A dazzling look at the most elusive figure in Christ's life Mary Magdalene was a key figure in Christ's life. She was present at his Crucifixion and she was also the first person to see him resurrected. According to Dan Brown's multi-million selling THE DA VINCI CODE, she was also his wife and the mother of his children. In the Gospels, she is described as an outcast and a harlot. This may be due to the disciples' jealousy of Jesus' love for Mary and the closeness of his relationship with her that was not replicated in his relationships with them. In SECRETS OF MARY MAGDALENE, Dan Burstein explodes the myths and analyses who Mary Magdalene was, the true nature of her relationship with Christ and her role in the Christian faith. Did Mary write her own Gospel? If so, what did it say? Where did she come from? Was she Jewish? How did she live? So many questions exist about this lady, Google can find mention of her on 1,740,000 sites in 0.3 seconds. This book will find the answers.

Mary Magdalene Revealed Penguin

In "Sister: Exploring The Gospel of Mary Magdalene," Frank Dappah takes readers on a captivating journey of discovery into the life and teachings of Mary Magdalene. Delving beyond the familiar narratives, this thought-provoking book examines the Gospel of Mary and presents a fresh perspective on one of the most enigmatic figures in Christian history. Dappah combines rigorous research with insightful analysis to shed light on Mary Magdalene's role in the life of Jesus and her place within early Christianity. Drawing upon the Gospel of Mary and the works of notable scholars, such as Karen L. King, Elaine Pagels, Bart D. Ehrman, and Bruce Chilton, this book offers a comprehensive exploration of Mary Magdalene's significance. Through engaging storytelling, Dappah uncovers the profound wisdom embedded within the Gospel of Mary, inviting readers to contemplate its relevance for contemporary spiritual seekers. With chapters dedicated to topics like the sacred feminine, liberation, and empowerment, this book challenges conventional perspectives and invites readers to embrace a deeper understanding of spirituality. "Sister" is a must-read for intellectually curious individuals seeking to unravel the mysteries surrounding Mary Magdalene and the Gospel of Mary. It encourages readers to question established narratives, explore diverse viewpoints, and embark on a transformative journey of self-discovery and spiritual growth. Prepare to be captivated by the rich tapestry of Mary Magdalene's story as Frank Dappah invites you to rediscover the wisdom of a remarkable woman whose voice resonates across the ages.

[Mary Magdalene Understood](#) Hachette UK

Mary Magdalene was real. Her life challenges, struggles, and joys were real. Her life was truly transformed by Jesus. Therefore, it must be possible to "unearth" pieces of what was real by digging through the layers of two thousand years of reflection about her. In the process of discovery, may we "unveil the mystery" that Mary Magdalene embodies, and glean treasures for our own life that can inspire purpose and meaning.

[The Gospel of Mary of Magdala](#) Simon and Schuster

In this first book of a trilogy on the life of Mary Magdalene, Estelle Isaacson presents her visions of the life of "the Apostle to the Apostles" as seen through Magdalene's own eyes. Following a Prologue "in the starry heavens," Part One encompasses Magdalene's childhood, her journeys and education in Egypt, her struggle with temptations, and her conversion. Part Two takes the reader through some of Magdalene's experiences as she lays down her former life and follows Jesus as his disciple. Part Three visits the Lazarus mysteries and includes revelations concerning his initiation, death, and resurrection. Part Four comprises five appendices presenting subsidiary visions. Among these are two visions of Magdalene's mysterious sister Silent Mary, a figure otherwise unknown except through the earlier visions of the Catholic stigmatist Anne Catherine Emmerich (1774-1824). The book is graced with many illustrations by James J. Tissot (1836-1902), whose work resonates also with Estelle in a very special way, the artist's depictions being so very close to what she herself witnesses in vision. Those who find this volume valuable and inspiring will be glad to know of two further volumes of the trilogy, and that works on other subjects drawn from the ongoing wellspring of Estelle's visions will follow. Book II of the Magdalene trilogy is subtitled From Initiation to the Passion, and Book III is subtitled From the Ascension to Journeys in Gaul. "Estelle invites us to stand witness by her side, in community with the Logos and with Sophia. She tells us we need not wait until we are perfect, for Christ comes to us now!" -From the Introduction "This book is a truly remarkable work on Mary Magdalene, in which the mysteries she lived through are re-experienced through her eyes in a most touching and tangible way." -Robert Powell, author The Mystery, Biography & Destiny of Mary Magdalene.

