This third edition of Collective Management of Copyright and Related Rights presents an in-depth revision with invaluable updates on the different systems, legislative options and best practices of CMOs worldwide. As with previous editions, the book is written to reach a wide audience, with a special focus on questions that might emerge for governments as they prepare, adopt and apply collective management norms and regulations. The edition also sheds light

on new copyright and related rights developments, including digital, technological and business trends, from all over the world. Additionally, there is detailed discussion on topics such as aspects of competition, national treatment, and different models of collective management.

Martinus Nijhoff Publishers

This book illustrates the influence of early human rights and mass industrialisation on the right to (physically) enforce performance of obligations in France, the German territories and the Netherlands during the nineteenth

century. It provides background information to the harmonisation of a controversial concept in European Private Law.

The Mauritius Almanac and Commercial Handbook WIPO

Contains decisions of the various courts of Quebec and includes a few cases of earlier date.

The Legal News

Martinus Nijhoff Publishers

Professeur, chercheur, directeur de centre, doyen et recteur, Yves Poulet s'est illustré dans toutes les étapes et fonctions d'une carrière universitaire bien remplie, marquant des générations d'étudiants, de chercheurs, de collègues et de pairs. Spécialiste éminent et incontournable du droit

de l'internet et des technologies de l'information et de la communication, il en est aussi l'un des précurseurs en fondant dès 1979 un des premiers centres de recherche européens en la matière. Par cet ouvrage, collègues, amis, anciens doctorants rendent hommage à l'une des plus belles plumes de la discipline, en lui offrant leurs réflexions sur l'influence réciproque du droit et de la technologie. Leurs contributions démontrent l'étendue de l'expertise et des réseaux européens et internationaux d'Yves Poulet. Elles s'articulent autour de trois axes qui furent autant de perspectives dans lesquelles il a inscrit sa recherche : le droit, les normes et les

libertés. La richesse de ce volume témoigne de son attention à l'humain, des amitiés qu'il a nouées, mais aussi des sillons qu'il a tracés en droit des technologies de l'information et de la communication, sillons dans lesquels a poussé une forêt luxuriante, toujours fertile. C'est l'héritage d'un grand penseur, d'un véritable universitaire.

===== Yves Poullet has not merely served but excelled in all functions of the University world.

Whether as professor, researcher, director of a research centre or as dean and rector, he has left a lasting impression in the minds of generations of students, researchers, colleagues and peers. He is a preeminent expert on the law of

Internet and Information and Communications Technologies who, already in 1979, pioneered one of the first European research centres in the field.

This volume is a tribute to Yves Poullet from colleagues, friends, former PhD researchers, offering their reflections on the reciprocal influence of law and technology.

These contributions highlight both the range of expertise and the extent of the European and international networks he has nourished. They address the three main research axes Yves Poullet has developed through the years: law, norms and freedoms.

The authors of this volume pay homage to a mentor, a friend, but above all to an

exceptional researcher who has sown countless seeds in the field, enabling a luxurious landscape to grow and become a source of inspiration for many scholars. This is the heritage of a genuine thinker, a real academic.

*Actes Passés À la Session de la Législature de L'état de la Louisiane Lyndon Maither*

The four volumes of the Encyclopaedia of International Aviation Law are intended for students, lawyers, judges, scholars and readers of all backgrounds with an interest in Aviation Law; and to provide the definitive corpus of relevant national and regional legislation, including global aviation treaties and legislation to enable all

readers without exception, to develop the background, knowledge and tools to understand local, regional and international Aviation Law in contextual fashion.
