A riveting true story of
murder and detection in

15th-century Paris, by one
of the most brilliant
medievalists of his
generation. On a chilly
November night in 1407,
Louis of Orleans was
murdered by a band of
masked men. The crime
stunned and paralyzed

France since Louis had
often ruled in place of his
brother King Charles, who
had gone mad. As panic
seized Paris, an
investigation began. In
charge was the Provost of
Paris, Guillaume de
Tignonville, the city's

chief law enforcement officer -- and one of history's first detectives. As de Tignonville began to investigate, he realized that his hunt for the truth was much more dangerous than he ever could have imagined. A rich portrait of a distant world, *Blood Royal* is a gripping story of conspiracy, crime and an increasingly desperate hunt for the truth. And in *Guillaume de Tignonville*, we have an unforgettable detective for the ages, a classic gumshoe for a cobblestoned era.

The idea of contagious transmission, either by material particles or by infectious ideas, has played a powerful role in the development of the Western World since antiquity. Yet it acquired quite a precise signature during the process of scientific and cultural differentiation in the 19th and early 20th centuries. This volume explores the significance and cultural functions of contagionism in this period, from

notions of infectious homosexuality and the concept of social contagion to the political implications of bacteriological fieldwork. The history of the concept 'microbe' in aesthetic modernism is addressed as well as bacteriological metaphors in American literary historiography. Within this broad framework, contagionism as a literary narrative is approached in more focussed contributions: from its emotional impact in literary modernism to the idea of physical or

psychic contagion in authors such as H.G. Wells, Kurt Lasswitz, Gustav Meyrinck, Ernst Weiss, Thomas Mann and Max Frisch. This twofold approach of general topics and individual literary case studies produces a deeper understanding of the symbolic implications of contagionism marking the boundaries between sick and healthy, familiar and alien, morally pure and impure.

Allgemeines englisch-deutsches und deutsch-englisches wörterbuch: Deutsch-englisch Open Road + Grove/Atlantic
Als dezidierter Beitrag zur Kunst- und Kulturgeschichte des Politischen fragt das Buch nach der Inanspruchnahme von Kunst zur Herrschaftsrepräsentation , nach Ritualen und Zeichensystemen der Macht am französischen Königshof in der ersten Hälfte des 16.

Jahrhunderts.
Kunstförderung und Herrschaftshandeln werden hierbei als strukturhomologe Strategien eines (früh)modernen Politikmodells analysiert. Die Entscheidung für einen spezifisch "modernen" Kunststil - den italienischen Manierismus - wurde für den französischen König François Ier zum Politikum: Er schuf sich in Fontainebleau ein Reich mit künstlerischen Mitteln, über das er jederzeit im Sinne der Deutungshoheit

als Herrschaftsakt verfügen konnte. Kunstwerke von Rosso Fiorentino, Benvenuto Cellini und Primaticcio, die in ihrer Skurrilität und Vielschichtigkeit die sinnliche Ausgangsevidenz für eine lohnende Betrachtung bieten; historische Szenen auf höchster machtpolitischer Ebene, die sich in ihrer kommunikativen und zeremoniellen Funktion erst dem ethnographisch-verfremdenden Blick erschließen; schließlich ein höfisches Milieu, in

dem Intellekt, Macht, Witz, Hermetik und Erotik eine unauflösliehe Verbindung eingehen: Was könnten reizvollere Quellen für die Erschließung der Spezifika von Manierismus und Herrschaftspraxis am französischen Hof im Kontext des europäischen Mächtessystems nach 1500 sein?

A death-row inmate gives her confession—a hair-raising tale of sex, drugs and murder across Oklahoma—in this “vividly realized” novel (The New York Times Book Review). Marjorie Standiford has quite a story to tell. And on the eve of her execution for a sensational murder spree, she’s giving every detail, just as she remembers them, to the famous novelist who has come to record it all. Of course, Marjorie contends that she didn’t do any killing. That was all Lamont, her

boyfriend, and Natalie, their girlfriend, while Marjorie got high and took care of the baby. But she was in it just the same, careening across the desert plains of Oklahoma, fueled by lust, crime, cars, drugs—speed in all its forms. *The Speed Queen* is the story of a terrifying voyage into the dark soul of America’s Heartland. From acclaimed author Stewart O’Nan—selected by *Granta* as one of the Best Young American Novelists—this is “classic American noir” in the

tradition of James M. Cain (San Francisco Chronicle).

