Peterson's Two-Year Colleges 2014 includes information on more than 1,900 accredited two-year undergraduate institutions in the United States and Canada, as well as some international schools. It also includes detailed two-page descriptions written by admissions personnel. College-bound students and their parents can research community and two-year colleges and universities for information on campus setting, enrollment, majors, expenses, student-faculty ratio, application deadline, and contact information. You'll also find helpful articles on what you need to know about two-year colleges: advice for adult students on transferring and returning to school ; how to survive standardized tests; what international students need to know about admission to U.S. colleges; how to manage paying for college; and interesting "green" programs at two-year colleges, and much more.

This workbook is meant to introduce your child to the skills her or she will need in kindergarten. By practicing each of the skills taught in this workbook, your child will be ready for academic success.

The American Almanac and Repository of Useful Knowledge for the Year ... Arkw

A street-smart tale about a displaced teen who learns to defend what's right-the Cowboy Way. When Cole's mom dumps him in the mean streets of Philadelphia to live with the dad he's never met, the last thing Cole expects to see is a horse, let alone a stable full of them. He may not know much about cowboys, but what he knows for sure is that cowboys aren't black, and they don't live in the inner city. But in his dad's 'hood, horses are a way of life, and soon Cole's days of skipping school and getting in trouble in Detroit have been replaced by shoveling muck and trying not to get stomped on. At first, all Cole can think about is how to ditch these ghetto cowboys and get home. But when the City threatens to shut down the stables-- and take away the horse Cole has come to think of as his own-- he knows that it's time to step up and fight back. Inspired by the little-known urban riders of Philly and Brooklyn, this compelling tale of latter-day cowboy justice champions a world where your friends always have your back, especially when the chips are down.

From Super Bowl champion and literacy crusader Malcolm Mitchell comes an exciting new story that shows even reluctant readers that there is a book out there for everyone! Meet Henley, an all-around good kid, who hates to read. When he's supposed to be reading, he would rather do anything else. But one day, he gets the scariest homework assignment in the world: find your favorite book to share with the class tomorrow. What's a kid to do? How can Henley find a story that speaks to everything inside of him? Malcolm Mitchell, bestselling author of *The Magician's Hat*, pulls from his own literary triumph to deliver another hilarious and empowering picture book for readers of all abilities. Through his advocacy and his books, Malcolm imparts the important message that every story has the potential to become a favorite.
