GOODMAN SYLVIA

The French Revolution Allen & Unwin Australia

The French Revolution remains the most examined event and period in world history. Most historians would argue that it was the first "modern" revolution, an event so momentous that it changed the very meaning of the word revolution to its current connotation of a political and/or social upheaval that marks a decisive break with the past, moving the society in a forward or progressive direction. No revolution has occurred since 1789 without making reference to this first revolution, and most have been measured against it. When revolution shook the foundations of the Old Regime in France, shock waves reverberated throughout the western world. The A to Z of the French Revolution examines the causes and origins; the roles of significant persons; crucial events and turning points; important institutions and organizations; and the economic, social, and intellectual factors involved in the event that gave birth to the Declaration of the Rights of Man and Citizen, the introduction of universal manhood suffrage, and the Napoleonic Empire. An introductory essay, chronology, and comprehensive bibliography complement the more than 400 cross-referenced dictionary entries, making this a great resource for students and history enthusiasts alike.

The French Revolution DigiCat

The French Revolution brought momentous political, social, and cultural change. Life in Revolutionary France asks how these changes affected everyday lives, in urban and rural areas, and on an international scale. An international cast of distinguished academics and emerging scholars present new research on how people experienced and survived the revolutionary decade, with a particular focus on individual and collective agency as discovered through the archival record, material culture, and the history of emotions. It combines innovative work with student-friendly essays to offer fresh perspectives on topics such as: * Political identities and activism * Gender, race, and sexuality * Transatlantic responses to war and revolution * Local and workplace surveillance and transparency * Prison communities and culture * Food, health, and radical medicine * Revolutionary childhoods With an easy-to-navigate, three-part structure, illustrations and primary source excerpts, Life in Revolutionary France is the essential text for approaching the experiences of those who lived through one of the most turbulent times in world history.

The French Revolution and the Rise of Napoleon Cengage Learning

The French Revolution can be seen as an enormous explosion of civic energy with huge

ramifications for the rest of the world. In this balanced and accessible account, P.M Jones: Considers the build-up of pressure between 1787 and 1789 as the power of the ancien régime began to crumbleAnalyses the dramatic events that began with the taking of the Bastille in 1789 and led to the establishment of a radical new orderExamines the demise of the Republic in 1804 and assesses the wider significance of the revolutionary decade At the core of the Revolution lay the realisation among ordinary men and wom.

The French Revolution 1787-1804 Hackett Publishing

The College of Louis-le-Grand, now the premier lycée of France, is the only school with a connected history of education from the ancien régime to modern times. It was the only school never to close during the French Revolution, and its experience offers a new perspective on the fate of educational institutions in times of revolutionary change. In this book a noted historian describes the French college of the ancien régime and tells how it withstood crises of dissolution and reconstruction, dispersion of teachers and students, academic radicalism, loss of endowments, war, inflation, and political terror, to emerge in 1808 as a key element in Napoleon's Imperial University. R. R. Palmer's introduction illuminates the original documents, which are here translated for the first time. These documents supply valuable insight not only into the school's history, but also into the origins of the modern French educational system. From them emerges a portrait of the school's remarkable director, Jean-François Champagne, who guided his institution through the calamitous years of the Revolution. Originally published in 1975. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The French Revolution Princeton University Press

This new study of Napoleon emphasizes his ties to the French Revolution, his embodiment of its militancy, and his rescue of its legacies. Jordan's work illuminates all aspects of his fabulous career, his views of the Revolution and history, the artists who created and embellished his image, and much of his talk about himself and his achievements.

The French Revolution Springer

Napoleon and The End of The French Revolution covers the imprint the revolution had on Napoleon's life. As the author says, it culminated within him. Napoleon is shaped by the brutality of the event

and brings the brutality to order under his reign. Blending the two time periods, Napoleon capitalizes on all that has been destroyed in 19th century France.

Life in Revolutionary France Teacher Created Materials

From an award-winning historian, a “vivid” (Wall Street Journal) account of the revolution that created the modern world The French Revolution’s principles of liberty and equality still shape our ideas of a just society—even if, after more than two hundred years, their meaning is more contested than ever before. In *A New World Begins*, Jeremy D. Popkin offers a riveting account of the revolution that puts the reader in the thick of the debates and the violence that led to the overthrow of the monarchy and the establishment of a new society. We meet Mirabeau, Robespierre, and Danton, in all their brilliance and vengefulness; we witness the failed escape and execution of Louis XVI; we see women demanding equal rights and Black slaves wresting freedom from revolutionaries who hesitated to act on their own principles; and we follow the rise of Napoleon out of the ashes of the Reign of Terror. Based on decades of scholarship, *A New World Begins* will stand as the definitive treatment of the French Revolution.