The Speed Queen

This comprehensive guide is an ideal reference work for film specialists and enthusiasts. First published in 1984 but continuously updated ever since, *CineGraph* is the most authoritative and comprehensive encyclopedia on German-speaking cinema in the German language. This condensed and substantially revised English-language edition makes this important

resource available to students and researchers for the first time outside its German context. It offers a representative historical overview through bio-filmographical entries on the main protagonists, from the beginnings to the present day. Included are directors and actors, writers and cameramen, composers and production designers, film theorists and critics, producers and distributors, inventors and manufacturers. An appendix includes short introductory essays on

specific periods and movements, such as Early Film, Weimar, Nazi Cinema, DEFA, New German Cinema, and German film since unification, as well as on cinematic developments in Austria and Switzerland. Sections that crossreference names around specific professional groups and themes will prove equally invaluable to researchers. The Concise Cinegraph Camden House
Die USA sind ein Land der Bilder und visuellen Symbole. Western-

Landschaft, Weißes Haus, Wolkenkratzer - nationale Ikonografien haben globale Bedeutung erlangt. Was ist das Spezifische der amerikanischen Bilder? Und wie hat es die Fantasien und Selbstbilder der amerikanischen Kultur, aber auch global zirkulierende Bildwelten geprägt? In fünf Überblicksdarstellungen mit zahlreichen Abbildungen entwirft das Buch die Geschichte der amerikanischen visuellen Kultur. Es beschreibt erstmalig in gebündelter

Form die Entwicklung von Malerei, Fotografie, Film, Fernsehen und Neuen Medien vom 17. Jahrhundert bis in die Gegenwart. Mit Beiträgen von Astrid Böger, Christof Decker, Bettina Friedl, Randi Gunzenhäuser und Ralph J. Poole.
Thieme-Preusser Walter de Gruyter
Im Anschluß an die Sammelbände »Literatur und Kriminalität« (1983, STSL 8) und »Erzählte Kriminalität« (1991, STSL 27) untersuchen die Beiträge des Bandes Diskurse der

gesellschaftlichen Konstruktion von Devianz, Kriminalität und Justiz und exemplarische Konstellationen ihrer (massen-)medialen Repräsentation im 20. Jahrhundert. Theoretische Überlegungen zum Zusammenhang von "Übertretung² und "Ordnung" auf der Basis neuerer Forschungen zur Repräsentation von Verbrechen und Justiz in Deutschland und den USA sowie Beiträge zu kriminologischen, juristischen und politischen Diskursen der

Gegenwart erleichtern darüber hinaus die systematische und historische Verortung der Fallstudien.
Bulletin of the New York Public Library Berghahn Books
Today we associate the Renaissance with painting, sculpture, and architecture—the “major” arts. Yet contemporaries often held the “minor” arts—gem-studded goldwork, richly embellished armor, splendid tapestries and embroideries, music, and ephemeral multi-media

spectacles—in much higher esteem. Isabella d’Este, Marchesa of Mantua, was typical of the Italian nobility: she bequeathed to her children precious stone vases mounted in gold, engraved gems, ivories, and antique bronzes and marbles; her favorite ladies-in-waiting, by contrast, received mere paintings. Renaissance patrons and observers extolled finely wrought luxury artifacts for their exquisite craftsmanship and the symbolic capital of their components;

paintings and sculptures in modest materials, although discussed by some literati, were of lesser consequence. This book endeavors to return to the mainstream material long marginalized as a result of historical and ideological biases of the intervening centuries. The author analyzes how luxury arts went from being lofty markers of ascendancy and discernment in the Renaissance to being dismissed as “decorative” or “minor” arts—extravagant trinkets

of the rich unworthy of the status of Art. Then, by re-examining the objects themselves and their uses in their day, she shows how sumptuous creations constructed the world and taste of Renaissance women and men. Die Landschaften der Britischen Inseln transcript Verlag For many years, the history of Byelorussia under Nazi occupation was written primarily from the perspective of the resistance movement. This movement, a reaction to the brutal

occupation policies, was very strong indeed. Still, as the author shows, there existed in Byelorussia a whole web of local institutions and organizations which, some willingly, others with reservations, participated in the implementation of various aspects of occupation policies. The very sensitivity of the topic of collaboration has prevented researchers from approaching it for many years, not least because in the former Soviet territories ideological considerations

have played an important role in preserving the topic's "untouchable" status. Focusing on the attitude of German authorities toward the Byelorussians, marked by their anti-Slavic and particularly anti-Byelorussian prejudices on the one hand and the motives of Byelorussian collaborators on the other, the author clearly shows that notwithstanding the postwar trend to marginalize the phenomenon of collaboration or to silence it altogether, the local

collaboration in Byelorussia was clearly visible and pervaded all spheres of life under the occupation.

#1 New York Times Bestselling Author
Major Crimes Unit detective
Tom Wade secretly worked with the Feds to nail seven of his fellow cops for corruption...turning him into a pariah in the police department. So he's exiled to patrol a beat in

King City's deadliest neighborhood...with no back-up, no resources, and no hope of survival. Now Wade fights to tame the lawless, poverty-stricken wasteland...while investigating a string of brutal murders of young women. It's a case that takes him from the squalor of the inner-city to the manicured enclaves of the privileged, revealing the sordid and deadly ways the two worlds are intertwined...making his enemies even more determined to crush him. But for Tom Wade,

backing down is never an option...even if it will cost him his life. It's one reason why bestselling author Janet Evanovich calls Wade "an unforgettable and deeply compelling character in the most original crime novel to come along in years."
