Enter RODERIGO and IAGORODERIGOTush! never tell me; I take it much unkindly That thou, Iago, who hast had my purse As if the strings were thine, shouldst know of this.IAGO'Sblood, but you will not hear me: If ever I did dream of such a matter, Abhor me.RODERIGOThou told'st me thou didst hold him in thy hate.IAGODespise me, if I do not. Three great ones of the city, In personal suit to make me his lieutenant, Off-capp'd to him: and, by the faith of man, I know my price, I am worth no worse a place: But he; as loving his own pride and purposes, Evades them, with a bombast circumstance Horribly stuff'd with epithets of war; And, in conclusion, Nonsuits my mediators; for, 'Certes, ' says he, 'I have already chose my officer.' And what was he? Forsooth, a great arithmetician, One Michael Cassio, a Florentine, A fellow almost damn'd in a fair wife; That never set a squadron in the field, Nor the division of a battle knows More than a spinster; unless the bookish theoretic, Wherein the togged consuls can propose As masterly as he: mere prattle, without practise, Is all his soldiership. But he, sir, had the election: And I, of whom his eyes had seen the proof At Rhodes, at Cyprus and on other grounds Christian and heathen, must be be-lee'd and calm'd By debtor and creditor: this counter-caster, He, in good time, must his lieutenant be, And I-God bless the mark!-his Moorship's ancient

Othello Guided GCSE Revision Notebook Routledge

Throughout Bobby Wabalanginy's young life the ships have been arriving, bringing European settlers to the south coast of Western Australia, where Bobby's people, the Noongar people, have always lived. Bobby, smart, resourceful and eager to please, has befriended the settlers, joining them as they hunt whales, till the land, and work to establish their new colony. He is welcomed into a prosperous white family and eventually finds himself falling in love with the daughter, Christine. But slowly - by design and by hazard - things begin to change. Not everyone is so pleased with the progress of the white colonists. Livestock mysteriously starts to disappear, crops are destroyed, there are 'accidents' and injuries on both sides. As the Europeans impose ever-stricter rules and regulations in order to keep the peace, Bobby's Elders decide they must respond in kind, and Bobby is forced to take sides, inexorably drawn into a series of events that will for ever change the future of his country. That Deadman Dance is haunted by tragedy, as most stories of first contact between European and native peoples are. But through Bobby's life, this novel exuberantly explores a moment in time when things might have been different, when black and white lived together in amazement rather than fear of the other, and when the world suddenly seemed twice as large and twice as promising.

Othello SparkNotes Literature Guide Pearson UK

Taking the classical view that the political shapes man's consciousness, Allan Bloom considers Shakespeare as a profoundly political Renaissance dramatist. He aims to recover Shakespeare's ideas and beliefs and to make his work once again a recognized source for the serious study of moral and political problems. In essays looking at Julius Caesar, Othello, and The Merchant of Venice, Bloom shows how Shakespeare presents a picture of man that does not assume privileged access for only literary criticism. With this claim, he argues that political philosophy offers a comprehensive framework within which the problems of the Shakespearean heroes can be viewed. In short, he argues that Shakespeare was an eminently political author. Also included is an essay by Harry V. Jaffa on the limits of politics in King Lear. "A very good book indeed . . . one which can be recommended to all who are interested in Shakespeare." —G. P. V. Akrigg "This series of essays reminded me of the scope and depth of Shakespeare's original vision. One is left with the impression that Shakespeare really had figured out the answers to some important questions many of us no longer even know to ask."—Peter A. Thiel, CEO, PayPal, Wall Street Journal Allan Bloom was the John U. Nef Distinguished Service Professor on the Committee on Social Thought and the co-director of the John M. Olin Center for Inquiry into the Theory and Practice of Democracy at the University of Chicago. Harry V. Jaffa is professor emeritus at Claremont McKenna College and Claremont Graduate School.

Othello, William Shakespeare Cliffs Notes

The book offers a brief plot synopsis, a double-page graphic overview and insight into the text, a short introduction to major characters and themes and a who's who in the text - introducing a cameo icon for each major character. It explains major and minor themes in the texts - introducing thematic icons, gives a detailed commentary on the text, linked closely to the text for ease of reference, and features icons to enable flexible following of themes and characters. There is also a

self-test quiz for each section, focusing on skills that will be required for coursework and exams and a checklist of important quotes. Guidance on structure and content of exam essays is given with examples of questions.

Essaying Shakespeare University of Chicago Press

In a period of ten years, Shakespeare wrote a series of tragedies that established him, by universal consent, in the front rank of the world's dramatists. Critics have praised either Hamlet or King Lear as the greatest of these; Ernst Honigmann, in the most significant edition of the play for a generation, asks: why not Othello? The third of the mature tragedies, it contains, as Honigmann persuasively demonstrates, perhaps the best plot, two of Shakespeare's most original characters, the most powerful scene in any of the plays and poetry second to none. Honigmann's cogent and closely argued introduction outlines the reasons both for a reluctance to recognise the greatness of Othello and for the case against the play. This edition sheds new light on the text of the play as we have come to know it, and on our knowledge of its early history. Honigmann examines the major critical issues, the play in performance and the relationship between reading it and seeing it. He also explores topics such as its date, sources and the conundrum of 'double time'. Honigmann's extensive knowledge illuminates this play at every turn, making this the best edition of Othello now available. Brian Vickers, *Review of English Studies*

The Tragedy of Othello, the Moor of Venice Broadview Press

The story of Desdemona from Shakespeare's Othello is re-imagined by Nobel Prize laureate Toni Morrison, Malian singer and songwriter Rokia Traoré, and acclaimed stage director Peter Sellars. Morrison's response to Othello is an intimate dialogue of words and music between Desdemona and her African nurse Barbary. Morrison gives voice and depth to the female characters, letting them speak and sing in the fullness of their hearts. Desdemona is an extraordinary narrative of words, music and song about Shakespeares doomed heroine, who speaks from the grave about the traumas of race, class, gender, war and the transformative power of love. Toni Morrison transports one of the most iconic, central, and disturbing treatments of race in Western culture into the new realities and potential outcomes facing a rising generation of the 21st century.

Othello Hodder Education

Although other Shakespeare plays offer higher body counts, more gore, and more plentiful scenes of heartbreak, Othello packs an unusually powerful affective punch, stunning us with its depiction of the swiftness and thoroughness with which love can be converted to hatred, and forcing us to

confront our complicity with social and political institutions that can put all of us—but especially the most vulnerable among us—at risk. This edition features a variety of interleaved materials—from maps and manuscripts to illustrations and extended discussions of myth and politics—that provide a context for the social and cultural allusions in the play. Appendices offer excerpts from Shakespeare's key sources and historical materials on marriage, jealousy, and the treatment of people of African descent in Renaissance England. A collaboration between Broadview Press and the Internet Shakespeare Editions project at the University of Victoria, the editions developed for this series have been comprehensively annotated and draw on the authoritative texts newly edited for the ISE. This innovative series allows readers to access extensive and reliable online resources linked to the print edition.
