Battle Lines HarperCollins UK

Maybe it’s the end of the world, but not for Candace Chen, a millennial, first-generation American and office drone meandering her way into adulthood in Ling Ma’s offbeat, wryly funny, apocalyptic satire, *Severance*. "A stunning, audacious book with a fresh take on both office politics and what the apocalypse might bring." —Michael Schaub, NPR.org "A satirical spin on the end times-- kind of like The Office meets The Leftovers." -- Estelle Tang, Elle NAMED A BEST BOOK OF THE YEAR BY: NPR * The New Yorker ("Books We Loved") * Elle * Marie Claire * Amazon Editors * The Paris Review (Staff Favorites) * Refinery29 * Bustle * Buzzfeed * BookPage * Bookish * Mental Floss * Chicago Review of Books * HuffPost * Electric Literature * A.V. Club * Jezebel * Vulture * Literary Hub * Flavorwire Winner of the NYPL Young Lions Fiction Award * Winner of the Kirkus Prize for Fiction * Winner of the VCU Cabell First Novelist Award * Finalist for the PEN/Hemingway Award for Debut Novel * A New York Times Notable Book of 2018 * An Indie Next Selection Candace Chen, a millennial drone self-sequestered in a Manhattan office tower, is devoted to routine. With the recent passing of her Chinese immigrant parents, she’s had her fill of uncertainty. She’s content just to carry on: She goes to work, troubleshoots the teen-targeted Gemstone Bible, watches movies in a Greenpoint basement with her boyfriend. So Candace barely notices when a plague of biblical proportions sweeps New York. Then Shen Fever spreads. Families flee. Companies cease operations. The subways screech to a halt. Her bosses enlist her as part of a dwindling skeleton crew with a big end-date payoff. Soon entirely alone, still unfevered, she photographs the eerie, abandoned city as the anonymous blogger NY Ghost. Candace won’t be able to make it on her own forever, though. Enter a group of survivors, led by the power-hungry IT tech Bob. They’re traveling to a place called the Facility, where, Bob promises, they will have everything they need to start society anew. But Candace is carrying a secret she knows Bob will exploit. Should she escape from her rescuers? A send-up and takedown of the rituals, routines, and missed opportunities of contemporary life, Ling Ma’s *Severance* is a moving family story, a quirky coming-of-adulthood tale, and a hilarious, deadpan satire. Most important, it’s a heartfelt tribute to the connections that drive us to do more than survive.

The Lion's Gate Farrar, Straus and Giroux

A complete treatment of Aeneid XI, with a thorough introduction to key characters, context, and metre, and a detailed line-by-line commentary which will aid readers' understanding of Virgil's language and syntax. Indispensable for students and instructors reading this important book, which includes the funeral of Pallas and the death of Camilla.

