PETERSEN ANDREWS

L'Humanisme maçonnique Columbia
University Press

A historical and interpretive study of three aspects of Western esotericism from the Renaissance to the twentieth century.

Matgioi, un aventurier taoïste

Columbia University Press

Among the first seven scrolls discovered in the caves of Qumran at the Dead Sea is a

scroll given the name, "The Book of Giants." It is thought to have been based on the Book of Enoch, a pseudepigraphical Jewish work from the 3rd century BCE. The Book of Giants, like the Book of Enoch, concerns itself with the Nephilim, which are the offspring of fallen angels, who are called the Watchers. Two main versions of the text exist. The Dead Sea version is written in Aramaic. Another version has been found written in middle Persian, adapted from the Aramaic to fit into the Manichean religion. Both versions will be examined. Following theories speculating

that the Book of Giants was once part of the Book of Enoch, we will attempt to place the two texts back together to render the complete story of the Watchers and the Nephilim. We will discover the history and contributions of these ancient scrolls and look carefully at their content and meaning. Throughout the combined texts of the Book of Giants and the Book of Enoch we will examine all the biblical and apocryphal references and parallels within the text. The result is an in-depth and panoramic view of the Angels, the Watchers, and the Nephilim, and how one

of the giants of the Nephilim race may have survived the flood intended to cleanse the Earth of their horror.

Livres de France SUNY Press

This intricate and profound exploration of Kabbalistic symbolism as applied to the human body is a classic in French esoteric circles. It is the life work of psychotherapist Annick de Souzenelle, whose tremendous depth of thought has been partially inspired by the depth psychology of C. G. Jung. De Souzenelle incorporates the symbolism of the Hebrew language with biblical references and her understanding of Kabbalistic spirituality to present the Kabbalistic tree of life as a pattern of the human body in all its various parts and vital organs, from the bottom of the feet to the top of the head. Not only is hers an important work in the field, it also affords some flavor of the rich French esoteric tradition. *The Body and Its Symbolism* will be sought after by advanced students of the Western esoteric traditions, especially Kabbalah.

The Body and Its Symbolism Random House

This book deals with the "Book of Splendor" (Sefer ha-Zohar), the greatest

achievement of Kabbalah and one of the most influential sources of Western mysticism. This book offers a new interpretation of the Zohar, analyzing both its theoretical content and its historical context; it also brings the theory and the history together by indicating the personal and autobiographical elements in the Zohar's teachings. The author delves into the issues of the messianic elements of the Zohar, the way it was written, and its relationship to Christianity, Gnosticism, and Talmudic literature.

Unlocking the Zohar Praxis Research Institute

On the brink of mystery, the spirit of man is seized with giddiness. Mystery is the abyss which ceaselessly attracts our unquiet curiosity by the terror of its depth. The greatest mystery of the infinite is the existence of Him for whom alone all is without mystery. Comprehending the infinite which is essentially incomprehensible, He is Himself that infinite and eternally unfathomable mystery; that is to say, that He is, in all seeming, that supreme absurdity in which Tertullian believed. Necessarily absurd, since reason must renounce for ever the

project of attaining to Him; necessarily credible, since science and reason, far from demonstrating that He does not exist, are dragged by the chariot of fatality to believe that He does exist, and to adore Him themselves with closed eyes. Why? Because this Absurd is the infinite source of reason. The light springs eternally from the eternal shadows. Science, that Babel Tower of the spirit, may twist and coil its spirals ever ascending as it will; it may make the earth tremble, it will never touch the sky. God is He whom we shall eternally learn to know better, and, consequently, He whom we shall never know entirely.

The Essential Zohar A&C Black
Les quatre traités présentés ici dans une nouvelle traduction sont parmi les livres les plus mystérieux du Zohar et les enseignements qu'ils contiennent font partie des plus hermétiques. Ils se présentent comme l'ultime transmission initiatique de Rabbi Shiméon à ses disciples.