"An extraordinary novel . . . a triumph of insight and storytelling." —Associated Press "A true masterpiece." —Glennon Doyle, author of Untamed An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of The Secret Life of Bees and The Invention of Wings In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with

eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, The Book of Longings is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

[Mary Magdalene](#) Mercedes Kinkel

The book begins with a visit to the long-neglected site of ancient Magdala on the western shore of the Sea of Galilee. Unexcavated and slipping into the sea, Migdal stands as a reminder of the lost history of Mary Magdalene, and of ancient women. From Migdal, the reader moves back in history, looking through Mary's legends to her fame and notoriety. Mary's medieval and modern legends are contrasted sharply with her depiction in the Gnostic and apocryphal materials of Tomas and Philip. The scrolls of Nag Hammadi are discussed, and Mary's role as visionary and leader are looked at, all giving a portrait of Mary's prominence in the early centuries of Christianity. Mary's story is part of an overall egalitarian and mystical movement that interpreted the absence of Jesus' body as a powerful and prophetic sign of God's vindication of the world's suffering. The conclusion takes us back to the contemporary world. A reconstruction of Mary Magdalene and a Magdalene Christianity might be a source for social transformation. An epilogue, completely new to this book, looks at the phenomenon of The Da Vinci Code.

Lost for more than fifteen hundred years, the Gospel of Mary is the only existing early Christian gospel written in the name of a woman. Karen L. King tells the story of the recovery of this remarkable gospel and offers a new translation. This brief narrative presents a radical interpretation of Jesus' teachings as a path to inner spiritual knowledge. It rejects his suffering and death as a path to eternal life and exposes the view that Mary Magdalene was a prostitute for what it is--a piece of theological fiction. The Gospel of Mary of Magdala offers a glimpse into the conflicts and controversies that shaped earliest Christianity.

[Mary, Called Magdalene](#) Penguin

--WALL STREET JOURNAL BESTSELLER-- The Gospel of Mary Magdalene reveals a very different love story from the one we've come to refer to as Christianity. Harvard-trained theologian Meggan Watterson leads us verse by verse through Mary's gospel to illuminate the powerful teachings it contains. A gospel, as ancient and authentic as any of the gospels that the Christian bible contains, was buried deep in the Egyptian desert after an edict was sent out in the 4th century to have all copies of it destroyed. Fortunately, some rebel monks were wise enough to refuse-and thanks to their disobedience and spiritual bravery, we have several manuscripts of the only gospel that was written in the name of a woman: The Gospel of Mary Magdalene. Mary's gospel reveals a radical love that sits at the heart of the Christian story. Her gospel says that we are not sinful; we are not to feel ashamed or unworthy for being human. In fact, our purpose is to be fully human, to be a "true human being"- that is, a person who has remembered that, yes, we are a messy, limited ego, and we are also a limitless soul. And all we need to do is to turn inward (again and again); to meditate, like Mary Magdalene, in the way her gospel directs us, so that we can see past the ego of our own little lives to what's more real, and lasting, and infinite, and already here, within. With searing clarity, Watterson explains how and why Mary Magdalene came to be portrayed as the penitent prostitute and relates a more historically and theologically accurate depiction of who Mary was within the early Christ movement. And she shares how this discovery of Mary's gospel has allowed her to practice, and to experience, a love that never ends, a love that transforms everything.

