The Road to Enchantment Penguin UK

The much awaited sequel

to the two successful Kabul Disco books Nicolas Wild travels to Iran at the invitation of his friend Sophia, daughter of the well-known humanist Cyrus Yazdani, who had been assassinated in mysterious circumstances. Here, Wild discovers Zoroastrianism, one of the world's first monotheistic religions and an inspiration to numerous philosophers, among them Nietzsche. As he meets and talks to people in Iran, Wild becomes immersed in Cyrus's story. With Sophia's permission, he goes to Geneva to hear the testimonies of the assassination trial at the Criminal Court. Inspired by the life of a real-life activist, Wild's account reveals more than the story of one man's life or a court case. With characteristic humour - both unprejudiced and warm - he portrays a complex picture of a people and a culture.

Pretty Dead Girls Simon and Schuster

At the beginning of this story there is death, and yet it is a celebration of life, the lives of many generations of Ari's family, of the passion between a man and a woman, forbidden love, violence, sorrow, betrayal. Happiness and misfortune are passed down from one generation to the next, the sorrow over what was and what might have been weighs heavily on the characters, and at the end of this chain, for now, stands Ari, on his way to his dying father, with a score still to be settled. The raw beauty of life is written into the dramatic Icelandic landscape, and into a society that has undergone great transformation within a century.

Recommend A charming tale of a ramshackle roadside motel: a heartwarming story of love, friendship, community, and the art of living, even when it's already too late. The Pine Creek Motel has seen better days. Henny would call it charming, but she's always seen the best in things. Like now, when she's just met an untimely end crossing the road. She's not going to let a tiny thing like death stop her from living fully—not when her friends and family need her the most. After the funeral is over, her body is buried, and the last casserole dish is empty, Henny is still around. She's not sure why, but she realizes she has one last opportunity to help her friends discover the happiness they once knew before they lose the motel and cabins they've cherished for years. *Schitt's Creek* meets *The Chicken Sisters* with a dash of small-town heart and a whole lot of hope, *Welcome to the Pine Away Motel and Cabins* is the perfect book club read. Practice Makes Perfect: French Pronouns and Prepositions Simon and Schuster
 Fans of Julie Buxbaum's *Tell Me Three Things* and Morgan Matson's *Since You've Been Gone* will get caught up in the drama of this road trip romance that begins with an

unplanned flight layover in L.A. and turns into a wild adventure. FLYNN: At first we were almost strangers. But ever since I moved to New York, Amos was the one person I could count on. And together we were there for Poppy. (I mean, what kind of parents leave their kid to be raised by a nanny?) I just didn't expect to fall for him--and I never expected him to leave us. AMOS: I thought I was the only one who felt it. I told myself it was because we were spending so much time together--taking care of Poppy and all. But that night, I could tell she felt it, too. And I freaked out--you're not supposed to fall for your stepsister. So I ran away to boarding school. I should have told her why I was leaving, but every time I tried, it felt like a lie. One missed flight was about to change their lives forever. . . . Perfect for fans of *Clueless* and brought to you by two Hollywood screenwriters, this wild journey of unlikely romance, heartbreak, and adventure--set against the backdrop of a blended family in free fall during a rebellious layover in Los Angeles--reveals the true value of the unbreakable bonds we forge when we

dare to let ourselves risk it all. "A thoughtful, charming journey into the nature of love and family." -Rachel Cohn, *New York Times* bestselling coauthor of *Nick & Norah's Infinite Playlist* "This road-trip saga from Hollywood screenwriters Andelson and Meyer is being hailed as a must-read for fans of 'Clueless.'" -Brightly
This Song Will Save Your Life Macmillan
 "A smart, rich country noir" from the acclaimed author *Kentucky Straight* and *The Good Brother* (Stewart O'Nan, bestselling author of *Henry, Himself*). Chris Offutt is an outstanding literary talent, whose work has been called "lean and brilliant" (*The New York Times Book Review*) and compared by reviewers to Tobias Wolff, Ernest Hemingway, and Raymond Carver. He's been awarded the Whiting Writers Award for Fiction/Nonfiction and the American Academy of Arts and Letters Fiction Award, among numerous other honors. His first work of fiction in nearly two decades, *Country Dark* is a taut, compelling novel set in rural Kentucky from the Korean War to 1970. Tucker, a young veteran, returns from war to work

for a bootlegger. He falls in love and starts a family, and while the Tuckers don't have much, they have the love of their home and each other. But when his family is threatened, Tucker is pushed into violence, which changes everything. The story of people living off the land and by their wits in a backwoods Kentucky world of shine-runners and laborers whose social codes are every bit as nuanced as the British aristocracy, *Country Dark* is a novel that blends the best of Larry Brown and James M. Cain, with a noose tightening evermore around a man who just wants to protect those he loves. It reintroduces the vital and absolutely distinct voice of Chris Offutt, a voice we've been missing for years. "[A] fine homage to a pocket of the country that's as beautiful as it is prone to tragedy."—The Wall Street Journal "A pleasure all around."—Daniel Woodrell, author of *Winter's Bone*

The most popular girls in school are turning up dead, and Penelope Malone is terrified she's next. All the victims so far have been linked to Penelope—and to a boy from her physics class. The one she's never really noticed before, with the rumored dark past and a brooding stare that cuts right through her. There's something he isn't telling her. But there's something she's not telling him, either. Everyone has secrets, and theirs might get them killed.

