Find Your Creative Self in the Kaleidoscope of Beads & Color "Beading and my spiritual path are intricately interwoven. It would be difficult for me to separate the two because they are so completely intertwined with one another.

As I sit and weave with my beads, I allow the Creative Spirit to flow through me, and though my hands are doing the work, another force is actively participating in the process. This force is a transmission of Spirit that fills me with deep inner peace and joy as I bead. As a result, the practice of my art form has become a creative path to my sacred center." —from the Introduction

Believing that beading is a form of meditation through which we can access the Creative Spirit that is always present in us, master bead artist Rev. Wendy Ellsworth offers multiple ways to explore beading as a spiritual journey of self-discovery. Each of the seven chapters is rich with personal stories, exercises, and beading projects, and each project has a meditative experience to encourage a

contemplative spirit and creative play. The project results are beautiful, meaningful symbols designed by a master bead artist for both novice and experienced beaders alike. Original projects include: • Geometric Mandala • Personal Mandala • Personal Prayer Beads • Beaded Prayer Pouch • Goddess Archetype Necklace • Beaded Stick Figure Goddess • Chakra Necklace • Chakra Flower Sculpture • Free-form Gourd Stitch Bracelet • Ruffled Cabochon Brooch • Dutch Spiral Necklace • Spiral Vessel • Song Beads • Herringbone Stitch Cuff with Freshwater Pearls

ASSOCIATED PRESS RELEASE: Mandala Pattern Coloring Book for Adults Volume 3 Released Online June, 2014 --- Mandala patterns are beautiful geometric creations that are found almost anywhere in the world. They showcase great works of balance, complexity and artistry. Because of the many interweaving circles, lines and shapes of the Mandala pattern, many have also used it for architectural designs, graphic work, and even as designs for crocheted fabrics. In line with this, Richard

Hargreaves, owner of Ironpower Publishing has released Mandala coloring books for adults that feature a wide variety of patterns that are not only aesthetically pleasing, they are also fun to color in as artworks. As a matter of fact, Ironpower Publishing has recently announced the release of the third volume for their Mandala coloring pages with even more unique and intricate patterns to see and color. Made available online through Amazon's website, the pattern coloring book is meant for adults as each mandala pattern is printed on its own page and can later be framed or displayed as a personal artwork. Having said this, these Mandalas to color are also good for young adults and older children as it can also help develop their mind for

creativity and help them understand complex patterns and designs apart from just being able to color. This gives individuals freedom to add in color however they desire without any limitations. The Mandala coloring book volume 3 offer 50 new and wonderful patterns that are just as fun and entertaining to color in as the first two previous volumes. These new patterns resemble attractive tile designs, or prints on fabrics and they are even featured in stain glass creations and many building aesthetics. The third volume draws from mandala patterns and through the use of weaving and repetitive patterns that work together to create a design that's beautiful, unique and complex. By printing only one pattern on one side of a page, the book gives colorists the best

coloring experience. Additionally, users can color in the patterns and frame them into their own works of art without sacrificing another pattern in the process. This also opens opportunities when it comes to using different coloring materials giving more depth and beauty to the piece. According to Richard Hargreaves, "The Mandala pattern coloring pages for adults is a unique and wonderful way for people to express their creativity and love for patterns, art and coloring in general. The beauty of using mandala patterns as your coloring framework is that you are only limited by your imagination. Many individuals would purchase several of these pattern coloring pages just to be able to present different color variations and combinations on the same pattern."

Whether you're a coloring enthusiast who loves coloring books, or an adult who is into painting and creating unique artworks, Ironpower publishing's Mandala coloring books is a great medium for creating stylish and personalized pieces of artworks.

Crochet Mandala: 17 Amazing Crochet Mandala Projects If this is your first time crocheting mandalas, I should warn you. You will become obsessed with them in no time! A mandala is basically a circle, and throughout centuries, it has been a symbol of completion. In art and religion, this ancient symbol combines with other circular patterns to give the whole item a spiritual significance. Generally, mandalas allow you to play with colors, but when you have more complex patterns, it is better to use just one color so that the focus is on the intricate pattern. How to use these flat crocheted

circles? The main function of mandalas is to be decorative. So, they can be used as chair pads if they are thick enough. Either one or double-layered, structured or lace, you can also use mandalas as coasters, trivets, table covers, etc. Mandalas make great rugs, and you can even use old T-shirts to make T-shirt yarn. Need more ideas? In this book, you will find 17 lovely patterns that will give you an opportunity not only to make your coasters, rugs, and wall decorations, but you will be also able to use them for a variety of projects centered on a mandala motif.  One great thing about mandalas I
 especially like is that they can be a form
 of self-care. What I mean is that this is a
 way of meditation, a way that calms you
 down as it draws your attention only on
 the pattern itself. So, pick a pattern,