A deadly political rivalry that ended in two brutal executions...An intricate love triangle that altered the course of history...A religious revolution that changed the world... THE TREASURE... For two thousand years, an undiscovered treasure rested in the rocky wilds of the French Pyrenees. A series of scrolls written in the first century by Mary Magdalene, these startling documents hold the power to redefine the events and characters of the New Testament. Protected by supernatural forces, the priceless cache can only be uncovered by a special seeker, one who has been chosen for the task by divine providence - The Expected One. THE CHOSEN ONE... When journalist Maureen Paschal begins the research for a new book, she has no idea that she is stepping into an ancient mystery so complex and dangerous that thousands of people have killed and died for it. As a long buried family

scandal comes to light, she can no longer deny her own role in a deadly drama of epic international consequences.

True Healing For Yourself Alpha Books

The success of Dan Brown's Da Vinci Code has raised new interest in Mary Magdalene and in the Gospel of Mary. Here, the author examines Mary Magdalene's influence on the beginnings of Christianity and asks what was her impact and her message? And furthermore, what became of her and her ideas? Esther de Boer studies the Gospel of Mary (the only Gospel to be named after a woman) to discover what it reveals about Mary Magdalene and to determine the origin of its portrayal. She argues that the Gospel of Mary is not a Gnostic writing but is more closely related to the writings of Philo, the letters of Paul and the Gospel of John. She demonstrates that esteem of Mary Magdalene did not just belong to the Gnostic tradition but to a broader Christian context. In order to determine this context, the study identifies the different portrayals of Mary Magdalene in the New Testament, analyses their concepts of discipleship and their views on women, and investigates their historical 'reality'. Esther de Boer concludes that the portrayal of Mary Magdalene in the Gospel of Mary is close to that in the Gospel of John, and investigates the possibility that she is concealed in the Johannine disciple loved by Jesus.

The Gospel of Mary OSTRICH PUBLISHERS

After 2,000 years of flawed history, here at last is a magnificent new biography of Mary Magdalene that draws her out of the shadows of history and restores her to her rightful place of importance in Christianity. Throughout history, Mary Magdalene has been both revered and reviled, a woman who has taken on many forms—witch, whore, the incarnation of the eternal feminine, the devoted companion (and perhaps even the wife) of Jesus. In this brilliant new biography, Bruce Chilton, a renowned biblical scholar, offers the first complete and authoritative portrait of this fascinating woman. Through groundbreaking interpretations of ancient texts, Chilton shows that Mary played a central role in Jesus' ministry and was a seminal figure in the creation of Christianity. Chilton traces the evolving images of Mary Magdalene and the legends surrounding her. He explains why, despite her prominence, the Gospels actually say so little about her and why the Catholic Church for thousands of years has sought to marginalize her importance. In a probing look at the Church's attitudes toward women, he investigates Christian misogyny in the ancient world, including the suppression of women priests who patterned their activities on Mary's; explores the impact of Gnostic ambivalence toward women on its depictions of Mary; and shows that these traditions still influence modern portrayals of her. Chilton's descriptions of who Mary Magdalene was and what she did challenge the male-dominated history of Christianity familiar to most readers. Placing Mary within the traditions of Jewish female savants, Chilton presents a visionary figure who was fully immersed in the mystical teachings that shaped Jesus' own teachings and a woman who was a religious master in her own right.

The Ministry of Women in the New Testament Simon and Schuster

Respected scholar Dorothy Lee considers evidence from the New Testament and early church to show that women's ministry is confirmed by the biblical witness. Her comprehensive examination explores the roles women played in the Gospels and the Pauline corpus, with a particular focus on passages that have been used in the past to limit women's ministry. She argues that women in the New Testament were not only valued as disciples but also given leadership roles, which has implications for the contemporary church.

Mary Magdalene and the Divine Feminine Rose Publishing Inc

This small book has given readers more new insights and a deeper understanding of the source of pain and illness and how to remedy the underlying core. The author makes clear the link between our disassociation from love and the Divine and the source of our pain. Mary Magdalene was one of history's most powerful healers and teachers. Her deep, timeless healing approaches illuminate a simple, direct, and clear path that applies beautifully today. Mary's methods encompass a Four-Fold Path, a total approach empowering you to create a deep healing state for addressing both emotional and physical pain. The author was guided to combine this with the ancient Native meditation practice of Holding, which she also previously received through visionary experiences. As a healer who has healed from her own chronic illnesses, helped others heal, and taught healing practitioners around the world, she also includes some of her own insights for greater understanding about how to apply Mary's ancient wisdom for healing.