The Key of the Mysteries Lahy
Take a journey with the artist and writer Petar Meseldzija, who tells how he was allowed unparalleled access through the Invisible Curtain and into the land of

giants. A year in the making, this book's sixteen paintings and nearly ninety drawings bring to life Petar's experiences on this journey and secrets uncovered, going back to ancient times. He shares stories of new discoveries that free giants from the murky abyss of myth and a forgotten past. Told in three stages, The Book of Giants includes the illustrated stories The Giants Are Coming, recounting a dynamic clash that lasted one hundred years; The Little Kingdom, where a giant befriends a nation of humans and becomes their adamant protector against ferocious invaders; The Northern Giants, who embrace the warrior spirit through countless battles; Giant Velles, the story of ignorance and how the strength of goodness perseveres; and The Great Forest, wherein the author discovers little creatures called the keppetiz and relates his experiences spent with ogres while on his quest to meet the Golden One and to determine the purpose of his journey. Through the strength of his own power, he discovers his blessings, his limitations and finally his personal myth. Furthermore, you will discover why giants made a push into the underground, followed by their

exodus and deliverance to a new land. You'll also learn why the myth of giants is still alive, why their time spent with humans remains elusive and why giants prefer to remain hidden in their world. Join Petar Meseldzija on his journey of discovery.

La lampe divine Harmony

Les oeuvres électroacoustiques de Xenakis ne comptent que pour un dixième dans sa production, mais elles sont très importantes. Composées à des moments clés de l'évolution de Xenakis, ces oeuvres peuvent s'analyser pour comprendre divers aspects de sa pensée musicale, théorique, esthétique et interdisciplinaire : recherches sur le bruit, théorie du granulaire, expérimentations en matière de spatialisation, réalisations interartistiques. (Des articles en français et en anglais).

Rosicrucian History and Mysteries

Createspace Independent Publishing Platform

The Book of Zohar (Book of Radiance), also known as The Zohar is one of the most mysterious and misunderstood compositions ever written. The awe, admiration, and even fear it has evoked

over the years are unsurpassed. This book contains the secrets of the whole of Creation, but until recently these secrets were shrouded in a cloud of mystery and misconceptions. Now The Zohar is openly unfolding its wisdom throughout the world, to show humanity a way forward, as the book itself declares (VaYera, Item 460), When the days of the Messiah draw near, even infants will discover the secrets of the wisdom. The greatest Kabbalist of the 20th century, Rav Yehuda Ashlag (1884-1954) paved a new way for us by which we can reveal the secrets of The Zohar. He wrote the Sulam [Ladder] Commentary and the four introductions for The Zohar to help us come to know the forces that govern our lives, and teach us how we can assume control over our destinies. This book is an invitation to a wondrous journey to a higher world. The author, Kabbalist Dr Michael Laitman, wisely ushers us into the revelations of the Sulam commentary. In so doing, Laitman helps us fine-tune our thoughts as we read in The Zohar, to maximize the spiritual benefit derived from reading it. In addition to explaining The Book of Zohar, the book contains numerous inspiring quotes from

The Zohar, specifically translated, edited, and compiled for easy reading and understanding of this powerful text.

La clef du Zohar State University of New York Press

5 manuscripts in one book: Kabbalah: The Ultimate Guide for Beginners Wanting to Understand Hermetic and Jewish Qabalah Along with the Power of Mysticism Jewish Mysticism: The Ultimate Guide to Understanding Kabbalah, Merkabah Mysticism, and Ashkenazi Hasidism Sefer Yetzirah: Ultimate Guide to Understanding the Earliest Extant Work on Jewish Mysticism that Was Mentioned in the Talmud Zohar: The Ultimate Guide to Understanding the Most Important Work on Kabbalah and Jewish Mysticism Sefer ha-Bahir: The Ultimate Guide to Understanding the Bahir and Its Influence on Kabbalah and Jewish Mysticism The Jewish people have Kabbalah as their way to understand how man and God are connected and how God relates to the world. For many centuries, Kabbalists have continued to dive into the Kabbalah's teachings about who God truly is and what we owe God as humans. Unfortunately, some assume that Kabbalah is something

