### **Strapon Tales**

Hardpress Publishing  
Three women unite—and fight back—after their husbands do them wrong, in this tale of “wickedly funny female bonding” by a New York Times–bestselling author (People).  
Angela, half-Jewish, half-Italian, and all New Yorker, is a lawyer

married to Reid, a handsome old-money WASP. Michelle adores her childhood sweetheart husband, Frank, and the dream house he’s provided for her and their two beautiful children. Jada is an African American working mom trying to maintain a happy home, despite her husband Clinton’s failing business. But then, like a bad soufflé, the lives of these three thirtysomething women collapse as they each discover the truth about their dirty, rotten mates. Uniting for solace and support, they draw on one another’s friendship to heal their wounds. Bowed but not beaten, this smart, audacious trio will concoct a brilliant recipe to take back what’s theirs and serve justice on their

duplicitous men—and transform them from victims to victors . . . This is a “riotous” tale from the bestselling author of such beloved novels as *The First Wives Club* and *Fashionably Late* (USA Today). “Chances are good that you’ll like these women and love this book.” —Daily News (New York)

**The Wife** Chelsea Chaynes  
Volume 3 continues where volume 2 left off. As if they dress and panties weren't humiliating enough for her to make her husband wear, Eva decides to add a bra to his attire. She also wants to see how 'pretty' she can make him by putting makeup on him before making him suck her strap on with his red lipstick covered lips. See how

much she shames him with her new toy. She discovers a few things about herself and what she really likes when she bends her husband over the bed and pulls his panties down around his knees so that she can have her way with his bare ass. But that's not enough to satisfy her newly discovered domineering need to hum sexually humiliate her hubby... just wait until you see what kind of outfit she's planning to make him wear next - and who she's planning to make him wear it in front of. If you like kinky role reversal, then you're going to love this story!

Will Kristine keep this new titillating information to herself or will she use it somehow to rope her husband, Chris, into the fun and games? Will a drunken round of I Never two nights later lead to the wives of both couples strapping on some heavy hitters

and taking turns with a feminized Charles? Will Rachel divulge a new fetish that she's developed to her husband Charles for the very first time, one that might or might not include her wearing a full-body PVC outfit? And most importantly of all, will Chris agree to participate in this heated and raunchy affair and give Charles something he's always yearned for - the taste of a real man's endowment while his wife watches him take it? ### **Pegged by the Wife**

Scarlett Steele

"This enlightening work investigates the history, incidence, and causes of a unique sexual lifestyle pursued by increasing numbers of couples. The most common terms used to describe it are 'hotwife/cuckold lifestyle.' This sexual practice, a form of sexual nonmonogamy, is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men, while the wife is permitted, and often encouraged, to pursue unrestrained sexual encounters with other men. The author includes interviews and

comments from couples living the lifestyle throughout the United States and presents the stories in an attempt to determine the history of this sexual practice and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious." -- page 4 of cover.