Virgil: Aeneid Book XI Penguin

Winner of the LA Times Book Prize in Current Interest An instant New York Times Bestseller! “Stirring...Lithwick’s approach, interweaving interviews with legal commentary, allows her subjects to shine...Inspiring.”—New York Times Book Review “In Dahlia Lithwick’s urgent, engaging *Lady Justice*, Dobbs serves as a devastating bookend to a story that begins in hope.”—Boston Globe Dahlia Lithwick, one of the nation’s foremost legal commentators, tells the gripping and heroic story of the women lawyers who fought the racism, sexism, and xenophobia of Donald Trump’s presidency—and won After the sudden shock of Donald Trump’s victory over Hillary Clinton in 2016, many Americans felt lost and uncertain. It was clear he and his administration were going to pursue a series of retrograde, devastating policies. What could be done? Immediately, women lawyers all around the country, independently of each other, sprang into action, and they had a common goal: they weren’t going to stand by in the face of injustice, while Trump, Mitch McConnell, and the Republican party did everything in their power to remake the judiciary in their own conservative image. Over the next four years, the women worked tirelessly to hold the line against the most chaotic and malign presidency in living memory. There was Sally Yates, the acting attorney general of the United States, who refused to sign off on the Muslim travel ban. And Becca Heller, the founder of a refugee assistance program who brought the fight over the travel ban to the airports. And Roberta Kaplan, the famed commercial litigator, who sued the neo-Nazis in Charlottesville. And, of course, Stacey Abrams, whose efforts to protect the voting rights of millions of Georgians may well have been what won the Senate for the Democrats in 2020. These are just a handful of the stories Lithwick dramatizes in thrilling detail to tell a brand-new and deeply inspiring account of the Trump years. With unparalleled access to her subjects, she has written a luminous book, not about the villains of the Trump years, but about the heroes. And as the country confronts the news that the Supreme Court, which includes three Trump-appointed justices, will soon overturn *Roe v. Wade*, Lithwick shines a light on not only the major consequences of such a decision, but issues a clarion call to all who might, like the women in this book, feel the urgency to join the fight. A celebration of the tireless efforts, legal ingenuity, and indefatigable spirit of the women whose work all too often went unrecognized at the time, *Lady Justice* is destined to be treasured and passed from hand to hand for generations to come, not just among lawyers and law students, but among all optimistic and hopeful Americans.

Brave New World Canelo

The Battle of Algiers, a 1966 film that poetically captures Algerian resistance to French colonial occupation, is widely considered one of the greatest political films of all time. With an artistic defiance that matched the boldness of the anticolonial struggles of the time, it was embraced across the political spectrum—from leftist groups like the Black Panther Party and the Palestine Liberation Organization to right-wing juntas in the 1970s and later, the Pentagon in 2003. With a philosophical nod to Frantz Fanon, Sohail Daulatzai demonstrates that tracing the film’s afterlife reveals a larger

story about how dreams of freedom were shared and crushed in the fifty years since its release. As the War on Terror expands and the “threat” of the Muslim looms, The Battle of Algiers is more than an artifact of the past—it’s a prophetic testament to the present and a cautionary tale of an imperial future, as perpetual war has been declared on permanent unrest. Forerunners: *Ideas First* is a thought-in-process series of breakthrough digital publications. Written between fresh ideas and finished books, Forerunners draws on scholarly work initiated in notable blogs, social media, conference plenaries, journal articles, and the synergy of academic exchange. This is gray literature publishing: where intense thinking, change, and speculation take place in scholarship.

From the Volturno to the Winter Line (6 October-15 November 1943). HarperCollins UK

A short story from the world of Department 19. In 1891, Abraham Van Helsing and a group of friends faced Dracula, the world’s first vampire – and won. The survivors of that battle founded Department 19, and have been secretly saving the world ever since. A highly classified archive exists recording every act of bravery in that time.

Severance Diamond Pocket Books Pvt Ltd

A “well-told” insider account of the State Department’s twenty-first-century struggle to defend America against malicious propaganda and disinformation (The Washington Post). Disinformation is nothing new. When Satan told Eve nothing would happen if she bit the apple, that was disinformation. But today, social media has made disinformation even more pervasive and pernicious. In a disturbing turn of events, authoritarian governments are increasingly using it to create their own false narratives, and democracies are proving not to be very good at fighting it. During the final three years of the Obama administration, Richard Stengel, former editor of Time, was an Under Secretary of State on the front lines of this new global information war—tasked with unpacking, disproving, and combating both ISIS’s messaging and Russian disinformation. Then, during the 2016 election, Stengel watched as Donald Trump used disinformation himself. In fact, Stengel quickly came to see how all three had used the same playbook: ISIS sought to make Islam great again; Putin tried to make Russia great again; and we know the rest. In *Information Wars*, Stengel moves through Russia and Ukraine, Saudi Arabia and Iraq, and introduces characters from Putin to Hillary Clinton, John Kerry, and Mohamed bin Salman, to show how disinformation is impacting our global society. He illustrates how ISIS terrorized the world using social media, and how the Russians launched a tsunami of disinformation around the annexation of Crimea—a scheme that would become a model for future endeavors. An urgent book for our times, now with a new preface from the author, *Information Wars* challenges us to combat this ever-growing threat to democracy. “[A] refreshingly frank account . . . revealing.” —Kirkus Reviews “This sobering book is indeed needed to help individuals better understand how information can be massaged to produce any sort of message desired.” —Library Journal