only a few initiates can get to know, but that's not the case. Kabbalah offers two kinds of secrets. The secrets not in the public awareness, which, as soon as they are revealed, are seen for the illusions they are so that all the mysteries they once held are gone. Then there are the actual secrets right there for you to see yourself. When the latter secrets are mined for more truth, all you find is more depth and profundity. These secrets become richer and richer, and they light up the world. These are the actual secrets of Kabbalah - they aren't so secret, after all. Click the "add to cart" button to learn how to follow the way of Kabbalah *The Garden and the Fire* Lahy Buy the Paperback, get the Kindle version for free! Many of the Book of Enoch books available are in fact public domain (the R. H. Charles version of 1917) which means they can be given away to anyone for free, by anyone. This book is NOT one of those. What is the problem with public domain versions? They are full of errors, as they are around 100 years old and out-dated scholarship. Sure, they might be cheap, but most of the information is wrong. World renowned scholar Dr. A. Nyland has a

doctorate in ancient languages and word meaning. She was a college professor at the University of New England, Australia, lecturing in ancient languages. She has appeared on television and radio numerous times speaking about ancient languages and ancient peoples. These days, many non-translators (some of whom actually claim to be translators) sell the public domain version of 1917 by R.H. Charles (both as is, and also disguised by slight rewording) as a commercial venture. This version reflects the knowledge of The Book of Enoch as it was back in 1917. Great advances have been made since then. This (all 3 Books of Enoch) is a NEW (2010) and easy-to-read translation by ancient languages scholar Dr. A. Nyland and is NOT the 1917 R.H. Charles Public Domain translation of The Book of Enoch. The Book of Enoch is of importance to theosophy, mysticism and angelology and demonology. This book is an easy-to-read translation with cross references, copious background notes, and notes. This new translation by Dr. A. Nyland contains all 3 Books of Enoch: 1) 1 Book of Enoch (Also called The Ethiopic Book of Enoch) 2) 2 Book of Enoch (Also called The Slavonic

Book of Enoch, The Secrets of Enoch). Also contains the extended version of 2 The Book of Enoch, The Exaltation of Melchizedek. 3) 3 Book of Enoch (Also called The Hebrew Book of Enoch) The Books of Enoch are of interest to a wide audience: theosophy, mysticism. 1 Book of Enoch tells of the Watchers, a class of angel, who taught humans weapons, spell potions, root cuttings, astrology, astronomy, and alchemy. The Watchers also had sex with human women and produced the Nephilim. For this, they were imprisoned and cast into Tartarus. This is also mentioned in the New Testament. In 2 Book of Enoch, two angels take Enoch through the 7 heavens. This volume contains the extended version of 2 Book of Enoch, The Exaltation of Melchizedek. In 3 Book of Enoch, Enoch ascends to heaven and is transformed into the angel Metatron. This is about the Merkabah and is of interest to those who study mysticism and magic, and Kabbalah. People interested in theosophy or mysticism will find this book invaluable, as will Rosicrucians.

La vie du monde à venir Editions L'Harmattan

Ants came to this planet long before man. Since then they have developed one of the most intricate civilizations imaginable – a civilization of great richness and technological brilliance. During the few seconds it takes you to read this sentence, some 700 million ants will be born on earth... Edmond Wells had studied ants for years: he knew of the power which existed in their hidden world. On his death, he leaves his apartment to his nephew Jonathan with one proviso: that he must not descend beyond the cellar door. But when the family's dog escapes down the cellar steps, Jonathan has little alternative but to follow. Innocently he enters the world of the ant, whose struggle for existence forces him to reassess man's place in the cycle of nature. It is an experience that will alter his life for ever... Empire of the Ants is an extraordinary achievement. It takes you inside the ants' universe and reveals it to be a highly organised world, as complex and relentless as human society and even more brutal.