Secrets of Mary Magdalene Monkfish Book Publishing

THE MOST CLOSELY GUARDED SECRET OF THE WESTERN WORLD IS ABOUT TO BE REVEALED -- AND YOU WILL NEVER SEE CHRISTIANITY IN THE SAME LIGHT AGAIN. In a remarkable achievement of historical detective work that is destined to become a classic, authors Lynn Picknett and Clive Prince delve into the mysterious world of the Freemasons, the Cathars, the Knights Templar, and the occult to discover the truth behind an underground religion with roots in the first century that survives even today. Chronicling their fascinating quest for truth through time and space, the authors reveal an astonishing new view of the real motives and character of the founder of Christianity, as well as the actual historical -- and revelatory -- roles of John the Baptist and Mary Magdalene. Painstakingly researched and thoroughly documented, The Templar Revelation presents a secret history, preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals of Europe, whose final chapter could shatter the foundation of the Christian Church.

The Expected One Hampton Roads Publishing

The author draws on insights from her spirit guide, as well as research into the gnostic texts, to explore the lives of Mary, the mother of Jesus, and Mary Magdalene.

Truth and Fiction in The Da Vinci Code Ignatius Press

"What was Jesus' relationship with Mary Magdalene? What did he teach about the role of women? Is God only male? Mary Magdalene and the Divine Feminine explores these questions and much more as it unfolds Jesus' liberating teaching on Woman and on the true nature and destiny of the soul—teaching that has been lost for thousands of years. With detailed research and penetrating insight, Elizabeth Clare Prophet shows that Jesus actually broke with the tradition of his time and brought a revolutionary and freeing message for women that was later suppressed. She talks about why early Christian leaders denied Jesus' message on reverence for Woman and on the inner feminine potential of both man and woman. She also reveals the true relationship of Jesus and Mary Magdalene and why the concept of original sin, which was not part of Jesus' original teachings, was invented. In these pages, you will also explore the principle and role of the Mother and the Divine Feminine in East and West from ancient times through the teachings of the Hindus, Hebrews, Christians, Gnostics and others. And you will come to see how the story of Mary Magdalene is representative of our own soul's journey and holds valuable keys for your personal spiritual growth and awakening."

The Passion of Mary Magdalen Simon and Schuster

Restores to the forefront of the Christian tradition the importance of the divine feminine • The first complete English-language translation of the original Coptic Gospel of Mary, with line-by-line commentary • Reveals the eminence of the divine feminine in Christian thought • Offers a new perspective on the life of one of the most controversial figures in the Western spiritual tradition Perhaps no figure in biblical scholarship has been the subject of more controversy and debate than Mary Magdalene. Also known as Miriam of Magdala, Mary Magdalene was considered by the apostle John to be the founder of Christianity because she was the first witness to the Resurrection. In most theological studies she has been depicted as a reformed prostitute, the redeemed sinner who exemplifies Christ's mercy. Today's reader can ponder her role in the gospels of Philip, Thomas, Peter, and Bartholomew—the collection of what have come to be known as the Gnostic gospels rejected by the early Christian church. Mary's own gospel is among these, but until now it has remained unknown to the public at large. Orthodox theologian Jean-Yves Leloup's translation of the Gospel of Mary from the Coptic and his thorough and profound commentary on this text are presented here for the first time in English. The gospel text and the spiritual exegesis of Leloup together reveal unique teachings that emphasize the eminence of the divine feminine and an abiding love of nature over the dualistic and ascetic interpretations of Christianity presented elsewhere. What emerges from this important source text and commentary is a renewal of the sacred feminine in the Western spiritual tradition and a new vision for Christian thought and faith throughout the world.