The Outsiders Penguin

This classic novel of a perfectly engineered society is “one of the most prophetic dystopian works of the twentieth century” (The Wall Street Journal). Half a millennium from now, in the World State, the watchword is that every one belongs to every one else. No matter what class of human you are bred to be—from the intellectual Alphas to the Epsilons who provide the manual labor—you are a part of the efficient, well-oiled whole. You are nourished, secure, and blissfully serene thanks to the freely distributed drug called soma. And while sex is strongly encouraged, the old way of procreation is forbidden, eliminating even the pains of childbirth. But when a man and woman journey beyond these confines to where the “savages” reside, and bring back two outsiders, the cracks begin to show. Named as one of the 100 best English-language novels of the twentieth century by the Modern Library, *Brave New World* is one of the first truly dystopian novels. Influenced by the historic events of Huxley’s era yet as relevant today as ever, it is a remarkable depiction of the conflict between progress and the human spirit. “Chilling. . . . That he gave us the dark side of genetic engineering in 1932 is amazing.” —Providence Journal-Bulletin “It is a frightening experience, indeed, to discover how much of his satirical prediction of a distant future became reality in so short a time.” —The New York Times Book Review

The Command of the Air Grove/Atlantic, Inc.

The epic conclusion in the blood-poundingly brilliant Department 19 series, from bestselling author, Will Hill.

Department 19 - 3 Book Collection (Department 19, The Rising, Battle Lines) (Department 19) Allen & Unwin

An extraordinary story of courage and kindness and the ultimate triumph of family over what, at times, seem like insurmountable odds. 'Abdul is dignified, defiant even, but his poise is beginning to wear thin in this place. He needs surgery for a chronic shoulder injury sustained when he was hit by a car in Kabul. Like the others in detention with him, he faces an uncertain fate, and years in limbo. Most of the people in the centre have already had their spirits broken.' When psychiatrist and mother of three Emma Adams travels to Darwin as an observer of conditions for mothers and babies in the immigration detention centres there, she expects the trip to be confronting. What she doesn't expect is to return to Canberra consumed by the idea that she must help a sixteen-year-old unaccompanied Hazara boy from Afghanistan - Abdul. The premise was simple: Wouldn't any teenage boy be better off staying with a family rather than locked behind a wire fence? In this brutal and bureaucratic system, freedom was a hopeless dream. Emma and Abdul's connection, and her fight to get him out and provide him with an Australian home, a family and a future, forms an important testimony in Australia's appalling treatment of asylum seekers. Their story is a beacon of hope and humanity.

The Rising (Department 19, Book 2) Penguin

Over 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No

one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

Stalingrad HarperCollins UK

A wounded Confederate soldier treks across the ruins of America in this National Book Award-winning novel: “A stirring Civil War tale told with epic sweep.” —People Sorely wounded and fatally disillusioned in the fighting at Petersburg, a Confederate soldier named Inman decides to walk back to his home in the Blue Ridge mountains to Ada, the woman he loves. His journey across the disintegrating South brings him into intimate and sometimes lethal converse with slaves and marauders, bounty hunters and witches, both helpful and malign. Meanwhile, the intrepid Ada is trying to revive her father's derelict farm and learning to survive in a world where the old certainties have been swept away. As it interweaves their stories, Cold Mountain asserts itself as an authentic odyssey, hugely powerful, majestically lovely, and keenly moving.

