TORRES SHEPPARD

Reunited Houghton Mifflin Harcourt
A “creepy, satisfying thriller” from the author of *You Owe Me a Murder* and *One Lie Too Many* (Entertainment Weekly, “8 Seriously Scary Summer Reads”). For fans of *We Were Liars* and *The Girl on the Train* comes a chilling, addictive psychological thriller about a teenage girl who cannot remember the last six weeks of her life. Eighteen-year-old Jill Charron’s senior trip to Italy was supposed to be the adventure of a lifetime. And then the accident happened. Waking up in a hospital room, her leg in a cast, stitches in her face, and a big blank canvas where the last six weeks should be, Jill comes to discover she was involved in a fatal accident in her travels abroad. She was jetted home by her affluent father in order to receive quality care. Care that includes a lawyer. And a press team. Because maybe the accident . . . wasn’t an accident. Wondering not just what happened but what she did, Jill tries to piece together the events of the past six weeks before she loses her thin hold on her once-perfect life. “This multimedia project is a perfect thriller to stow in your beach bag.”—Teen Vogue “Prepare for lots of twists, right up until the very last chapter.”—Seventeen “[A] page-turning psychological thriller.”—Bustle For those who like a suspenseful and riveting novel.”—Glitter Guide “This book will have you turning pages as you try and decide what you believe and who you can trust.”—Parade “Cinematic scene breaks and propulsive reveals will keep the pages furiously turning in this slow-burning but explosive thriller.”—Booklist (starred review)

What if when you died, no one would ever know you were all that stood between man and the enemy? When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he

can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice.

With shades of E. Lockhart’s *We Were Liars* and Courtney Summers’s *Sadie*, this dark and twisted mystery set in a divided Maine seaside town simmers with unresolved tensions and unpredictable truths. Everyone in Tenney’s Harbor knows about the Garrison tragedy. How an unexplained fire ravaged their house, killing four of the five family members. But what people don’t know is who did it. All fingers point at Pearl Haskins’ father, who was the caretaker of the property, but Pearl just doesn’t believe it. Leave it to a town of rich people to blame “the help.” With her disgraced father now trying to find work in between booze benders, Pearl’s future doesn’t hold much more than waiting tables at the local country club, where the wealthy come to flaunt their money and spread their gossip. This year, Tristan, the last surviving Garrison, and his group of affluent and arrogant friends have made a point of sitting in Pearl’s section. Though she’s repulsed by most of them, Tristan’s quiet sadness and somber demeanor have her rethinking her judgments. Befriending the boys could mean getting closer to the truth, clearing her father’s name, and giving Tristan the closure he seems to be searching for. But it could also trap Pearl in a sinister web of secrets, lies, and betrayals that would leave no life unchanged...if it doesn’t take hers first.

The Summer of Firsts and Lasts Penguin

In this incandescent page-turner, sixteen-year-old Claire learns the unfortunate truth that sometimes a girl has to kiss a lot of frogs. . . . Brilliantly capturing the complexities of friendship, the struggles of self-discovery, and the difficulties of trying to find love in high school, Rachael Allen has crafted a rich debut that’s impossible to put down. No matter how many boys Claire kisses, she can’t seem to find a decent boyfriend—someone who isn’t afraid of her family’s tragic past or her own aspirations for the future . . . until she meets Luke. But Megan, Claire’s closest friend, is falling for Luke, too, and if there’s one thing Claire knows for sure, it’s that Megan is pretty much irresistible. With true love and best friendship on the line, Claire suddenly has everything to lose. And what she learns—about her crush, her friends, and most of all herself—makes the choices even harder.

The Girl Who Wrote in Silk Simon and Schuster

A tween rivalry-turned-friendship story bursting with humor and heart—perfect for fans of Lisa Graff and Lynda Mullaly Hunt. Lana and Cassie have met only once before, at the wedding of Lana’s Grandpa Howe and Cassie’s Grandma Tess two months ago. The two girls couldn’t be more different, and they didn’t exactly hit it off—but they’re about to spend an entire week together for their grandparents’ honeymoon, road-tripping from California to Maine in the backseat of a Subaru. It’s going to be a disaster. Told in alternating chapters between Cassie and Lana, *Drive Me Crazy* shows that even though friendship can be a bumpy road, it just might change your life for the better.

