes. With their wicked winks, sensual smiles, and bad boy habits, you just can't take them out in polite society. But who wants to go out when you can stay in. . .? Stolen Pleasures Sebastian Blake, Earl of Merrick, long ago fled the responsibilities of his title to become the infamous pirate, Captain Phoenix. But the booty he's just captured on a merchant ship is a fierce tempered minx who claims to be a bride. . .his bride, married to him by proxy on behest of their

fathers. He could shame his hated family and return his beautiful wife untouched, but no treasure has ever proved more tempting to Sebastian, and making their marriage a true one—in every sense—is his one urgent desire . . . Lucien's Gamble Lucien Remington's reputation as a debauched libertine who plays by no one's rules—in business or the bedroom—is well deserved. He gets what he wants, social repudiation be damned. But society can keep from him the one thing he truly desires, the untouchable Lady Julienne La Coeur. Until she sneaks into his club dressed as a man and searching for her irresponsible brother. Suddenly she's in Lucien's grasp, his to take, and his mind is filled with the most wickedly sinful thoughts. A gentleman would walk away from the temptation she presents. But then, Lucien has never claimed to be a gentleman. . . Her Mad Grace Hugh La Coeur never wanted to be the Earl of Montrose. Wine, women, and a hefty wager are preferable to responsibility of any kind. It's certainly preferable to spending the night in an eerie, neglected mansion owned by a legendary madwoman. The duchess's companion, the fiercely independent Charlotte, is another matter altogether. Hugh would be happy to spend as many nights in her bed as possible. He knows she's hiding terrible secrets, but for once in his life, Hugh has the desire to take on someone else's burden as his own, no matter what the danger. . . They're mad, bad, and totally irresistible. . .

Take a road trip with a small-town mechanic and a prince on the run in the Kings of Carolina Box Set, featuring: *Between a Rock and a Royal* (Book 1) *Blue Bloods and Backroads* (Book 2) *BETWEEN A ROCK AND A ROYAL* A foreign prince on the run, a local girl in a serious jam, and a '65 Mustang headed for Georgia. What could go wrong? *LEO: How my brother talked me into ditching our security team and embarking on this ridiculous adventure, I haven't a clue. But it's my duty to keep the idiot safe—something made even more difficult now that we're stranded in the middle of nowhere with a local mechanic as our only hope. But this wrench-wielding beauty has problems of her own and a smile that might make me forget my obligations entirely. RUBY:> With one look at Leo Baxter, I know down to my cherry-painted toes that he and his pain-in-the-ass brother are nothing but trouble. Given my family's dire circumstances, however, I've got little choice but to take these rich country-club rejects up on their offer. A fat stack of cash in exchange for a ride through the mountains. How bad could it be? BLUE BLOODS AND BACKROADS Love is a four-letter word. So is jerk. RUBY: The only thing worse than a guy sneaking out in the middle of the night is finding he left a fat stack of cash as his only goodbye. Well, Leo Baxter can take that blue-blood money and whatever connection we had and shove it where the sun don't shine. It's time to focus on hunting down my jailbird cousin, saving the family business, and keeping my uncle from taking a one-way trip to crazy town. Luckily, I've got some help from an unexpected source. I'm gonna wrap this up, tuck my heart away, and get back to real life... not the fairytale I was stupid enough to start believing in. LEO: It shouldn't have come as a surprise. Being used and exploited for my name and position is, unfortunately, not a new experience. But I thought Ruby was different—which is what makes her deception cut so deep. Now it's time for damage control and for Malcolm and me to go home and attend to our duties. Life is less complicated when you stay on the straight and narrow. Too bad those winding backroads are calling my name, and there's only one person my heart wants to travel them with. Books 1 and 2 cover Ruby and Leo's entire hot and hilarious story. And, of course, it comes with an HEA!*

The Kiss Dramatists Play Service, Inc.