Lady Justice Penguin

‘MEIN KAMPF’ is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF’ was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and ‘public statements’ constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

Andrew Jackson and the Miracle of New Orleans A&C Black

This volume focuses on a formative period in the history and archaeology of northern Greece. The decade following 1912, when Thessaloniki became part of Greece, was a period marked by an extraordinary internationalism as a result of the population movements caused by the shifting of national borders and the troop movements which accompanied the First World War. The papers collected here look primarily at the impact of the discoveries of the Army of the Orient on the archaeological study of the region of Macedonia. Resulting collections of antiquities are now held in Thessaloniki, London, Paris, Edinburgh and Oxford. Various specialists examine each of these collections, bringing the archaeological legacy of the Macedonian Campaign together in one volume for the first time. A key theme of the volume is the emerging dialogue between the archaeological remains of Macedonia and the politics of Hellenism. A number of authors consider how archaeological interpretation was shaped by the incorporation of Macedonia into Greece. Other authors describe how the politics of the Campaign, in which Greece was initially a neutral partner, had implications both for the administration of archaeological finds and their subsequent dispersal. A particular focus is the historical personalities who were involved and the sites they discovered. The role of the Greek Archaeological Service, particularly in the protection of antiquities, as well as promoting excavation in the aftermath of the 1917 Great Fire of Thessaloniki, is also considered.

Fifty Years of "The Battle of Algiers" Cambridge University Press

They slowed as they reached the gate; two stone columns, each with its own crumbling angel perched on top. The angels held up a rusty, wrought-iron arch that read, in curling, serpentine letters: SHIVERTON HALL. Arthur Bannister has been unexpectedly accepted into Shiveron Hall, which, as it turns out, is an incredibly spooky school, full of surprises. And it is just as well that Shiveron Hall has made its offer, because Arthur had a horrible time at his previous school, and was desperate to leave. Timely indeed . . . But Arthur has no time to worry about the strange coincidence. He is too busy trying to make head or tail of Shiveron Hall, dogged as it is by tales of curses and bad fortune. At least there are a few friendly faces: George, who shows him around; also Penny and Jake. But not all the faces are friendly. There are the bullying Forge triplets for starters. And then there is the acid tongue of the headmistress, Professor Long-Pitt, who seems to go out of her way to make Arthur's life a misery. Luckily Arthur has his new friends to cheer him up. Although there are some friends that you don't want to have at all, as Arthur is soon to find out.

Mein Kampf Penguin

From the award-winning historian, war reporter, and author Damien Lewis (Zero Six Bravo, Judy) comes the incredible true story of the top-secret "butcher-and-bolt" black ops units Prime Minister Winston Churchill assigned the task of stopping the unstoppable German war machine. Criminals,

rogues, and survivalists, the brutal tactics and grit of these "deniables" would define a military unit the likes of which the world had never seen. When France fell to the Nazis in spring 1940, Churchill declared that Britain would resist the advance of the German army--alone if necessary. Churchill commanded the Special Operations Executive to secretly develop of a very special kind of military unit that would operate on their own initiative deep behind enemy lines. The units would be licensed to kill, fully deniable by the British government, and a ruthless force to meet the advancing Germans. The very first of these "butcher-and-bolt" units--the innocuously named Maid Honour Force--was led by Gus March-Phillipps, a wild British eccentric of high birth, and an aristocratic, handsome, and bloodthirsty young Danish warrior, Anders Lassen. Amped up on amphetamines, these assorted renegades and sociopaths undertook the very first of Churchill's special operations--a top-secret, high-stakes mission to seize Nazi shipping in the far-distant port of Fernando Po, in West Africa. Though few of these early desperadoes survived WWII, they took part in a series of fascinating, daring missions that changed the course of the war. It was the first stirrings of the modern special-ops team, and all of the men involved would be declared war heroes when it was all over. The Ministry of Ungentlemanly Warfare focuses on a dozen of these extraordinary men, weaving their stories of brotherhood, comradeship, and elite soldiering into a gripping narrative yarn, from the earliest missions to Anders Lassen's tragic death, just weeks before the end of the war.