The French Revolution Scarecrow Press

Excerpt from *The French Revolution and Napoleon* No historian believes that history repeats itself. Yet, between different ages there are frequently striking analogies and resemblances. It is problems that repeat themselves, not the conditions which determine their solution. One of these problems, recurrent in European annals, is that of the maintenance of a certain balance of power among the various nations as essential to their freedom, the maintenance of a situation to which they are accustomed and which they have found tolerable, a change in which would be prejudicial or dangerous to their peace and safety. Several times in modern history this balance has been threatened and Europe has purchased immunity from servitude by freely giving its life blood that life might remain and might be worth living. The French Revolution and Napoleon Princeton University Press

Explore the Captivating History of the French Revolution Few historical events are as greatly revered and entirely misunderstood as the French Revolution that began in 1789. The memory of this complicated and lengthy political, violent uprising has been generally painted in broad-and oversimplified-strokes. While the French Revolution was certainly centered around two lavish monarchs and an enlightened common class, there was so much more going on behind the scenes. Even after the abolition of the French monarchy, France struggled to find a balance between public self-governance and European stability. A fragile government, merely a shell of its former self following the Reign of Terror under Robespierre, was no match for the military and political prowess of Napoleon I. In *The French Revolution: A Captivating Guide to the Ten-Year Revolution in France*

and the Impact Made by Napoleon Bonaparte, you will discover topics such as A Brief History of the French Monarchy Philosophies of the Times France in the 18th Century Marie Antoinette, Madame Deficit Taxes, Famine, and the Enlightenment Sieyes' "What is the Third Estate?" The National Assembly Death of the Dauphin Bastille Day The First Mayor of Paris Declaration of the Rights of Man...and The Women's March France at War The Flight to Varennes Storming the Tuileries The Monarchy is Outlawed The Fate of the Colonies The Louisiana Purchase The Reign of Terror The New French Calendar Emperor Napoleon Bonaparte In the Days and Years Afterward And much, much more! The School of the French Revolution Evans Brothers

This book attempts to introduce students to the major events that make up the story of the French Revolution and to the different ways in which historians have interpreted them. It covers the relationship between France and the United States.

The French Revolution The Rosen Publishing Group, Inc

In this acclaimed work, Christopher Hibbert charts the French Revolution from its beginnings at an impromptu meeting on a tennis court at Versailles in 1789 right through to 1795 and the rise to power of Napoleon.

The French Revolution and Napoleon Bloomsbury Publishing

Economic inequality and abuse of power by the reigning government were two major factors in the outbreak of the French Revolution. The French peasants’ anger about these issues was so great that they turned to extreme violence, killing anyone who voiced dissent with the revolutionary cause. Informative sidebars and primary sources are presented alongside the engaging main text to help illustrate the danger of allowing social and economic disparity to remain unaddressed by governing bodies. A fact-filled timeline highlights key events before, during, and after the revolution.

The French revolution and Napoleon Cengage Learning

In this book Lynn Hunt and Jack R. Censer lucidly trace events from 1789 until the fall of Napoleon, stressing the global dimensions of the French Revolution and offering balanced coverage of both its causes and outcomes. In doing so, Hunt and Censer reaffirm its huge significance for the modern political world in the process. Hunt and Censer give due attention to global competition, fiscal crisis, slavery and the beginnings of nationalism alongside more traditional topics, such as human rights and constitutions, terror and violence, and the rise of authoritarianism. This global lens allows the authors to convincingly demonstrate how the French Revolution and Napoleonic Empire fundamentally altered the political landscapes of Europe, the Americas, North Africa and parts of Asia as well. The book also contains end-of-chapter questions, timelines and a wealth of primary source extracts for analysis and class discussion. This 2nd edition has been fully updated throughout and now includes: · A new first chapter which greatly enhances the wider 18th-century background material. It explains how events, trends, and personalities from the 1770s onwards created an opening that was turned into a world-shattering revolution. · A historiography textbox feature in each chapter that addresses topics and individuals like Louis XVI, terror, Robespierre and the Haitian Revolution. The feature sees two contrasting excerpts analysed and contextualized in each case. · 18 further images and 6 more maps for a stronger visual aspect and better geographical context.

The A to Z of the French Revolution Forgotten Books

This classic work on the French Revolution and Napoleonic era has been thoroughly updated to reflect the most recent scholarship on a magnificently complex epoch. Appropriate for upper-level French Revolution and Napoleonic era courses, this text's primary purpose is to give students the generally accepted "story" of the era and to furnish them with the basic knowledge to put in context the more sophisticated works listed in the bibliography.

