NATIONAL BESTSELLER • Pope Francis illuminates the Lord's Prayer, the most important prayer in all of Christianity, offering readers a guide to living a life of meaning, purpose and strength. In conversation with Father Marco Pozza, a theologian and prison chaplain in Padua, Italy, Pope

Francis offers unprecedented insight into Jesus's most profound words, as he explores the importance of embracing social justice, benevolence, and forgiveness in our hearts and minds. Looking to address the concerns and hopes of today's men and women, *Our Father: Reflections on the Lord's Prayer* is a guide to living a life full of meaning, purpose, and strength. "We need courage to pray the Our Father," writes Pope Francis, "to truly believe that God is the Father who accompanies us, forgives us, gives us bread, is attentive to all that we ask, clothes us even better than the flowers of the field. To believe is a big risk." Challenging this doubt and fear, he issues a call to "dare . . . help oneanother to dare." With excerpts from some of the Pontiff's most cherished teachings, this beautiful work offers words of encouragement and inspiration for all who are seeking hope and direction in our often tumultuous world.

Origen's *On First Principles* is a foundational work in the development of Christian thought and doctrine: it is the first attempt in history at a systematic Christian theology. For over a decade it has been out of print with only expensive used copies available; now it is available at an affordable price and in a more accessible format. *On First Principles* is the most important surviving text written by third-century Church father, Origen. Origen wrote in a time when fundamental doctrines had not yet been fully articulated by the Church, and contributed to the very formation of Christianity. Readers see Origen grappling with the mysteries of salvation and brainstorming how they can be understood. This edition presents G. W. Butterworth's trusted translation in a new, more readable format, retains the introduction by Henri de Lubac, and includes a new foreword by John C. Cavadini. As St. Gregory of Nazianzus, Doctor of the Church, wrote: "Origen is the stone on which all of us were sharpened."