A Savage War of Peace Pan Macmillan

The pulse-pounding sequel to DEPARTMENT 19 – “The best action horror story I have ever read” according to Bookzoneforboys...

After the Fire Penguin

Another history pageturner from the authors of the #1 bestsellers George Washington's Secret Six and Thomas Jefferson and the Tripoli Pirates. The War of 1812 saw America threatened on every side. Encouraged by the British, Indian tribes attacked settlers in the West, while the Royal Navy terrorized the coasts. By mid-1814, President James Madison's generals had lost control of the war in the North, losing battles in Canada. Then British troops set the White House ablaze, and a feeling of hopelessness spread across the country. Into this dire situation stepped Major General Andrew Jackson. A native of Tennessee who had witnessed the horrors of the Revolutionary War and Indian attacks, he was glad America had finally decided to confront repeated British aggression. But he feared that President Madison's men were overlooking the most important target of all: New Orleans. If the British conquered New Orleans, they would control the mouth of the Mississippi River, cutting Americans off from that essential trade route and threatening the previous decade's Louisiana Purchase. The new nation's dreams of western expansion would be crushed before they really got off the ground. So Jackson had to convince President Madison and his War Department to take him seriously, even though he wasn't one of the Virginians and New Englanders who dominated the government. He had to assemble a coalition of frontier militiamen, French-speaking Louisianans, Cherokee and Choctaw Indians, freed slaves, and even some pirates. And he had to defeat the most powerful military force in the world—in the confusing terrain of the Louisiana bayous. In short, Jackson needed a miracle. The local Ursuline nuns set to work praying for his outnumbered troops. And so the Americans, driven by patriotism and protected by prayer, began the battle that would shape our young nation's destiny. As they did in their two previous bestsellers, Kilmeade and Yaeger make history come alive with a riveting true story that will keep you turning the pages. You'll finish with a new understanding of one of our greatest generals and a renewed appreciation for the brave men who fought so that America could one day stretch “from sea to shining sea.”

Department 19 Atlantic Monthly Press

This book gives a historical and contemporary overview of the redistricting process, using North Carolina for the different political, electoral, and legal issues and debates over the practice of drawing legislative district boundaries. Redistricting has been characterized as "the most political activity in America," and North Carolina has often been at the heart of recent controversies over this particular activity. In fact, the Tar Heel state was once described as "long notorious for (its) outrageous reapportionment." Through legislative construction to significant legal challenges, the Tar Heel state has been a noted case study for the past thirty years. From the contentious issues of redistricting principles to the matters of gerrymandering, based on race and politics, North Carolina's past three decades have seen major U.S. Supreme Court cases deal with redistricting controversies. By exploring this state's dealings with gerrymandering and redistricting, readers will have a better sense of the dynamics facing the nation as it confronts the 2020 Census and the subsequent redistricting efforts in 2021. J. Michael Bitzer is Professor of Politics and History and holds the T.P. and J.C. Leonard Chair of Political Science at Catawba College, USA, where he teaches courses on State Politics, Southern Politics, Constitutional Law, and North Carolina Politics.

The Will to Battle HarperCollins Children's Books

An Edgar Award Finalist! The things I've seen are burned into me, like scars that refuse to fade. Before, she lived inside the fence. Before, she was never allowed to leave the property, never allowed to talk to Outsiders, never allowed to speak her mind. Because Father John controlled everything—and Father John liked rules. Disobeying Father John came with terrible consequences. But there are lies behind Father John's words. Outside, there are different truths. Then came the fire. "Genuinely different...thrilling and spellbinding!"—Patrick Ness, #1 New York Times bestselling author "The gripping story of survival and escape...It will keep you up late until you get to the very end."—Maureen Johnson, New York Times bestselling author of *Truly Devious*

Archaeology Behind the Battle Lines Tor Books

Department 19 still stands against the darkness. But for how much longer? Book four in the explosive series from bestselling author, Will Hill.