Les assemblées initiatiques du Zohar
Jourdan

With unflinching gaze and

uncompromising intensity Julius Evola analyzes the spiritual and cultural malaise at the heart of Western civilization and all that passes for progress in the modern world. As a gadfly, Evola spares no one and nothing in his survey of what we have lost and where we are headed. At turns prophetic and provocative, *Revolt against the Modern World* outlines a profound metaphysics of history and demonstrates how and why we have lost contact with the transcendent dimension of being. The revolt advocated by Evola does not resemble the familiar protests of either liberals or conservatives. His criticisms are not limited to exposing the mindless nature of consumerism, the march of progress, the rise of technocracy, or the dominance of unalloyed individualism, although these and other subjects come under his scrutiny. Rather, he attempts to trace in space and time the remote causes and processes that have exercised corrosive influence on what he considers to be the higher values, ideals, beliefs, and codes of conduct--the world of Tradition--that are at the foundation of Western civilization and described in the myths and sacred literature of the Indo-Europeans.

Agreeing with the Hindu philosophers that history is the movement of huge cycles and that we are now in the Kali Yuga, the age of dissolution and decadence, Evola finds revolt to be the only logical response for those who oppose the materialism and ritualized meaninglessness of life in the twentieth century. Through a sweeping study of the structures, myths, beliefs, and spiritual traditions of the major Western civilizations, the author compares the characteristics of the modern world with those of traditional societies. The domains explored include politics, law, the rise and fall of empires, the history of the Church, the doctrine of the two natures, life and death, social institutions and the caste system, the limits of racial theories, capitalism and communism, relations between the sexes, and the meaning of warriorhood. At every turn Evola challenges the reader's most cherished assumptions about fundamental aspects of modern life. A controversial scholar, philosopher, and social thinker, JULIUS EVOLA (1898-1974) has only recently become known to more than a handful of English-speaking readers. An authority on the world's esoteric traditions, Evola wrote

extensively on ancient civilizations and the world of Tradition in both East and West. Other books by Evola published by Inner Traditions include *Eros and the Mysteries of Love*, *The Yoga of Power*, *The Hermetic Tradition*, and *The Doctrine of Awakening*.

Saint-Yves d'Alveydre, ou, Une synarchie sans énigme BRILL

This is a book of the key text of the Kabbalah, a work known as the Zohar ("Splendour"). The Zohar is a commentary on the Torah and although it is sometimes ascribed to a second-century rabbi, Simon Bar-Yochai, the form in which it is most widely known originates with Moses of Leon, a native of Granada, who died in 1305. The kabbalists believe that the undefinable origin of all things is Ein Sof - the cause of causes, the infinite, that which underlies everything. The universe emanates from the divine in successive layers called *esefiroti*. Everything exists in God, but God extends infinitely beyond existence. All we know and are is linked together, pervaded and maintained by the divine. According to this work, the light of God must be concealed in order to be revealed to creation. Even though the kabbalists believe that ultimately Ein Sof is

beyond expression or understanding, the contemplation of God's presence in all things causes our thoughts to be purified. *Transcendental Magic* Weiser Books
 Que font les francs-maçons en Loge ? La question paraît simple aux frères et aux sœurs, quoique... D'aucuns parmi eux avanceront que les maçons se rencontrent entre équerre et compas, deux symboles connus, pour travailler à leur progrès intérieur et « extérieur », et à celui de l'Humanité, ce qui, on en conviendra, s'annonce pour le moins ardu et peut signifier beaucoup, même au risque de vouloir exprimer trop, mal ou trop peu, avec les dérapages collatéraux d'une compréhension édulcorée ou carrément erronée. D'autres prétendront, et à juste titre, travailler à tailler leur « pierre brute » et œuvrer à la gloire du Grand Architecte de l'Univers, ce qui convoque une perception encore plus malaisée pour tel ou telle qui n'en serait pas... Il en est même qui voient la participation aux réunions maçonniques comme une thérapie de groupe ou des rassemblements osmotiques voire transcendants. En fait, il y a un peu de tout cela et ce que font les frères ou les