In this subtly haunting novel, a married woman confesses her encounter with a mysterious man, which threatens the stilted calm of life in a Paris suburb. Echoing the acclaimed and unsettling film *Sundays and Cybèle* from 1962, *A Sunday in Ville-d'Avray* is suffused with the same feeling of disquiet: Two sisters meet as the light is fading in a detached house in Ville-d'Avray, each filled with

the memory of their childhood hopes and fears, their insatiable desire for the romantic, for wild landscapes worthy of *Jane Eyre*, and for a mad love, all concealed beneath the appearance of a sensible life. Claire Marie, considered by most to be a dreamy, passive sort of person, suddenly breaks from the everyday by confiding in her sister about an unlikely meeting in this seemingly peaceful provincial town. To her listener's amazement, she tells of her wanderings around the Fausses-Reposes forest, the Corot Ponds, and the suburban train stations, and the lurking dangers she encountered there. In this arresting novel reminiscent of Simenon, Dominique Barbéris explores the great depths of the human soul, troubled like the waters of the ponds.

Paterson Crown

An emotionally charged debut novel of a family on the brink--an autistic child, his determined mother, and her distant father--who learn that when your world changes, you find out who you really are. . . . While she was growing up, Piper's father, Lance "the Silver Eagle" Whitman, became

a national hero piloting a plane through an emergency landing. But at home, he was a controlling and overbearing presence in her life, raining emotional and verbal abuse upon the entire family. It's no surprise, then, that as an adult, Piper has poured all of her energy into creating a warm and loving home for her own family, while catering to her son Fred's ever-growing idiosyncrasies. Then Lance has a heart attack, leaving him with a brain injury--and dependent upon Piper for his care--just before tests confirm Piper's suspicions that Fred is on the autism spectrum. A powerful and extraordinary novel, *Flying at Night* gives voice to Fred, trying to find his place in a world that doesn't quite understand him; to Lance, who's lost what made him the man he was, for better and worse; and to Piper, who, while desperately trying to navigate the shifting landscape around her, watches as her son and father start to connect--in the most miraculous ways. . . .

Hairstyles of the Damned

In a controversial first novel that took the French literary world by storm

and won the Prix de Flore, Tristan Garcia uses sex, friendships, and love affairs to show what happens to people when political ideals—Marxism, gay rights, sexual liberation, nationalism—come to an end. As Elizabeth Levallois, a cultural journalist, looks back on this decade and on the ravages of the AIDS epidemic in Paris, a drama unfolds—one in which love turns to hate and fidelity turns to betrayal, in both affairs of the heart and politics. With great verve and ingenuity, Garcia lays claim to an era that promised freedom as never before, and he paints an indelible, sharp, but sympathetic portrait of intellectuals lost in the age of MTV.

Swimming Between Worlds McGraw Hill Professional

The stunning new novel from the highly-acclaimed author of *The Panopticon* It's November of 2020, and the world is freezing over. Each day colder than the last. There's snow in Israel, the Thames is overflowing, and an iceberg separated from the Fjords in Norway is expected to drift just off the coast of Scotland. As ice water melts into the Atlantic, frenzied London

residents evacuate by the thousands for warmer temperatures down south. But not Dylan. Grieving and ready to build life anew, he heads north to bury his mother's and grandmother's ashes on the Scottish islands where they once lived. Hundreds of miles away, twelve-year-old Estella and her survivalist mother, Constance, scrape by in the snowy, mountainous Highlands, preparing for a record-breaking winter. Living out of a caravan, they spend their days digging through landfills, searching for anything with restorative and trading value. When Dylan arrives in their caravan park in the middle of the night, life changes course for Estella and Constance. Though the weather worsens, his presence brings a new light to daily life, and when the ultimate disaster finally strikes, they'll all be ready. Written in incandescent, dazzling prose, *The Sunlight Pilgrims* is a visionary story of courage and resilience in the midst of nature's most violent hour; by turns an homage to the portentous beauty of our natural world, and to just how strong we can be, if the will and the hope is there, to survive

its worst. - NPR "Best Books of 2016" - Family Matters, Identity & Culture, Science Fiction & Fantasy, and Tales from Around the World
