Do you own a skin care business or are you an esthetician wishing for new opportunities? Discover the business, treatments and skills needed to work in a medical setting. Estheticians have an

increased value to the medical profession now more than ever. The role of the esthetician in a clinical setting be it surgical consultation, medi-spa, or general practice office is a fast-growing one. Pre- and post-operative care is oftentimes a secondary concern, despite the fact that it is absolutely crucial to the overall health and well-being of the patient/client and a requisite regimen toward realizing the results desired or promised from the medical procedure. Demand continues to grow for non-surgical services including chemical peels and microdermabrasion. In addition, physicians are offering cosmetic treatments, pre-and post-surgical treatments, and skin care products. For the esthetician and medical professional alike, this book emphasizes a working philosophy that esthetic treatment should benefit the mental and emotional well-being of the patient/client, along with healing the body. In eight well-organized sections comprising 32 chapters, Wojak discusses topics that include: The Science of Beauty Regulatory Implications to Treatment and Proper Documentation Procedures Common Skin Conditions, including but not limited to Acne, Rosacea, and Age-compromised Skin LED and IPL Therapy Understanding Ingredients and Products in Order to Make Proper Recommendations and Applications Ultrasound Microneedling and Microcurrent Advanced Esthetic Treatments, such as Dermaplaning and Chemical and Oxygen Treatments Techniques for Building Your Esthetic Business and Client Roster And more...

Workbook for Milady Standard Esthetics: Advanced Milady Publishing Company
Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and

with this latest version that commitment has not waived. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers.