sœurs en Loge procède d'une élévation teintée à forte dose d'une fraternité constructive, qu'elle soit spirituelle ou sociétale à des degrés divers et peut-être même les deux à la fois ; rien de complotiste en cela ; l'auteur expose également ce que n'est pas la franc-maçonnerie et comment on peut l'approcher en vue d'espérer y être coopté franc-maçon. Nombreuses sont les personnes qui s'interrogent sur ce que font les maçons en Loge. Il n'est pas question ici de dévoiler des rituels, d'abord parce que ce n'est pas l'objet, mais aussi parce que la maçonnerie est une école moderne de sagesse initiatique, de sorte que ceux et celles qui n'en sont pas membres peuvent effectuer des démarches pour solliciter le devenir. Être initié n'est pas un droit, mais le demander est légitime pour qui est libre, probe et de bonnes mœurs. Un ouvrage qui se donne pour ambition d'ouvrir une fenêtre sur les sujets traités en Loge. EXTRAIT N'importe qui peut souhaiter entrer en maçonnerie, pour autant qu'il s'agisse d'une personne honnête, voire probe, et de bonnes mœurs, qui dispose de l'intelligence pour comprendre l'initium, du temps pour s'y

investir à son rythme et selon ses capacités, et dont il apparaît de manière rassurante qu'elle est sincère, qu'elle n'adhère pas à une quelconque organisation sectaire ou liberticide et ne la soutient pas. Cela signifie aujourd'hui que, dans la plupart des Loges dans le monde, des personnes de tous milieux sociaux peuvent approcher la maçonnerie, bien qu'il soit dû à la vérité de reconnaître que les personnes de milieux sociaux plus aisés bénéficient de plus d'opportunités de rencontres que les personnes qui ne sont pas en contact avec des francs-maçons « au quotidien » en quelque sorte, encore que par l'Internet ou via une démarche personnelle, toute personne puisse « frapper à la porte du temple ». À PROPOS DE L'AUTEUR Philippe Liénard, maçon au 33e degré, est avocat international.

גט השמות Quest Books

Tarot of the Magicians by Swiss occultist artist and author Oswald Wirth was first published in Paris in 1927, and a Weiser edition was later released in 1985. Long unavailable, the book is back in print in a beautiful new package with full-color pull-out cards reproducing Wirth's 1889 tarot deck. With a new introduction by

bestselling tarot author Mary K. Greer, Tarot of the Magicians offers tarot enthusiasts and students of the occult an in-depth and authoritative analysis of one of the most beautiful and evocative of all modern tarot decks. In this important tarot work of the Major Arcana, Wirth combines the imagery and symbolism from Alchemy, Freemasonry, Rosicrucianism, and the magical heritage of Egypt and Chaldea, and explores the astronomical (rather than strictly zodiacal) associations for the Major Arcana cards.

The Brill Handbook of Freemasonry is a pioneering work that brings together, for the first time, leading scholars on Freemasonry—the largest, oldest, and most influential secret society in the world.

The Book of Giants Laitman Kabbalah Publishers

Affirms the system of traditional Jewish law as a developing and moral structure, flexible enough to accommodate the changing realities of each generation. Shows how the traditional framework for understanding Torah can be the living heart of Judaism.

Jesus, the Last Great Initiate Jewish Lights Publishing
 For thousands of years, no book has been more shrouded in mystery than the Zohar, yet no book offers us greater wisdom. The central text of Kabbalah, the Zohar is a commentary on the Bible's narratives, laws, and genealogies and a map of the spiritual landscape. In *The Essential Zohar*, the eminent kabbalist Rav P. S. Berg

decodes its teachings on evil, redemption, human relationships, wealth and poverty, and other fundamental concerns from a practical, contemporary perspective. The Zohar and Kabbalah have traditionally been known as the world's most esoteric sources of spiritual knowledge, but Rav Berg has dedicated his life to making this concentrated distillation of infinite wisdom available to people of all faiths so that we may use its principles to live each day in

harmony with the divine.
The Anthropological Structures of the Imaginary Hachette UK
 Provides an analysis of how visions of the Garden and the Fire, or Heaven and Hell, within Sunni Islam changed between the seventh and thirteenth centuries, and looks at how Muslims used images to represent the Garden on Earth from the seventh to the nineteenth century.