Exquisitely and hypnotically written, like a bold and terrifying dream, *The Kiss* is breathtaking in its honesty and in the power and beauty of its creation. In this extraordinary memoir, one of the best young writers in America today transforms into a work of art the darkest passage imaginable in a young woman's life: an obsessive love affair between father and daughter that began when Kathryn Harrison, twenty years old, was reunited with a parent whose absence had haunted her youth. A story both of taboo and of family complicity in breaking taboo, *The Kiss* is also about love—about the most primal of love triangles, the one that ensnares a child between mother and father. Praise for *The Kiss* “I couldn't stop reading this. I'll never stop remembering it.”—Mary Karr, author of *The Liars' Club* “Only a writer of extraordinary gifts could bring so much light to bear on so dark a matter, redeeming it with the steadiness of her gaze and the uncanny, heartbreaking exactitude of her language.”—Tobias Wolff, author of *This Boy's Life* “Beautifully written . . . jumping back and forth in time yet drawing you irresistibly toward the heart of a great evil.”—*The New York Times* “Like all good literature, *The Kiss* illuminates something that we knew already, while also teaching us things we had not even suspected.”—*Los Angeles Times* “A darkly beautiful book, fearless and frightening, ironic and compassionate.”—Mary Gordon, author of *Circling My Mother* “Harrison's story is her own, but it is also a brilliant fiction, densely mythic, sometimes almost liturgical sounding and raw. She is both author and protagonist of a dark pilgrim's progress.”—*The Atlanta Journal and Constitution*

He makes my heart do the tango and my head want to explode. In other words, it's just another day working for Prince Malcolm. ALICE: Give me a problem and I'll fix it. That's what I do. The trick is remaining calm and preparing oneself for any eventuality. But even I failed to anticipate my former boss, Malcolm, crossing an ocean to bribe me for my help. He insists I'm the only one who can fix his problem, but I had an excellent reason for leaving that job in the first place and putting an ocean between us. It's hard to keep the big picture in mind when you're secretly in love with your boss. And even harder when he's about to be crowned a king. MALCOLM: Being a prince certainly has its perks: money, cars, women, and a license to do just about anything I please. But since my assistant, Alice, resigned out of the blue, I've been unable to find my footing and have admittedly been a bit cranky. When a problem arises calling for the utmost discretion, it's clear Alice is the only woman for the job. But she's less than thrilled at being coerced into returning, and she's doing her best to make me pay for it. With the clock ticking down to my coronation, I'm putting all my trust in her to see me through. But the stakes are getting higher because Alice is beginning to look more like my future than even the throne I was born to take. *Stealing Kisses With a King* is the third rom-com in the *Kings of Carolina* Series. It can be enjoyed as a standalone, but is swoonier (yeah, I just made that word up) when read in order.

The Arrangement Sylvia Day, LLC

"I have a huge favor to ask." Chloe Clark's smoking hot neighbor and best friend, Liam, needed her help. To practice his kissing. Chloe knew it wasn't a joke. Liam was socially awkward, and on the spectrum, which was why he was still single at 33. Women didn't understand Liam the way Chloe did. Yeah, he was odd, but he was her bestie. She had her issues, too. Like always falling for the wrong guys. But that's what made them work as besties. They accepted each other for who they were. No pretending. No games. Perfectly platonic. So when Liam asked Chloe for help to get him ready for a second chance date with his high school sweetheart she could hardly say no. After all, Liam was woefully inexperienced; like virgin-level pure. It was downright criminal for someone that sexy to be so untouched. What choice did she have? She couldn't leave her bestie to make a fool of himself with the woman he'd loved since he was a teenager. She'd give him a few pointers, let him practice a few kisses on her, maybe teach him a slow burn kiss, or the right way to cup a woman's breast, then send him on his merry way. He just needed a few kisses under his belt and he'd be fine for his date. The bumped heads and smooched noses Chloe expected. What she hadn't counted on, was liking Liam's kisses. A lot. When the practice sessions become a major turn on for Chloe, how will she keep her pesky libido in check? And worse, how was she supposed to hand him over to another woman after she'd fallen for him so hard?
