Classic Pickups Motorbooks International

A truck driver's tractor-trailer is more than just a vehicle or a tool for making a living. It is a calling card, a personal statement, a way of life. Truckers take as much joy and pride in modifying their rigs as hot-rodders and car customizers. Bette Garber present some two dozen of the most interesting and creative custom trucks to be seen on the roads today. Each feature tells the story of the men and women who modify and drive these trucks, including the tricks of the trade. All are featured in full-color photography that highlights the flash, incredible detail, and personal touches of custom semi trucks. The book also provides an overview of the truck-show scene and what makes for an award-winning rig.

The continued improvement of roadways and the dawn of the Interstate highway system in the 1950s was a boon to American industry in general and the trucking industry in particular. This marque-by-marque photo collection provides a comprehensive and nostalgic look back at the rapid development of the tractor-trailer rigs that resulted. Manufacturers like GMC, Chevrolet, Ford, Dodge, White, Freightliner, Peterbilt, Kenworth, Diamond T, International, Mack, Autocar, Brockway and Sterling are shown hauling everything from Cadillacs to cabbage across town, up the coast and over mountain passes. Thorough captions describe the development and history of each model as depicted in archival black-and-white and period color photography.

Pickup Trucks Enthusiast Books

The success of International's 1950s semi-trucks continued into the 1960s. Many series were carried over from the 1950s, but International now offered more models in each series to make them more versatile. The pictures you see in this book mainly cover the bigger straight trucks and over-the-road and off-highway trucks; the popular trucks like the V series, R series, D-400, DCO-400, CO-4000, and the line of "stars," to mention a

few. As you look at them, enjoy and admire them, as many are long gone.
