The Magic Faraway Tree: A Christmas Adventure Disney Electronic Content

In Taiwanese writer Lo Yi-Chin's *Faraway*, a fictionalized version of the author finds himself stranded in mainland China attempting to bring his comatose father home. Lo's father had fled decades ago, abandoning his first family to start a new life in Taiwan. After travel between the two countries becomes politically possible, he returns to visit the son he left behind, only to suffer a stroke. The middle-aged protagonist ventures to China, where he embarks on a protracted struggle with the byzantine hospital regulations while dealing with relatives he barely knows. Meanwhile, back in Taiwan, his wife is about to give birth to their second child. Isolated in a foreign country, Lo mulls over his life, dwelling on his difficult relationship with his father and how becoming a father himself has changed him. *Faraway* is a powerful meditation on the nature of family and the many ways blood can both unite and divide us. Lo's depiction of family dynamics and fraught politics contains a keen sense of irony and sensitivity to everyday absurdity. He offers a deft portrayal of the rift between China and Taiwan through an intimate view of a father-son relationship that bridges this divide. One of the most celebrated writers in Taiwan, Lo has been greatly influential throughout the Chinese-speaking world, but his work has not previously been translated into English. Jeremy Tiang's translation captures Lo's distinctive voice, mordant wit, and nuanced portrayal of Taiwanese culture. Faraway Home Crown

From Far Away, Vol. 6 HarperCollins

A New York Times Notable Book Finalist for the National Book Critics Circle Award A personal, lyrical narrative about storytelling and empathy, from the author of Orwell's *Roses Apricots*. Her mother's disintegrating memory. An invitation to Iceland. Illness. These are Rebecca Solnit's raw materials, but *The Faraway Nearby* goes beyond her own life, as she spirals out into the stories she heard and read—from fairy tales to Mary Shelley's *Frankenstein*—that helped her navigate her difficult passage. Solnit takes us into the lives of others—an arctic cannibal, the young Che Guevara among the leprosy afflicted, a blues musician, an Icelandic artist and her labyrinth—to understand warmth and coldness, kindness and imagination, decay and transformation, making art and making self. This captivating, exquisitely written exploration of the forces that connect us and the way we tell our stories is a tour de force of association, a marvelous Russian doll of a book that is a fitting companion to Solnit's much-loved *A Field Guide to Getting Lost*.

Over the Hills, and Far Away: a Story of New Zealand Simon and Schuster

Karl and Rosa's family watch in horror as Hitler's troops parade down the streets of their home city -- Vienna. It has become very dangerous to be a Jew in Austria, and after their uncle is sent to Dachau, Karl and Rosa's parents decide to send the children out of the country on a Kindertransport, one of the many ships carrying refugee children away from Nazi danger. Isolated and homesick, Karl ends up in Millisle, a run-down farm in Ards in Northern Ireland, which has become a Jewish refugee centre, while Rosa is fostered by a local family. Hard work on the farm keeps Karl occupied, although he still waits desperately for any news from home. Then he makes friends with locals Peewee and Wee Billy, and also with the girls from neutral Dublin who come to help on the farm, especially Judy.

But Northern Ireland is in the war too, with rationing and air-raid warnings, and, in April 1941 the bombs of the Belfast Blitz bring the reality of war right to their doorstep. And for Karl and Rosa and the other refugees there is the constant fear that they may never see their parents again. Based on a true story -- there was a refugee farm at Millisle and among its occupants was a young boy called Karl.

The Far Pavilions Magic Faraway Tree

This sweeping epic set in 19th-century India begins in the foothills of the towering Himalayas and follows a young Indian-born orphan as he's raised in England and later returns to India where he falls in love with an Indian princess and struggles with cultural divides. The Far Pavilions is itself a Himalayan achievement, a book we hate to see come to an end. It is a passionate, triumphant story that excites us, fills us with joy, move us to tears, satisfies us deeply, and helps us remember just what it is we want most from a novel. M.M. Kaye's masterwork is a vast, rich and vibrant tapestry of love and war that ranks with the greatest panoramic sagas of modern fiction, moving the famed literary critic Edmond Fuller to write: "Were Miss Kaye to produce no other book, The Far Pavilions might stand as a lasting accomplishment in a single work comparable to Margaret Mitchell's achievement in *Gone With the Wind*."