Taking Liberties Allen Lane

The upheavals, terror, and drama of the French Revolutionary and Napoleonic period restructured politics and society on a grand scale, making this the defining moment for modern European history. This volume collects together a wide selection of primary texts to explain the process behind the enormous changes undergone by France and Europe between 1787 and 1815, from the Terror to the Counter-Revolution and from Marie-Antoinette to Robespierre and Bonaparte. While bringing the impact of historical events to life, Philip Dwyer and Peter McPhee provide a clear outline of the period through key documents and lucid introductory passages and commentary. They illustrate the meaning of the Revolution for peasants, sans-culottes, women, and slaves, as well as placing events within a wider European context. Students will find this an invaluable source of information on the Revolution as a whole as well as the international significance of the events.

Napoleon in His Own Words Heinemann

First published in 1995 to great critical acclaim, *The Wars of Napoleon* provides students with a comprehensive survey of the Napoleonic Wars around the central theme of the scale of French military power and its impact on other European states, from Portugal to Russia and from Scandinavia to Sicily. The book introduces the reader to the rise of Napoleon and the wider diplomatic and political context before analysing such subjects as how France came to dominate Europe; the impact of French conquest and the spread of French ideas; the response of European powers; the experience of the conflicts of 1799–1815 on such areas of the world as the West Indies, India and South America; the reasons why Napoleon's triumph proved ephemeral; and the long-term impact of the period. This second edition has been revised throughout to include a completely rewritten section on collaboration and resistance, a new chapter on the impact of the Napoleonic Wars in the wider world and material on the various ways in which women became involved in, or were affected by, the conflict. Thoroughly updated and offering students a view of the subject that challenges many preconceived ideas, *The Wars of Napoleon* remains an essential resource for all students of the French Revolutionary Wars as well as students of European and military history during this period.

The French Revolution, Napoleon, and the Republic Facts On File

Explores the causes and consequences of the French Revolution.

France Under Napoleon Routledge

The Wars of the French Revolution, 1792–1801 offers a comprehensive and jargon-free coverage of this turbulent period and unites political, social, military and international history in one volume.

Carefully designed for undergraduate students, through twelve chapters this book offers an introduction to the origins and international context of the French Revolution as well as an in-depth examination of the reasons why war began. Aspects unpicked within the book include how France acquired a de facto empire stretching from Holland to Naples; the impact of French conquest on the areas concerned; the spread of French ideas beyond the frontiers of the French imperium; the response of the powers of Europe to the sudden expansion in French military power; the experience of the conflicts unleashed by the French Revolution in such areas as the West Indies, Egypt and India; and the impact of war on the Revolution itself. Offering extensive geographical coverage and challenging many preconceived ideas, *The Wars of the French Revolution, 1792–1801* is the perfect resource for students of the French Revolution and international military history more broadly.

Access to History: France in Revolution 4th Edition Routledge

A Short History of the French Revolution is an up-to-date survey of the French Revolution and Napoleonic era that introduces readers to the origins and events of this turbulent period in French history, and historians' interpretations of these events. The book covers all aspects of the Revolution, including the political, social, and cultural origins of the Revolution, and its causes, events, and aftermath, to provide readers with a full, and yet concise, overview of the Revolution that helps them easily understand the key elements of the subject. Fully updated and revised, this new edition allows students to engage with the most current work on the subject with increased attention given to women's role in the Revolution, full coverage of the struggles over race and slavery, a new emphasis on the populist element in revolutionary politics, and an expanded discussion of the historiography of the era. Supported by learning objectives, critical thinking questions, and suggestions for further reading, this is the perfect introduction to the French Revolution for students of French and European History in the late eighteenth century.

The Revolutionary and Napoleonic Era, 1789–1815 Routledge

The modern era has unfolded in the shadow of the French Revolution. Almost all future revolutionary movements looked back to the Revolution as their predecessor. Its central phrases and cultural symbols, such as *La Marseillaise* and *Liberté, fraternité, égalité, ou la mort*, became the clarion call for other major upheavals in modern history, including the Russian Revolution over a century later. The values and institutions of the Revolution dominate French politics to this day. The Revolution resulted in the suppression of the feudal system, emancipation of the individual, a greater division of landed property, abolition of the privileges of noble birth, and nominal establishment of equality among men. The French Revolution differed from other revolutions in being not only national, for it intended to benefit all humanity. Contents: Old Regime in Europe The Old Regime in France Beginnings of the Revolution The Making of the Constitution The Legislative Assembly The Convention The Directory The Consulate The Early Years of the Empire The Empire at Its Height The Decline and Fall of Napoleon