After the Kiss Yearling

All in step with wing in wing . . . Chicks can conquer anything! Nerdy Chick has been waiting all day for the Rocket Club meeting. But when she gets there, she

finds a disturbing sign tacked to the door: "NO CHICKS ALLOWED!!!" Puzzled, then baffled, then just plain mad, Nerdy Chick sets out to change the rules. Along the way, she meets other chicks who are just like her: passionate and determined. From Soccer Chick to Science Chick and Wordy Chick to Yoga Chick, these chicks aren't willing to take "NO" for an answer. They rally together, march to the barn at the center of town, and—when they hear "NO" once again—chart their own path forward (or, rather, up, up, and away!). A celebration of girl power and community action, *Chicks Rule!* is the playful, diverse, victorious anthem chicks everywhere will love.

Criminal Scholastic Inc.

Told entirely in text messages, this addictive new series from the acclaimed author of *My Life in Pink & Green* is perfect for fans of Lauren Myracle and Wendy Mass. To be honest, middle school is rough! Cecily, Gabby, and Prianka have been BFFAE since pre-K, so it's totally natural when they don't include the new girl, Victoria, in their plans and group texts. Between organizing the school Valentine's Day dance, prepping for their first boy-girl party, and trying to keep their texts so boring their moms won't use spy apps to read them, the friends only have time for each other. But when Victoria is accidentally sent a hurtful text message, the entire sixth grade gets called out for bullying, cell phones are confiscated, and the trio known as CPG4Eva is forced to figure out just how strong their friendships are IRL.

The Lost Summer HarperCollins

Spencer "Responsible" Davis is nowhere ready to "give up the V," as opposed to her hormonally crazed crew of friends, obsessed with the who-what-when-where-how of it all. "It" being . . . well, you get it. Even Spencer's male friends, who claim to have expertise in the matter, offer their services to help relieve her of that pesky letter, much to her embarrassment. But when new-kid Benjamin enters the picture, Spencer begins to rethink her "responsible" moniker, and for the first time she wonders if she's found just the right guy worth trading in her V-card.

Sippy Cups Are Not for Chardonnay Simon and Schuster

The moment the second line on the pee stick turns pink, women discover they've entered a world of parenting experts. Friends, family, colleagues, the UPS delivery guy -- suddenly everybody is a trove of advice, much of it contradictory and confusing. With dire warnings of what will happen if baby is fed on demand and even direr warnings of what will happen if he isn't, not to mention hordes of militant "lactivists," cosleeping advocates, and books on what to worry about next, modern parenthood can seem like a minefield. In busy Mom-friendly short essays, *Sippy Cups Are Not for Chardonnay* delivers the empathetic

straight dirt on parenting, tackling everything from Mommy & Me classes ("Your baby doesn't need to be making friends at three months old -- you do! But not with people you'll meet at Mommy & Me") to attachment parenting ("If you're holding your baby 24/7, that's not a baby, that's a tumor"). Stefanie Wilder-Taylor combines practical tips with sidesplitting humor and refreshing honesty, assuring women that they can be good mothers and responsibly make their own choices. A witty and welcome antidote to trendy parenting texts and scarifying case studies, *Sippy Cups Are Not for Chardonnay* provides genuine support, encouragement, and indispensable common-sense advice.

TBH #1: TBH, This Is So Awkward Createspace Independent Publishing Platform

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets.. While exploring

her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lien. Through the stories Mei Lien tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates

between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow* [A Sick Day for Amos McGee](#) Simon and Schuster

Hana isn't supposed to exist. She's grown up hidden by her mother in a secret room of the bioship Cyclo until the day her mother is simply gone—along with the entire crew. Cyclo tells her she was abandoned, but she's certain her mother wouldn't leave her there to die. And Hana isn't ready to die yet. She's never really had a chance to live. Fenn is supposed to die. He and a crew of hired mercenaries are there to monitor Cyclo as she expires, and the payment for the suicide mission will mean Fenn's sister is able to live. But when he meets Hana, he's not sure how to save them both. As Cyclo grows sicker by the day, they unearth more secrets about the ship and the crew. But the more time they spend together, the more Hana and Fenn realize that falling for each other is what could ultimately kill them both.

[Chicks Rule!](#) Little, Brown Books for Young Readers

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a

change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
